NOTE (1).—All persons or firms resident, carrying on business or being in the United Kingdom are prohibited from having, with any person or firm mentioned in this List, or in any List issued under the Trading with the Enemy (Statutory List) Proclamation, any dealings other than such as are expressly authorised by Paragraph 5 of the Proclamation. A List (The Consolidated List, No. 76A) consolidating all previous Lists up to and in-

cluding that of the 21st February, 1919, is in press and will shortly be published. This Consolidated List, together with the List herewith annexed, contains all the names which up to this date are included in the Statutory List.

Additions to and variations in these Lists will be published at intervals approximately of two weeks.

The Lists are published in the London Gazette and reproduced in the Board of Trade Journal, and separate copies of all Lists may be obtained at a small cost from the Superintendent of Publications, His Majesty's Stationery Office, Imperial House, Kingsway, W.C.

NOTE (2).—Where a person or firm mentioned in the List has more than one address in the country, or group of countries under which the name of the person or firm appears, all dealings in that country, or in any country in the group, with such person or firm are prohibited, even in cases where one only of the addresses or one only of the countries is specially mentioned.

NOTE (3).—Trading is prohibited under the Trading with the Enemy Proclamations of 25th June and 10th November, 1915, with any person or firm of enemy nationality resident or carrying on business in China, Siam, Persia, Morocco, Liberia, or Portuguese East Africa. Persons or firms in the United Kingdom are therefore prohibited from trading with any person or firm of enemy nationality in any of those countries, even though such person or firm is not mentioned by name in the Statutory List.

NOTE (4).—In order to minimise as far as possible any inconvenience which may be caused to British traders by the dislocation of export trade owing to the inclusion in the Statutory List of a former connection, the Foreign Trade Department is collecting and classifying the names of non-enemy firms who may be able to act as substitutes for firms mentioned in the Statutory List. A considerable amount of information is already available at the Foreign Trade Department, and it is in many cases possible to suggest the names of satisfactory substitutes *for individual firms on the Lists*, without the necessity of referring the matter abroad. The Department is, however, prepared on application to enquire of His Majesty's Representatives abroad for the names of suitable substitutes. When the applicant wishes this done by telegraph he is required to undertake to pay the cost of telegraphic correspondence. It would greatly facilitate the work of the Foreign Trade Department if applicants in making enquiries would specify the particular trade or trades for which substitutes are required. *General enquiries for new connections abroad should be addressed to The Comptroller-General, Department of Overseas Trade (Development and Intelligence), 73, Basinghall Street, London, E.C. 2.*

NOTE (5).—The Statutory List for each country is telegraphed, on the day of issue, to His Majesty's Representative in that country, who is instructed to notify accordingly British Consular Officers, to whom persons abroad should apply for information as to names on the List. Persons and firms in the United Kingdom with agencies or branches abroad would, however, be well advised to furnish such agencies or branches with issues of the List as they appear. The names on the Lists for all countries in Central or South America are also notified to His Majesty's Ambassador at Washington, who transmits them to H.M. Consul-General at New York and to other centres in the United States likely to be interested.

NOTE (6).—It is not unusual for firms in Holland and the Netherland East Indies to be registered under names commencing with descriptive terms such as "Handel Maatschappy" (Trading Company) or "Naamlooze Venootschap" (Limited Liability Company). In such cases it has been found more convenient to publish the firm under its proper name followed by the general descriptive term "Handel Maatschappy" or "Naamlooze Venootschap" (N.V.), as in the case of an English company. For instance, Handel Maatschappy van den Berg & Company, and Naamlooze Venootschap de Komeet v/h Dumonceau Frères will be found under "Berg" and "Komeet" respectively, and not under "Handel" or "Naamlooze."

At the Council Chamber, *Whitehall*, the 7th day of *March*, 1919.

By the Lords of His Majesty's Most Honourable Privy Council.

ADMIRALTY NOTICE TO MARINERS.

No. 445 of the year 1919.

ENGLAND, EAST COAST.

River Humber and Approaches—Pilotage, Traffic and Fishing Regulations.

