(c) Similarly the final payment on the Officer's removal from the Special Reserve, and any other payment that may be due for a period less than a calendar year to be proportionate to the period to which it relates.

(d) No payment to be due to an Officer who volunteers for 12 months' temporary service in the Fleet while so employed, nor in respect of any period during which the Officer is serving, and in receipt of pay from the Crown during a time of national emergency, but such service to be deemed to be equivalent of annual service in the Reserve for the purpose of qualifying the Officer for retaining fees during fractional parts of a calendar year preceding and succeeding such service.

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th day of March, 1920, in the words following, viz. :—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, shall be paid in such manner, and subject to such restrictions, conditions, and provisions as are from time to time directed by Order in Council:

"And whereas by His late Majesty's Order in Council, bearing date the 23rd October, 1905, and Your Majesty's Order in Council bearing date the 13th October, 1910, it is provided that Flag Officers undergoing Courses may be paid an allowance of 15s. a day in addition to half pay, together with Lodging Allowance in the event of accommodation not being available for a Flag Officer who requires it:

WHEREAS by section six of the Forestry Act, 1919, it is enacted as follows:—

"(1) It shall be lawful for His Majesty, by Order in Council, to establish consultative committees for England, Scotland, Ireland, and Wales, respectively, for giving to the Commissioners in accordance with the provisions of the Order advice and assistance with respect to the exercise and performance by the Commissioners of their powers and duties under this Act.

"(2) The constitution of each consultative committee shall be such as may be determined by the Order, so, however, that the Order shall provide for the inclusion among the members of the committee of—

(a) a representative, in the case of the English Committee and the Welsh Committee, respectively, of the Board of Agriculture and Fisheries, in the case of the Scottish Committee, of the Board of Agriculture for Scotland, and in the case of the Irish Committee, of the Department of Agriculture and Technical Instruction for Ireland;

(c) representatives of labour;

(d) representatives of county councils and any other local bodies interested in forestry;

(e) representatives of societies existing for the promotion of afforestation;

(f) representatives of woodland owners;

And whereas by virtue of section one of the Ministry of Agriculture and Fisheries Act, 1919, it is provided that the above recited (amongst other) sections is to have effect as though a reference to the Minister of Agriculture and Fisheries were substituted for a reference to the Board of Agriculture and Fisheries:

Now, therefore, His Majesty, by and with the advice of His Privy Council, in pursuance of the Act, and of all other powers enabling Him in that behalf, is pleased to order, and it is hereby ordered, as follows:—

1.—(1) There shall be established for the purposes set out in the above recited section of the Forestry Act, 1919, a consultative committee for England, a consultative committee for Wales, a consultative committee for Scotland, and a consultative committee for Ireland.

(2) Each committee shall consist of such number of members, not exceeding thirty, as the Commissioners may determine.

(3) The members of each committee shall be appointed by the Commissioners, and shall hold office for three years:

Provided that—

(a) on a casual vacancy occurring in a committee the person appointed to fill the vacancy shall hold office until the time when the person in whose place he is appointed would regularly cease to act; and

(b) a member of committee may be re-appointed on the expiration of his term of office.

(4) There shall be included among the members of the consultative committee for England and of the consultative committee for Wales, respectively, a representative of the Minister of Agriculture and Fisheries, among the members of the consultative committee for Scotland a representative of the Board of Agriculture for Scotland, and among the members of the consultative committee for Ireland a representative of the Department of Agriculture and Technical Instruction for Ireland; which representative shall in each case be appointed after consultation with the Minister or other head of the Department.

There shall also be included among the members of each committee—

Persons having practical experience of matters relating to forestry, woodcraft, and woodland industries;

Representatives of labour;

Representatives of county councils and any other local bodies interested in forestry;

Representatives of societies existing for the promotion of afforestation; and

Representatives of woodland owners.

(5) The decision of the Commissioners shall be final if any question arises as to whether any person appointed under this Order may properly be regarded as fulfilling any of the conditions aforesaid.

2. The following provisions shall have effect with respect to each committee established under this Order:—

(1) The Commissioners shall appoint a chairman, and, after consultation with the chairman, a vice-chairman of the committee:

(2) The chairman or, in his absence the vice-chairman, or, in the absence of both, one of the members of the committee, to

be elected by the members present, shall preside:

(3) The Commissioners shall appoint a secretary of the committee who shall hold office during the pleasure of the Commissioners:

(4) The committee shall meet at such times, and at such places, and notice of meetings shall be given in such manner as the chairman may, with the approval of the Commissioners, determine:

Provided that the committee shall meet at least once in each quarter:

(5) At a meeting of the committee eight shall be a quorum:

(6) No act or proceeding of the committee shall be questioned on account of any vacancy in their body:

(7) The committee may for special purposes, approved by the Commissioners, appoint sub-committees of their members, and, within the limits approved by the Commissioners, may call into consultation, for the purpose of giving expert advice, such persons as the chairman may think fit, so, however, that no expenditure shall be involved:

(8) If a member of the committee is absent from the meetings of the committee for six months consecutively, except for some reason approved by the Commissioners, his office shall become vacant:

(9) The committee shall report to the Commissioners from time to time on matters upon which they have been consulted by the Commissioners:

(11) Any Commissioner may attend meetings of the committee at the request of the chairman of the committee:

(12) Subject to the provisions contained in this Order, the committee may regulate their own procedure.

