By THE KING.
A PROCLAMATION.

GEORGE R.I.

WE, having learned that many men returned from Service with Our Navy, Armies and Air Forces, disabled whether by wounds or physical afflictions, have not yet found a permanent means of livelihood, and being persuaded that it is a dear obligation upon all who, not least through the endeavours of these men under the mercy of Almighty God, enjoy the blessing of victorious peace, to make acknowledgment of what they have suffered in Our behalf.

Now, therefore, We have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation most earnestly charging all those of Our loyal subjects, being employers of labour, that they do bind themselves to take into and keep in their service as many, being thus disabled, as their several businesses will allow, not being held back in their performance of this high and solemn

obligation either by fear of inconvenience or loss, but rather omitting nothing which will secure that occupation be found without delay for all these whose lack of employment would offend the general conscience; and to this end We have signified Our will and pleasure that the National Roll of those who undertake to employ such men in accordance with the plans prepared by Our Minister of Labour shall be styled and known as the King's National Roll: And We do hereby further exhort all Ministers of Religion in their respective churches and chapels within Our United Kingdom of Great Britain and Ireland to read or cause to be read this Our Proclamation on such convenient days as may be arranged after the issue thereof.

Given at Our Court at *Buckingham Palace*, this Eighteenth day of *August*, in the year of Our Lord One thousand nine hundred and nineteen, and in the Tenth year of Our Reign.

GOD SAVE THE KING.

By virtue of an Act passed in the 24th year of the Reign of His Majesty King George III., intituled "An Act to repeal so much of two Acts made in the 10th and 15th years of the Reign of His present Majesty, as authorizes the Speaker of the House of Commons to issue his Warrant to the Clerk of the Crown for making out Writs for the Election of Members to serve in Parliament in the manner therein mentioned, and for substituting other provisions for the like purposes"; and of an Act passed in the 26th year of the Reign of Her Majesty Queen Victoria, intituled "An Act to further limit and define the time for proceeding to Election during the Recess."

I DO hereby give notice, that the death of Robert Bardon Stoker, Esq., late a Member serving in this present Parliament for the Rusholme Division of Manchester, hath been certified to me in writing under the hands of two Members serving in this present Parliament, and that I shall issue my Warrant to the Clerk of the Crown to make out a new Writ for the Electing of a Member to serve in this present Parliament for the said borough at the end of six days after the insertion of this notice in the London Gazette.

Given under my hand this 13th day of September, 1919.

James W. Lowther.

Order dated 11th September, 1919, made by the Board of Trade, under Regulation 9 H of the Defence of the Realm Regulations.

The Board of Trade, deeming it expedient that the Stroudwater Navigation should pass into their possession, hereby order as follows:—

DEFENCE OF THE REALM.

SOUTH STAFFORDSHIRE COAL MINES—OLDBURY, OLD HILL AND KINGSWINFORM AREAS.

Direction of the Board of Trade dated 11th September, 1919, given pursuant to Regulation 9G of the Defence of the Realm Regulations.

Whereas it appears to the Board of Trade that, owing to the partial cessation of pumping in the Tipton Area of the South Staffordshire Coal Field, the water in that area may in the near future rise to a height at which there would be danger of overflow or percolation into the coal mines in the adjoining areas, namely, Oldbury, Old Hill and Kingswinford, which would in that event be affected by flooding, even if such areas are not already so affected, and a serious curtailment of the output of coal would ensue:

And whereas in lieu of directing the owners of the individual collieries which are or may be so affected to instal pumping or additional pumping plant the Board of Trade have decided to instal emergency pumping plant at the Brickhouse Colliery (disused) to prevent flooding over the said areas of Oldbury, Old Hill and Kingswinford:

Now, therefore, the Board of Trade, pursuant to Regulation 9G of the Defence of the Realm Regulations, in lieu of directing you to instal pumping or additional pumping plant at your coal mine, hereby direct you to contribute towards the cost of installation and working of such plant at the Brickhouse Colliery such sum per ton of coal raised at your coal mine as the Controller of Coal Mines may from time to time determine in each quarter until this direction is revoked, suspended or varied:

The said contribution shall be divided between capital and revenue in the accounts of your coal mine as the Controller may from time to time direct.

*Evan D. Jones,
Controller of Coal Mines.*
