Civil Service Commission,

January 21, 1919.

The Civil Service Commissioners hereby give notice, that the following Regulations have been approved by the Lords Commissioners of His Majesty's Treasury, viz.:—

TEMPORARY (RECONSTRUCTION) REGULATIONS FOR THE SELECTION OF CLASS I. CLERKS IN THE HOME CIVIL SERVICE.

1. *Age*.—Candidates must have been born on or after the 2nd August, 1891, and have attained the age of 22 on the date fixed for the qualifying examination described below.

2. *Nationality*.—Candidates must be natural-born British subjects and the children

of natural-born British subjects, or of natural-born subjects or citizens of an allied country, provided that exception may be made in the case of candidates who have served in His Majesty's Armed Forces during the War. Further, a candidate will be not be eligible for appointment to the Admiralty, Colonial Office, or War Office unless his father is also a British subject, except by special permission from the Head of the Department concerned.

3. *Military Service*.—Candidates must have served in His Majesty's Naval, Military, or Air Forces; provided that a candidate who has been found unfit on grounds of health for general service, has served for at least a year in a Government Department, has there shown himself to be up to or above the standard of ability usually obtained from competitive examinations, and is recommended by his Department, may also be considered.

4. *Education*.—Candidates must satisfy the Civil Service Commissioners that they have received whole-time continuous and systematic education of a high type until at least the age of 18. They must have graduated at a University with First or Second Class Honours, or must produce evidence satisfactory to the Civil Service Commissioners that if they had proceeded to a University they might have reasonably expected to obtain at least Second Class Honours.

For the purpose of the Qualifying Examination and the Competitions described below, candidates will be considered in three groups:—

(a) Those who have taken a full University course;

(b) Those who have spent at least two years at a University, but not taken a full course;

(c) Those who entered the forces direct from school or spent less than two years at a University;

and so far as practicable a certain proportion of vacancies will be allotted to each group.

5. *Health and Character*.—Candidates must satisfy the Civil Service Commissioners as to their health and character.

Other things being equal, preference will be given by the Selection Board to Candidates who are debarred from active employment by a physical impairment due to the war and not of a nature to interfere with the discharge of ordinary administrative duties.

6. *Application*.—Candidates must make application on the appropriate Form, which may be obtained from the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W. 1.

All candidates must apply as soon as possible. The qualifying examination of those at present under age will be fixed for a date when they are of appropriate age, provided these regulations are then still in force. Those who for any reason wish to postpone their examination must apply as soon as possible in order to obtain the sanction of the Commissioners for the postponement.

7. *Qualifying Examination*.—Those candidates who on their Application Forms and the resulting inquiries are adjudged by the Civil Service Commissioners to be eligible will

undergo a qualifying examination in the following subjects—

English,
Arithmetic,
General Knowledge,

and those whom the Civil Service Commissioners judge to approximate to the standard of ability usually obtained from open competitive examinations for these situations will be passed.

No candidate will be obliged to take the qualifying examination within three months from the date of leaving the Forces as attested by his Dispersal Certificate.

8. *Competitions.*—Candidates who pass the qualifying examination, and are of the requisite age, health, and character, will be summoned to an interview before a Selection Board. The Selection Board will hold competitions at intervals while these regulations remain in force, and on each competition they will prepare a list of the Candidates suitable for appointment. No Candidate will be allowed more than one attempt at the qualifying examination, but a Candidate who has passed that examination and although judged suitable for appointment has not been appointed on the results of one competition may be considered by the Selection Board in later competitions.

9. *Warning.*—Any attempt on the part of a Candidate to enlist support for his application through Members of Parliament, or other influential persons, will disqualify him for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the Candidate's work whether at school, at the University, in the Forces, or otherwise.

10. *Fee.*—Every candidate is required to pay a fee of ten shillings, payable when the Application Form is sent in. One such fee will cover application for Class I. in the Home Civil Service, the Indian Civil Service, and Eastern Cadetships.