3. A sum not exceeding £300 per annum will be allocated to each committee for the payment of travelling expenses to and from meetings, but not of subsistence, of members attending the meetings of the committee, such payments to be vouched for by the chairman or secretary of the committee.

At the Court at *Buckingham Palace*, the 25th day of *March*, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Aliens Restriction Act, 1914 (in this Order called the Principal Act), His Majesty was empowered at any time when a state of war might exist between His Majesty and any foreign power, or when it appeared that an occasion of imminent national danger or great emergency had arisen,

by Order in Council to impose restrictions on aliens:

And whereas in pursuance of the powers conferred by the Principal Act His Majesty in Council has been pleased by the Aliens Order, 1919, to impose certain restrictions on aliens:

And whereas by the Aliens Restriction (Amendment) Act, 1919, the powers so conferred upon His Majesty by the Principal Act have been extended and made exercisable for a period of one year after the 23rd day of December, 1919, not only in the circumstances aforesaid, but at any time, and the Aliens Act, 1905, has been repealed from such date as may be specified by Order in Council, and any such Order may incorporate with or without modification any of the provisions of the Aliens Act, 1905:

And whereas it is provided by the Principal Act that His Majesty may by Order in Council revoke or add to any Order in Council made thereunder:

And whereas it is desirable that the provisions of the said Aliens Order, 1919, should be amended in certain particulars and as so amended should continue in force together with certain provisions of the Aliens Act, 1905, after the termination of the present war, and that a date may be fixed for the repeal of the Aliens Act, 1905:

And whereas the provisions of section one of the Rules Publication Act, 1893, have been complied with:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

PART I.

ADMISSION OF ALIENS.

1.—(1) An alien coming from outside the United Kingdom shall not land in the United Kingdom except with the leave of an immigration officer.

(2) Leave shall not be given to a former enemy alien to land in the United Kingdom except by permission of the Secretary of State.

(3) Leave shall not be given to an alien to land in the United Kingdom unless he complies with the following conditions, that is to say:—

(a) he is in a position to support himself and his dependents;

(b) if desirous of entering the service of an employer in the United Kingdom he produces a permit in writing for his engagement issued to the employer by the Minister of Labour;

(c) he is not a lunatic, idiot, or mentally deficient;

(d) he is not the subject of a certificate given to the immigration officer by a medical inspector that for medical reasons it is undesirable that the alien should be permitted to land;

(e) he has not been sentenced in a foreign country for any extradition crime within the meaning of the Extradition Acts, 1870 to 1906;

(f) he is not the subject of a deportation order in force under the Principal Act, or any Order in Council thereunder, or of an expulsion order under the Aliens Act, 1905;

(g) he has not been prohibited from landing by the Secretary of State;

(h) he fulfils such other requirements as

may be prescribed by any general or special instructions of the Secretary of State.

(4) The Secretary of State or an immigration officer, in accordance with general or special directions of the Secretary of State, may attach such conditions as he may think fit to the grant of permission to an alien to land, and the alien shall comply with the conditions so attached.

An alien who fails to comply with any conditions so attached shall for the purposes of this Order be deemed to be an alien to whom leave to land has been refused.

(5) For the purposes of this Part of this Order the Isle of Man and the Channel Islands shall not be deemed to be outside the United Kingdom.

2.—(1) An alien (not being a seaman) coming from outside the United Kingdom shall not land in the United Kingdom elsewhere than at an approved port:

Provided that at a port other than an approved port (a) an alien seaman may land with the leave of an immigration officer, and (b) any other alien may in special circumstances be permitted to land by the Secretary of State.

(2) For the purposes of this Order the ports specified in the Second Schedule to this Order shall within the limits defined therein be approved ports.

(3) The Secretary of State may by order add any port to the list of approved ports, or remove any port from that list, and prescribe or alter the limits of any approved port, and this Order shall thereupon have effect accordingly.

3.—(1) An immigration officer or a medical inspector may inspect any alien seeking to land in the United Kingdom, and any such inspection shall be made as soon as practicable after his arrival.

(2) For the purpose of any such inspection an alien may land, subject to such conditions as may be imposed either by an immigration officer or by the Secretary of State, and any alien on whom any such condition is imposed shall not, for the purposes of this Order, be deemed to have landed so long as the conditions are complied with. An alien conditionally landed may be detained in such manner as the Secretary of State may direct, and whilst so detained shall be deemed to be in legal custody. The Secretary of State may prescribe for security to be given by the owners, agents, or master of the ship in the case of aliens conditionally landed.

