PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 6th day of March, 1919, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37, sections 6 and 8, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for authorizing the sale and disposal of certain property formerly belonging to the Prebend of Milton Ecclesia in the Cathedral Church of Lincoln and now vested in us:

"Whereas on the vacancy of the said Prebend which occurred on or about the 13th day of May, in the year 1840, by the decease of the Reverend William Lowfield Fancourt, D.D., the then Prebendary, all the lands, tithes and hereditaments then belonging to the said Prebend (except rights of patronage) became, by virtue of the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, absolutely vested in us for the purposes and subject to the provisions applicable to other hereditaments vested in us:

"And whereas the lands, tithes and hereditaments aforesaid are not subject to any outstanding lease or grant but are now in our possession, but some portions thereof are on account of their character or situation unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed:

"And whereas with a view to the advantageous appropriation of the said lands, tithes and hereditaments, or of the proceeds thereof, for the ultimate improvement of our Common Fund it is expedient that the said lands, tithes and hereditaments, or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such lands, tithes and hereditaments, or in any part or parts thereof, in such manner as shall appear to us advisable:

"Now, therefore, we humbly recommend and propose that we may be authorized and empowered, by Instrument or Instruments in writing duly executed according to law, from time to time to sell or dispose of and duly to convey, according to the provisions of the said Act of the 6th and 7th years of Her said late Majesty's reign, all or any of the said lands, tithes and hereditaments formerly belonging to the said Prebend and so vested in us as aforesaid with their appurtenances, and all our estate, right, title and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall upon due calcula-

tion and inquiry appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands, tithes, rent-charges, tenements or hereditaments, or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the proceeds in some Government or Parliamentary Stock or other Public Securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the *London Gazette* pursuant to the said Act.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the Diocese of Lincoln.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 28th day of *March*, 1919.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 20th day of February, 1919, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for effecting a transfer of the ownership of the Advowson or perpetual right of Patronage of and presentation to the Church and Cure (hereinafter called 'the said Benefice') of Edington, in the County of Wilts, and in the Diocese of Salisbury:

"Whereas by a Codicil to the Will, dated the 23rd day of March, 1901, of the late Right

Reverend John Wordsworth, then Bishop of Salisbury, the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Edington was devised to his Trustees upon trust to take such steps as they in their discretion should think best calculated to annex the same to the Bishopric of Salisbury:

"And whereas the Reverend Christopher Wordsworth, of Saint Nicholas' Hospital, Salisbury, Clerk in Holy Orders and a Prebendary of the Cathedral Church of Salisbury, and Mary Anne Frances Wordsworth, of the Friary House, Salisbury, Widow, are the Trustees of the said Will:

"And whereas the said Christopher Wordsworth and Mary Anne Frances Wordsworth are desirous that the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Edington, now vested in them as aforesaid, should be transferred to and be vested in the Right Reverend Frederic Edward, now Bishop of Salisbury, and his Successors in the same Bishopric:

"And whereas the said Frederic Edward, Bishop of Salisbury, is willing to accept such transfer and in token of such his willingness and also in token that the same transfer has that consent of the Bishop of the Diocese, which by the Acts in the hereinbefore mentioned Act recited or by some or one of them is made necessary, he, the said Frederic Edward, Bishop of Salisbury, has executed this Scheme as hereinafter mentioned:

"And whereas the transfer of the Patronage of the said Benefice of Edington, which is hereinbefore mentioned and hereinafter recommended and proposed, will, in our opinion, tend to make better provision for the Cure of Souls in the Parish or District in or in respect of which the right of Patronage or Advowson, so recommended and proposed to be transferred as aforesaid, arises or exists, that is to say, in the Parish of Edington:

"Now, therefore, with the consent of the said Christopher Wordsworth and Mary Anne Frances Wordsworth (in testimony whereof they have signed and sealed this Scheme) and with the consent of the said Frederic Edward, Bishop of Salisbury, (in testimony whereof he has signed this Scheme and sealed the same with his Episcopal Seal) We, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Edington, now vested in them the said Christopher Wordsworth and Mary Anne Frances Wordsworth as aforesaid, shall be transferred to the said Frederic Edward, Bishop of Salisbury, and his Successors in the same Bishopric, and shall thereupon and thenceforth become and be absolutely vested in, and shall and may from time to time be exercised by, the said Frederic Edward, Bishop of Salisbury, and his Successors in the same Bishopric for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Salisbury.