Former Notice.—No. 205 of 1919; cancelled as from 9th March, 1919.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty, and will come into force on 9th March, 1919:—

1. That portion of the Humber which lies between two straight lines, drawn from shore to shore, as follows:—(1) a line drawn 225° (*S. 61° W. Mag.*) through Spurn lighthouse, (2) drawn 344° (*North Mag.*) from the east side of Barrow haven, will be referred to as the "port" in these regulations.

2. Shipowners and local agents are warned that their vessels are to conform to the following regulations:—

(I.) Merchant vessels and fishing craft are free to enter or leave the port at any hour of the day or night, but they may not navigate to the westward of No. 6 Upper Burcom buoy during the hours of official night.

(II.) Shipowners and local agents are advised to time the arrival of their vessels at the port for daylight.

3. All pilotage certificates granted to masters and mates for the whole or any part of the Humber Pilotage district are suspended, and further, all vessels (irrespective of draught, size, or nationality, but with the exception of those provided for in paragraph 4) bound to or from any place on the Humber must be conducted by licensed pilots over the whole or any part of the waters between Hull and the Outer Pilotage station of the Humber Pilotage district, which, until further notice, will be situated in the neighbourhood of the Bull light-vessel.

4. In the case of lighter inter-dock traffic and of small British vessels engaged in local traffic above Grimsby, pilotage by licensed pilots is not compulsory; nor for fishing vessels belonging to Humber ports for the limits between Hull and the sea.

5. During fog with visibility of less than half a mile, no traffic is permitted to move on the Humber below Paull point.

6. Every vessel shall endeavour to approach the Humber in sufficient time to enable such vessel to obtain a pilot and arrive at her destination, or at a position in which she is permitted to anchor, before the commencement of official night.

7. The pilot lobbies will be notified when the existence of fog outside the river is known.

8. All vessels proceeding into or out of the Humber must be navigated.

(*a*) By way of a passage which has been cleared through the East Boom for about seven cables in a north-easterly direction and marked on its southern side by Clee Ness float showing a *flashing white* light, and on its northern side by a black conical buoy showing a *double flashing red* light.

(*b*) By way of a passage which has been cleared through the Middle Boom extending from the southern gate-vessel (moored 13 cables 60° from the Grimsby Hydraulic Tower) for about six cables 19°. (*N. 35° E. Mag.*) to the northern gate-vessel.

By day: Gate-vessels will each show a cone apex upwards at the yard-arm on the passage side.

By night: Gate-vessels will each show two white lights six feet apart on the yard-arm nearest the passage side, and one white light on the yard-arm farthest from the passage side.

(9)

10. All vessels entering or leaving Grimsby Docks must pass to the southward of the No. 4 Lower Burcom light-float, except those making use of the channel southward of the Burcom shoal (hereinafter called the Burcom channel), which are exempted from this condition, but no vessel may cross the Burcom shoal between the No. 5 Middle Burcom B.W.V.S. buoy and No. 4 Lower Burcom light-float. Vessels using the Burcom channel must pass into and out of its western end to the eastward of No. 6 Upper Burcom B.W.V.S. buoy, and of its eastern end by a passage of 220 feet wide, each side of which is marked by a dolphin surmounted by a

black triangle supported on a white pole. No sailing vessel or dumb craft may use this passage unless towed, and no vessel is permitted to tow more than two craft at one time through the passage.

Vessels making use of this passage are cautioned to keep well in the middle of the opening and are subject to the following regulations:—

(1.) Vessels navigating against the tide must in all cases give way to those navigating with the tide.

(2.) No vessel must approach the defences in this part of the river nearer than a quarter of a mile except to pass through the before-mentioned passage or to enter or leave the docks or old outfall at Grimsby.

(3.) No vessel may tow more vessels at one time than she can safely navigate through the passage, and under no circumstances is the tow to comprise more than two craft.

(4.) Distant signals controlling the small gateway will be shown from the flagstaff on the West Pier at the Grimsby Dock entrance as follows:—

(*a*) Two black balls will denote that the passage is open.

(*b*) Three black balls will denote that the passage is closed.

(*c*) No signal being hoisted denotes that traffic is suspended.

When signal (*b*), three black balls, is hoisted, no vessel may approach the passage, and when traffic is suspended no vessels, other than H.M. Ships on special duty, may use the passage.