(3) An alien landing in contravention of this Order and an alien arriving at any port other than an approved port may, until dealt with under this Order, be detained in such manner as the Secretary of State may direct, and whilst so detained shall be deemed to be in legal custody.

(4) Where leave to land is refused to an alien, the alien may, with the leave of an immigration officer, be placed temporarily on shore and detained at some place approved by the Secretary of State, and whilst so detained shall be deemed to be in legal custody and not to have landed.

(5) Any alien to whom leave to land has been refused (including a seaman engaged at a port outside the United Kingdom and seeking to land for discharge) shall be removed from the United Kingdom by the master of the ship in which he arrived, or, if directions for this

purpose are given by the Secretary of State or an immigration officer, by the owner or agents of that ship, to the country of which he is a national or from which he embarked for the United Kingdom, or where (if a seaman) he was engaged.

(6) Without prejudice to any other provision of this article where leave has been refused to any alien to land by an immigration officer, and the alien is found on shore in the United Kingdom, it shall be lawful for the immigration officer or any constable, notwithstanding any intervening prosecution and imprisonment of the alien, at any time within one month after the arrival of the alien to replace that alien on board the ship in which he arrived in the United Kingdom, or on board any ship belonging to the same owners and bound for the port from which the alien came to the United Kingdom.

(7) The master of any ship arriving at a port in the United Kingdom may detain on board any alien until inspected or landed for inspection under this article, and shall on the request of an immigration officer so detain any alien arriving in that ship, whether seaman or passenger, to whom leave to land has been refused by an immigration officer, and any alien so detained shall be deemed to be in legal custody.

(8) Any alien landing or embarking at any place in the United Kingdom shall, on being required so to do by an immigration officer or constable acting under general or special directions of the Secretary of State, make a declaration as to whether or not he is carrying or conveying any letters, written messages or memoranda, or any written or printed matter, including plans, photographs and other pictorial representations, and if so required shall produce to the officer any such letters, messages, memoranda or written or printed matter, and the officer may search any such alien and any baggage belonging to him or under his control with a view to ascertaining whether the alien is carrying or conveying any such letters, messages, memoranda or written or printed matter, and may examine and detain, for such time as he may think proper for the purpose of such examination, any letters, messages, memoranda or written or printed matter produced to him or found on such search.

4. Nothing in this Part of this Order shall prevent the landing in the United Kingdom of any alien who satisfies an immigration officer either—

(i) that he holds a prepaid ticket to some destination out of the United Kingdom and that the master or owner of the ship in which he arrived in or by which he is to leave the United Kingdom has given security to the satisfaction of the Secretary of State that, except for the purposes of transit or in other circumstances approved by the Secretary of State, the alien will not remain in, or having been rejected by another country will not re-enter, the United Kingdom, and will be properly maintained and controlled during transit; or

(ii) that having taken his ticket in the United Kingdom and embarked direct therefrom for some other country after a period of residence in the United Kingdom of not less than six months, he has been refused admission to that country and has returned direct therefrom to a port in the United Kingdom.

5. The master of any ship landing or embarking passengers coming from or bound for a destination outside the United Kingdom at any port in the United Kingdom shall furnish to such person and in such manner as may be prescribed a return giving the prescribed particulars with respect to any passengers who are aliens, and any passenger shall furnish to the master of the ship any information required by him for the purpose of the return.

PART II.

SUPERVISION AND DEPORTATION OF ALIENS.

6.—(1) An alien shall comply with the following requirements as to registration:—

(a) He shall as soon as may be furnish to the registration officer of the registration district in which he is resident particulars as to the matters set out in the First Schedule to this Order, and shall, unless he gives a satisfactory explanation of the circumstances which prevent his doing so, produce to the registration officer either a passport furnished with a photograph and duly issued to him not more than five years previously or some other document satisfactorily establishing his nationality and identity;

(b) He shall furnish to the registration officer of the registration district in which he is resident particulars of any circumstance affecting in any manner the accuracy of the particulars previously furnished by him for the purpose of registration within seven days after the circumstance has occurred, and generally shall supply to the registration officer all information (including where required by the registration officer a recent photograph) that may be necessary for maintaining the accuracy of the register kept under this Order;

(c) He shall, if he is about to change his residence, furnish to the registration officer of the registration district in which he is then resident particulars as to the date on which his residence is to be changed, and as to his intended place of residence, and on effecting any change of residence from one registration district to another he shall within forty-eight hours of his arrival in the registration district into which he moves report his arrival to the registration officer of that district;

(d) If at any time he is absent from his residence for a continuous period exceeding two months, he shall report to the registration officer of the district of his residence his current address and every subsequent change of address, including his return to his residence;

(e) He shall—

(i) on his registration obtain from the registration officer a registration certificate;

(ii) on every subsequent alteration or addition of any entry in the register relating to his registration produce the certificate to the registration officer in order that, if necessary, a corresponding alteration or addition may be made in the certificate;

(iii) produce the certificate upon demand to any police officer or immigration officer or to any other person authorized by the Secretary of State for the purpose.