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal Consideration, and to make such Order in respect thereto as to Your Majesty in Your Royal Wisdom shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The Consolidated Chapelry of Saint Gabriel, Walthamstow, comprising:—

"All those contiguous portions of the Parish of Walthamstow, and of the New Parish (sometime Chapelry District) of Saint John, Walthamstow, both in the County of Essex, and in the Diocese of Chelmsford, which, taken together, are bounded upon the east by the New Parish of Saint Peter, Walthamstow, upon the south-east by the New Parish of Saint Paul, Leyton, upon the south-west by the New Parish of Saint Stephen, Walthamstow, all in the said County and Diocese, and upon the remaining sides, that is to say, upon the west and upon the north, by an imaginary line commencing upon the boundary which divides the said New Parish of Saint Stephen, Walthamstow, from the said Parish of Walthamstow, at the junction of Maynard Road with the footpath or passage leading between the Maynard Road Schools and Saint George's Roman Catholic Chapel into Addison Road, and extending thence northward along the middle of the said footpath or passage for a distance of 9½ chains or thereabouts to its juncture with Addison Road and Shernhall Street, and extending thence northward along the middle of Shernhall Street (thereby crossing the boundary which divides the said Parish of Walthamstow from the said New Parish of Saint John, Walthamstow) for a distance of

43 chains or thereabouts to its junction with Forest Road, and extending thence north-eastward along the middle of Forest Road for a distance of 29 chains or thereabouts to its junction with Hale End Road upon the boundary which divides the said New Parish of Saint John, Walthamstow, from the said New Parish of Saint Peter, Walthamstow."

And whereas the said Representation has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

Greeting!

Whereas it was represented to Her late Majesty Queen Victoria that there were belonging to many Institutions and Private Families various Collections of Manuscripts and Papers of general Public Interest, a knowledge of which would be of great utility in the illustration of History, Constitutional Law, Science and general Literature; that in some cases these Papers were liable to be lost or obliterated, and that many of the possessors of such Manuscripts would be willing to give access to them and permit their contents to be made public provided that nothing of a private character or relating to the Title of existing owners, should be divulged:

And whereas it appeared to Her Majesty that there would be considerable public advantage in it being generally known where such Manuscripts and Papers were deposited, and that the contents of those which tended to the elucidation of History, and the illustration of Constitutional Law, Science and Literature, should be published; Her Majesty did accordingly, by Royal Warrant bearing date the second day of April, one thousand eight hundred and sixty-nine, appoint Commissioners to make inquiry as to the places in which such Manuscripts and Papers were deposited, and for any of the purposes therein mentioned:

And whereas by Royal Warrant bearing date the eighteenth day of December, one thousand eight hundred and ninety-seven, a new Commission issued for the purposes specified in the original Commission above referred to, and it appears to Us to be desirable that the Commission should now be reconstituted:

Now know ye that We have revoked and determined, and do by these Presents revoke and determine the said Royal Warrant of the eighteenth day of December, one thousand eight hundred and ninety-seven, and each subsequent Warrant of appointment, and every matter and thing therein contained.

And We, reposing great trust and confidence in your ability and discretion, do by these Presents nominate, constitute and appoint you the said Sir Charles Swinfen Eady (Chairman); David Alexander Edward, Earl of Crawford and Balcarres; Archibald Philip, Earl of Rosebery; William Heneage, Earl of Dartmouth; Llewelyn Nevill Vaughan, Baron Mostyn;

And for the purpose of carrying out the said inquiry We do hereby authorize you to call in the aid and co-operation of all possessors of Manuscripts and Papers, inviting them to assist you in furthering the object of this Commission, and to give them full assurance that no information is sought except such as relates to public affairs, and that no knowledge or information which may be obtained from their collections shall be promulgated without their full licence and consent.

And We do further by these Presents authorize you, with the consent of the owners of such Manuscripts, to make abstracts and catalogues of such Manuscripts.

And We do hereby direct that you, or any three or more of you shall form a quorum; and that you, or any three or more of you, shall have power to invite the possessors of such Papers and Records as you may deem it desirable to inspect, to produce them before you.

And Our further Will and Pleasure is that you, Our said Commissioners, or any three or more of you, do report to Us from time to time, in writing under your hands and seals, all and every your proceedings under and by virtue of these Presents.

And for the better enabling you to execute these Presents We do hereby nominate, constitute, and appoint Our trusty and well-beloved Alfred Edward Stamp, Esquire, Master of Arts, to be Secretary to this Our Commission.
