

SECOND SUPPLEMENT

TO

The London Gazette.

Of FRIDAY, the 21st of FEBRUARY, 1919.

Published by Authority.

*The Gazette is registered at the General Post Office for transmission by Inland Post as a newspaper. The postage rate to places within the United Kingdom, for each copy, is one halfpenny for the first 6 ozs., and an additional halfpenny for each subsequent 6 ozs. or part thereof. For places abroad the rate is a halfpenny for every 2 ounces, except in the case of Canada, to which the Canadian Magazine Postage rate applies.*

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods used to collect and analyze data. It includes a detailed description of the sampling process and the statistical techniques employed to interpret the results.

3. The third part of the document presents the findings of the study. It shows that there is a significant correlation between the variables being studied, which supports the hypothesis that was tested.

4. The final part of the document discusses the implications of the findings and offers suggestions for further research. It notes that while the current study provides valuable insights, there are still several areas that need to be explored in more detail.