(2) If an alien has no residence in the United Kingdom he shall attend at the office of a registration officer and, so far as possible, supply the particulars that would be required under this Article if he were resident in the district of that officer, and shall report to the registration officer of any other district in which he stays for more than twenty-four hours. He shall also give notice of any intended change of address to the registration officer to whom he has last reported:

Provided that if any alien not having a residence in the United Kingdom shall supply to a registration officer the name and address of a British subject resident within the registration district of that officer and being a banker, solicitor, or the keeper, manager, or secretary of a hotel or of a tourist or theatrical agency or otherwise, and a person who in the opinion of the registration officer is a person of respectability and good credit, the alien shall be deemed to be resident at that address, and the provisions of this article (other than sub-clause (1) (d) as to reporting the current address) shall apply accordingly, and it shall be the duty—

(a) of any such alien to keep the British subject whose name and address has been so supplied informed as to his current address;

(b) of the British subject on demand to furnish to any registration officer all information in his possession as to the alien;

(3) If an alien who is required under this article to register or report is lodging with, or living as a member of the household of, any other person, it shall be the duty of that person to take steps, either by giving notice to the registration officer of the presence of the alien in his household or otherwise, to secure compliance with the terms of this Order in respect of the registration of or reporting by the alien.

(4) A registration certificate shall be in such form and shall contain such particulars as may be prescribed.

(5) The provisions of this article shall not apply to any person under the age of sixteen years or to any alien not resident in the United Kingdom who has been in the United Kingdom for a period of not more than two months since the date of his last arrival or to any alien seaman not resident in the United Kingdom.

6A.—(1) The provisions of this Part of this Order as to registration shall not apply to an alien seaman not resident in the United Kingdom whose ship remains at a port in the United Kingdom and who does not land in the United Kingdom for discharge.

(2) An alien seaman who lands for discharge in the United Kingdom and who is not resident in the United Kingdom shall on landing report forthwith to the registration officer of the registration district in which he lands and shall also—

(a) report to the registration officer of any other district in which he remains for any period exceeding twenty-four hours; and

(b) give notice of any intended change of address to the registration officer to whom he has last reported.

7.—(1) It shall be the duty of the keeper of any premises to which this article applies to keep a register of all persons staying at the premises who are aliens not being under the age of sixteen years.

The keeper of any such premises shall, on the arrival of any such alien at the premises, ascertain and enter or cause to be entered in the register kept for the purpose the name and nationality of such alien, together with the date of his arrival and the address from which he last came; and on the departure of any such alien the keeper of the premises shall enter or cause to be entered in the register the date of departure and destination on departure of the alien, and if required by the Secretary of State he shall also ascertain and enter in the register from time to time such other particulars as to the alien as the Secretary of State may direct.

(2) The keeper of any premises to which this article applies shall also, if directions for the purpose are issued by the Secretary of State, make to the registration officer of the registration district in which the premises are situate, such returns as to the persons staying at the premises, at such times or intervals and in such form, as may be specified in such directions.

(3) It shall be the duty—

(a) of every person (whether an alien or not) staying at any premises to which this article applies to sign, when so required, a statement as to his nationality and, if an alien, to furnish and sign a statement of the particulars required under this article;

(b) of the keeper of any premises to which this article applies to require any person who stays at the premises to sign the statement and furnish the particulars required from him under this article and to preserve such statements (including any statements supplied under this article to any previous keeper of the premises) for a period of two years from the date when the statements were signed.

(4) Every register kept, and all particulars furnished, under this article, shall at all reasonable hours be open for inspection by any officer of police or by any person authorized by the Secretary of State.

(5) The Secretary of State may prescribe the form in which a register is to be kept or statements furnished under this article.

(6) This article applies to any premises where sleeping accommodation is provided for reward.

8.—(1) There shall be provided and maintained under the directions of the Secretary of State a central register of aliens in which there shall be registered such particulars in such form as may be prescribed.

9.—(1) The Secretary of State, on the recommendation of the Admiralty, Army Council, or Air Council, may by order declare any area to be a protected area.

(2) The Secretary of State may as to any protected area by order—

(i) prohibit any alien or any class of aliens from entering or remaining in the area;

(ii) impose on any alien or class of aliens entering or being in the area such conditions or restrictions as he may think fit as to (a) registration with or reporting to the police or any naval, military, or air-force authority; (b) surveying or making sketches or photographs; (c) the use or possession of any machine, apparatus, or other article of any description; (d) the acquisition of land or any interest in land within the area; (e) any other matter or thing as to which he may deem it necessary in the interests of public safety to impose conditions or restrictions;

(iv) exempt from the restrictions imposed in respect of the area aliens or any class of aliens who pass through the area in the course of a continuous journey:

Provided that the Secretary of State may authorize, subject to any general or special directions, the registration officer to grant to any individual alien a special permit dispensing with compliance with any general order made under this Article.