11. Anchorages.—All vessels, including trawlers, must anchor in one of the following anchorages:—

(1.) The Southern Anchorage, which comprises the area bounded as follows:—

(*a*) On the North by the Bull sand.

(*b*) On the South by the Lincolnshire shore.

(*c*) On the East by the bearing Bull light-vessel 344° (*North Mag*).

(*d*) On the West by the line joining Bull light-vessel and Spurn high light produced to the Lincolnshire shore.

(2.) Between the East and Middle Booms northward of a line joining the Middle light-vessel and Spurn high light.

(3.) Between No. 4 Lower Burcom light-float and No. 6 Upper Burcom B.W.V.S. buoy, but not northward of a line drawn parallel to the line of the Killingholme leading lights and distant two cables to the southward of it, nor westward of No. 6 Upper Burcom buoy.

12. Prohibited areas:—

(I.) No vessel shall anchor within four cables of any of the Booms.

(II.) Anchorage for merchant vessels and fishing craft is prohibited in any other part of the river below No. 6 Upper Burcom buoy except in the areas defined in paragraph 11.

(III.) No vessel of any description may anchor in the area defined by the following lines:—

On the East.—By a line joining Spurn lighthouse and Bull light-vessel produced to the Lincolnshire shore.

On the South.—By the dry contour line of Haile sand.

On the West.—By the line of bearing Cleethorpes sewer outfall beacon (on which a *red* light is exhibited) in a 240° (*S. 76° W. Mag.*) direction.

On the North.—By Wyke bight.

(IV) No merchant vessel of any description may enter, pass through or remain in the area bounded as follows, without special permission:—

(1) On the North by the bearing Skitter Haven No. 8 B.W.V.S. buoy 55° (*N. 71° E. Mag.*).

(2) On the South by the bearing Killingholme Oil Fuel jetty, 235° (*S. 71° W. Mag.*).

(3) On the East by a line joining the before-mentioned No. 8 buoy and Killingholme No. 7 light-float.

(4) On the West by the Lincolnshire River bank.

13. No neutral vessel may lie alongside any of the piers or jetties in the Humber at night without special permission.

14. No merchant vessels or boats, etc., will be allowed to approach within a quarter of a mile of any defence work (except to pass through the Boom gateways or to enter or leave the old outfall or docks at Grimsby) or to go alongside any Government ship, vessel, lighter, or any other Government craft, or any Government establishment, without special permission.

15. No vessel is permitted to tow more than three craft at one time through a gateway of the Boom defence or more than two through the passage in the Burcom channel described in paragraph 10. The number of craft towed will be restricted according to the power of the tug.

16. Humber Rule No. 18 is to be strictly enforced. No sound signals other than navigation signals authorised by the Regulations for Preventing Collisions at Sea, and by Humber Rules Nos. 14 to 16 (inclusive) at all times of the day or night, and No. 17 during the day only, are on any account to be used by vessels in any part of the Humber, the Old Harbour at Hull, or within any of the docks at Hull, Immingham or Grimsby.

17. Fishing in the Humber.—No vessel is allowed to fish, shrimp, trawl or whelk in the Humber within the areas defined by the following lines:—

No. 1 Area.—(*a*) A line joining Stone Creek coastguard flagstaff and the eastern extremity of the eastern jetty at Immingham.

(*b*) A line joining the riverward beacon of the two upper measured mile beacons on Sunk Island and the flagstaff near Stallingborough haven.

No. 2 Area.—(*a*) A line joining Bull light-vessel and Spurn lighthouse produced to the Lincolnshire shore.

(*b*) A line of bearing of Cleethorpes sewer outfall in a 240° (*S. 76° W. Mag.*) direction, which passes at a distance of six cables from Spurn lighthouse.

18. Patrol of Internal Waterways.—The internal waterways of the port will be policed by Naval patrol vessels and by the Humber Conservancy Board under the direction of the Naval authorities.

Captains and Masters of Merchant Vessels and persons in charge of barges or boats of any kind are hereby warned to observe any orders which may be given to them by the Naval Patrol vessels or the duly authorised officers of the Humber Conservancy Board.

19. All instructions given by Officers in command of H.M. ships, Patrol vessels ___ or the duly authorised officers of the Humber Conservancy Board, are to be implicitly and promptly obeyed even should they conflict with these orders.