10.—(1) A chief officer of police, if so authorized by general or special order of the Secretary of State, may direct that any premises within his jurisdiction which, in his opinion, are used for the sale of refreshments to be consumed on the premises, or as a place of public resort or entertainment, or as a club, and which are or have recently been frequented by aliens, shall be either closed altogether or kept closed during such hours or for such purposes as may be required by him, if, in his opinion, either—

(a) the aliens so frequenting the premises are of criminal or disloyal associations or otherwise undesirable; or

(b) the premises are conducted in a disorderly or improper manner, or in a manner prejudicial to the public good;

and if any premises are kept open in contravention of any such direction the occupier or person having control of the premises shall be deemed to have acted in contravention of this Order.

11. The Secretary of State may by order impose on any alien or class of aliens such restrictions (either in addition to or in substitution for the other restrictions imposed by this Order) as to residence, reporting to the police, registration, the use or possession of any machine, apparatus, arms and explosives, or other article, or otherwise, as he may deem to be necessary in the public interest, and any alien in relation to whom any such order is made shall comply with the terms of the order.

"Whereas the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Broughton and the said Benefice of Scaldwell stands limited and settled to the use of the Most Noble John Charles Duke of Buccleuch and Queensberry (hereinafter called 'the said Duke of Buccleuch') during his life and the said Duke of Buccleuch is therefore the Patron or person entitled to present or nominate to the said Benefices in case the same were now vacant:

"And whereas the said Duke of Buccleuch is desirous that the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Broughton and the said Benefice of Scaldwell should be transferred to and be vested in the Right Reverend Frank Theodore, now Bishop of Peterborough, and his successors in the same Bishopric:

"And whereas the said Frank Theodore, Bishop of Peterborough, is willing to accept such transfer, and in token of such his willingness, and also in token that the same transfer has that consent of the Bishop of the Diocese which, by the Acts in the hereinbefore mentioned Act recited, or by some or one of them, is made necessary he, the said Frank Theodore, Bishop of Peterborough, has executed this Scheme as hereinafter mentioned:

"And whereas the transfer of the Patronage of the said Benefice of Broughton and the said Benefice of Scaldwell, which is hereinbefore mentioned and hereinafter recommended and proposed, will in our opinion tend to make better provision for the Cure of Souls in the Parishes in or in respect of which the right of Patronage or Advowson so recommended and proposed to be transferred as aforesaid arises or exists, that is to say, in the Parish of Broughton and in the Parish of Scaldwell:

"Now, therefore, with the consent of the said Duke of Buccleuch, being the person whose consent as Patron is required by the provisions of the hereinbefore mentioned Acts and of the Act of the 1st and 2nd years of Her said late Majesty, Chapter 106 (in testimony of which consent he has signed and sealed this Scheme), and with the consent of the said Frank Theodore, Bishop of Peterborough (in testimony whereof he has signed this Scheme and sealed the same with his Episcopal Seal), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme and without any conveyance or assurance in the law other than such duly gazetted Order, the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Broughton and the said Benefice of Scaldwell, shall be transferred to the said Frank Theodore, Bishop of Peterborough, and his suc-

cessors in the same Bishopric and shall thereupon and thenceforth become and be absolutely vested in and and shall and may from time to time be exercised by the said Frank Theodore, Bishop of Peterborough, and by his successors in the same Bishopric for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

"Now, therefore, with the consent of the Viscount, being the person whose consent as Patron is required by the provisions of the hereinbefore mentioned Acts and of the Act of the 1st and 2nd years of Her said late Majesty, Chapter 106, and with the consent of the Earl (in testimony of which consents they have signed and sealed this Scheme) and with the consent of the said Hubert Murray, Bishop of Oxford (in testimony whereof he has signed this Scheme and sealed the same with his Episcopal Seal), We, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Olney shall be transferred to the said Hubert Murray, Bishop of Oxford, and his successors in the same Bishopric and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the said Hubert Murray, Bishop of Oxford, and by his successors in the same Bishopric for ever.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the 6th and 7th years of Her late Majesty Queen Victoria, chapter 37, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 26th day of February, 1920, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of Her late Majesty Queen Victoria, chapter 37, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for authorizing the sale and disposal of certain property formerly belonging to the Prebend of Asgarby in the Cathedral Church of Lincoln, and also of certain other property in the Parishes of Asgarby and Hammeringham in the County of Lincoln, and now vested in us:

"Whereas on the vacancy of the said Prebend which occurred in the month of November in the year 1838, by the acceptance by the Reverend Frederick Vernon Lockwood, the then Prebendary, of a Stall in Canterbury Cathedral, all the lands and hereditaments theretofore belonging to the said Prebend (except rights of Patronage) became, by virtue of the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, absolutely vested in us for the purposes and subject to the provisions applicable to other hereditaments vested in us:

"And whereas under and by virtue of the two indentures particulars whereof are set forth in the schedule hereunder written, the lands tenements and hereditaments situate in the Parishes of Asgarby and Hammeringham aforesaid and particularly described in the same indentures and schedule became with their appurtenances and are now vested in us:

"And whereas none of the said lands tenements and hereditaments are subject to any outstanding beneficial lease or grant but are

now in our possession, but some portions thereof on account of their character or situation are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed:

"And whereas with a view to the advantageous appropriation of the same or of the proceeds thereof for the ultimate improvement of our common fund it is expedient that the said lands tenements and hereditaments or such part or parts thereof as we shall at any time and from time to time think fit should be sold or disposed of and accordingly that we should be empowered to sell or dispose of our interest in such lands tenements and hereditaments or in any part or parts thereof in such manner as shall appear to us advisable:

"Now, Therefore, we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of and duly to convey, according to the provisions of the said Act, all or any of the said lands tenements and hereditaments so vested in us as aforesaid with their appurtenances, and all our estate, right,

title, and interest therein or in any part or parts thereof unto and to the use of any person or persons desirous or willing to purchase the same and his or their heirs executors administrators or assigns or otherwise as he or they shall direct or appoint and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands, tithes, rent-charges, tenements, or hereditaments or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid and in the meantime to invest the said proceeds in some Government or Parliamentary Stock or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Act or of any other Act of Parliament.

"The Schedule to which the foregoing Scheme has reference:—

And whereas the said Scheme has been approved by His Majesty in Council:

At the Court at *Buckingham Palace*, the 26th day of *March*, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 5th day of February, 1920, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for effecting a transfer of the ownership of the advowson or perpetual right of patronage of and presentation to the Church and Cure (hereinafter called 'the said Benefice') of Berwick Saint James, in the County of Wilts and in the Diocese of Salisbury:

"Whereas the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Berwick Saint James is vested for an estate in fee simple in possession free from incumbrances in Lady Mary Bella Alice Chubb, of Bemerton Lodge, Salisbury, the wife of Sir Cecil Herbert Edward Chubb, Baronet:

"And whereas the said Mary Bella Alice Chubb is desirous that the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Berwick Saint James now vested in her as aforesaid should be transferred to and be vested in the Dean and Canons of Your Majesty's Free Chapel of Saint George within Your Castle of Windsor (hereinafter called 'the Dean and Canons of Windsor'):

"And whereas the said Dean and Canons of Windsor are willing to accept such transfer, and in token of such their willingness have executed this scheme as hereinafter mentioned:

"And whereas the Right Reverend Frederic Edward, now Bishop of Salisbury, is consenting to the transfer of patronage which is hereinafter recommended and proposed and in token of such his consent which by the Acts in the hereinbefore mentioned Act recited or by some or one of them is made necessary, he, the said Frederic Edward, Bishop of Salisbury, has executed this Scheme as is hereinafter mentioned:

"And whereas the transfer of the Patronage of the said Benefice of Berwick Saint James which is hereinbefore mentioned and hereinafter recommended and proposed will in our opinion tend to make better provision for the Cure of Souls in the Parish or District in or in respect of which the right of Patronage or advowson so recommended and proposed to be

transferred as aforesaid arises or exists, that is to say, in the Parish of Berwick Saint James:

"Now, therefore, with the consent of the said Mary Bella Alice Chubb (in testimony whereof she has signed and sealed this Scheme), with the consent of the said Dean and Canons of Windsor (in testimony whereof they have caused their common or capitular seal to be affixed to this Scheme) and with the consent of the said Frederic Edward, Bishop of Salisbury (in testimony whereof he has signed this Scheme and sealed the same with his Episcopal Seal), We, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Berwick Saint James now vested in her the said Mary Bella Alice Chubb, as aforesaid, shall be transferred to the said Dean and Canons of Windsor, and their successors, and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the said Dean and Canons of Windsor and their successors for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts. And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Salisbury.

At the Court at *Buckingham Palace*, the 25th day of *March*, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by section 16 of the Pluralities Act, 1838, as amended by the Pluralities Act, 1850, it is, amongst other things, enacted, "That whenever it shall appear to the Archbishop of the Province, with respect to his own Diocese, and whenever it shall be represented to him by the Bishop of any Diocese, or by the Bishops of any two Dioceses, that two or more Benefices, or that one or more Benefice or Benefices, and one or more spiritual Sinecure Rectory or Rectories, Vicarage or Vicarages, in his or their Diocese or Dioceses, being either in the same parish or contiguous to each other, and of which the aggregate population shall not exceed one thousand five hundred persons, may, with advantage to the interests of religion, be united into one Benefice, the said Archbishop of the Province shall inquire into the circumstances of the case; and if on such Inquiry it shall appear to him that such union may be usefully made, and will not be of inconvenient extent, and that the Patron or Patrons of the said Benefices, Sinecure Rectory or Rectories, Vicarage or Vicarages respectively, is or are consenting thereto; such Consent being signified in writing under the hands of such Patron or Patrons, the said Archbishop shall, six weeks before certifying such inquiry and Consent to His Majesty as hereinafter directed, cause, with respect to his own Diocese, a statement in writing of the facts, and in other cases a copy in writing of the aforesaid representation, to be affixed on or near the principal outer

door of the Church, or in some public and conspicuous place in each of such Benefices, Sinecure Rectories, or Vicarages, with notice to any person or persons interested that he, she, or they may, within such six weeks, show cause in writing under his, her, or their hand or hands, to the said Archbishop against such union; and if no sufficient cause be shown within such time, the said Archbishop shall certify the Inquiry and Consent aforesaid to His Majesty in Council; and thereupon it shall be lawful for His Majesty in Council to make, and issue an Order or Orders for uniting such Benefices, Sinecure Rectory or Rectories, Vicarage or Vicarages, into one Benefice, with Cure of Souls, for ecclesiastical purposes only; and it shall be lawful for His Majesty in Council to give directions for regulating the course and succession in which the Patrons, if there be more than one Patron, shall present or nominate to such united Benefice, from time to time, as the same shall become vacant":

And whereas the Right Honourable and Most Reverend Randall Thomas, Lord Archbishop of Canterbury, hath, pursuant to the provisions of the said Act, duly prepared and laid before His Majesty in Council a Certificate in writing bearing date the 13th day of August, 1919, in the words following:—

"We, Randall Thomas, Archbishop of the Province of Canterbury, Primate of all England and Metropolitan, do hereby Certify to Your Majesty in Council:—

"That the Right Reverend Edwyn, Lord Bishop of Southwell, as Bishop of the Diocese within which are situate the Perpetual Curacy of Scarrington and the Rectory of Hawksworth, both in the County of Nottingham, having repre-

sented unto us that the said Benefices are contiguous to each other and of which the aggregate population does not exceed fifteen hundred persons might with advantage to the interests of religion be united into one Benefice, we inquired into the circumstances of the case.

"That on such Inquiry it appeared to us that such union might be usefully made and would not be of inconvenient extent and that the Dean and Chapter of the Cathedral Church of the Blessed Virgin Mary of Lincoln being the Patrons or persons entitled to present to the Benefice of Scarrington and Agnes Fielding Bayles, widow, being the Patron or person entitled to present to the Benefice of Hawksworth have consented to the proposed union.

"That six weeks and upwards before certifying such Inquiry and Consents to Your Majesty in Council we caused a copy in writing of the aforesaid Representation of the said Lord Bishop to be affixed to the principal outer door of the Parish Church of each of the said Benefices with notice to any person or persons interested that he, she, or they might, within such six weeks, show cause in writing under his, her, or their hand or hands to us, the said Archbishop, against such union and no such cause has been shown.

"The Representation of the said Lord Bishop of Southwell, our Inquiry into the circumstances of the case, the Statement of Circumstances in reply thereto, the Consents in writing of the said Patrons and the copies of the Representation and Notices before mentioned are hereunto annexed.

"And we do hereby Certify the Inquiry and Consents aforesaid to Your Majesty in Council to the intent that Your Majesty in Council may, in case Your Majesty in Council shall think fit so to do, make and issue an Order for uniting the said Benefices into one Benefice with Cure of Souls for ecclesiastical purposes only and we recommend that the course and succession in which the respective Patrons for the time being shall present or nominate to the said Benefices after the same shall be united into one Benefice and come to be holden by the same Incumbent from time to time as the same shall become vacant shall belong to and be vested in the said Dean and Chapter of the Cathedral Church of the Blessed Virgin Mary of Lincoln and their successors for ever and the said Agnes Fielding Bayles her heirs and assigns for ever alternately and that the first right of presentation to the said united Benefice shall belong to and be exercised by the said Dean and Chapter of the Cathedral Church of the Blessed Virgin Mary of Lincoln.

"RANDALL CANTUAR."

Now, therefore, His Majesty in Council, by and with the advice of His said Council, is pleased to order, as it is hereby ordered, that the Rectory of Hawksworth, situate in the County of Nottingham and Diocese of Southwell, and the Perpetual Curacy of Scarrington, situate in the same County and Diocese, shall be united into one Benefice with Cure of Souls for ecclesiastical purposes only.

And His Majesty in Council, by and with the advice of His said Council, is further pleased to direct that the course and succession in which the respective Patrons for the time being shall present or nominate to the said Benefices after the same shall be united into one Benefice and come to be holden by the

same Incumbent from time to time as the same shall become vacant, shall be as follows, that is to say, the right of presentation shall belong to and be exercised by the said Agnes Fielding Bayles, her heirs and assigns and the said Dean and Chapter of the Cathedral Church of the Blessed Virgin Mary of Lincoln and their successors alternately, and the first right of presentation shall belong to and be exercised by the said Dean and Chapter of the Blessed Virgin Mary of Lincoln.

In accordance with Regulations made under Section 18 of the Trade Boards Act, 1909, by the Minister of Labour, and dated 31st October, 1918, the Trade Board established in Great Britain under the Trade Boards Act, 1918, for the Laundry Trade, as specified in the Trade Boards (Laundry) Order, 1919, hereby give notice, as required by Section 3 (5) of the Trade Boards Act, 1918, that they propose to fix General Minimum Time Rates and Overtime Rates for certain classes of Male Workers and to declare the normal number of hours of work in the trade for the purpose of the application of the Overtime Rates, as set out below.

Proposed General Minimum Time-Rates.

SECTION I.—For Male Wash-house and General Inside Workers:—

- (a) 1. Workers of under 15 years of age, 15s. per week.
2. Workers of 15 and under 16 years of age, 18s. per week.
3. Workers of 16 and under 17 years of age, 22s. per week.
4. Workers of 17 and under 18 years of age, 28s. per week.
5. Workers of 18 and under 19 years of age, 36s. per week.
6. Workers of 19 and under 20 years of age, 44s. per week.
7. Workers of 20 and under 21 years of age, 52s. per week.
8. Workers of 21 years of age and over, 60s. per week.

(b) Provided that in the case of any worker who enters the trade for the first time at or over the age of 17 years and under 21 years of age, and who is employed on Time-work, the Minimum Rates payable shall be during the First Six Months of Employment in the Trade:—

1. For workers entering the trade at 17 and under 18 years of age, 22s. per week.
2. For workers entering the trade at 18 and under 19 years of age, 28s. per week.
3. For workers entering the trade at 19 and under 20 years of age, 36s. per week.
4. For workers entering the trade at 20 and under 21 years of age, 44s. per week.

On the completion of six months' employment in the trade the minimum rate payable shall be that applicable to a worker according to his age as set out in Section I. (a) above.

(c) Provided also that in the case of any worker who enters the trade for the first time at or over the age of 21 years, and who is employed on Time-work, the Minimum rates payable during the first twelve months of employment shall be:—

1. During the first six months of employment, 52s. per week.

2. During the second six months of employment, 56s. per week.

On the completion of twelve months' employment in the trade, the Minimum Rate payable shall be the full Minimum Rate of 60s. per week.

SECTION II.—The above General Minimum Time Rates are for a week not exceeding 48 hours, and, save as provided in Section V. hereof, no deductions shall be made from such rates where the number of hours of work in any week is less than 48, except:—

(a) Where the worker is absent without the permission of the employer, or at his own request, or in order to comply with an obligation imposed by law, or through being incapacitated from work by illness or other cause, or during any customary local holidays.

(b) Where, at his own desire, it is agreed that any worker shall be regularly employed for a less period than the full working week of the Laundry.

(c) Where, in pursuance of an agreement made in writing between an employer and the workers affected (and registered with the Trade Board), it is provided that, by reason of seasonal trade or for any cause not within the control of the employer, short time is regularly to be worked for any period commencing not less than seven days after the date of such agreement.

(d) Where in any week a worker is required to stand off for not less than a quarter of the normal working week of the Laundry by reason of a stoppage of work caused by a breakdown in machinery, a stoppage in supplies of water, gas, electric current or fuel, a general breakdown in transport services or other similar emergency over which the employer has no control. Provided that this clause shall not operate until the expiration of at least seven days from the date on which notice so to stand off is given to the worker by the employer.

In such cases a proportionate deduction may be made according as the number of hours worked is less than the full working week of the Laundry when not on short time.

Provided that for the purpose of calculating the proportionate deduction under the provisions of the foregoing clause, no deduction shall be made in respect of absence from work on any day during which the Laundry is closed by reason of such day being a holiday allowed to female workers under the provisions of Section 35 of the Factory and Workshop Act, 1901, except where in any week in which such holiday occurs the worker, without reasonable and sufficient cause, absents himself for more than two hours during the period in which he had the opportunity of working.

SECTION III.—*Overtime Rates for Time Workers:—*

(a) The Overtime Rates for Time-workers employed as Wash-house and General Inside Workers shall be as follows:—

of 18s. per week, the Overtime Rate shall be 5½d. per hour.

3. For workers entitled under Section I. above to the General Minimum Time-rate of 22s. per week, the Overtime Rate shall be 7d. per hour.

4. For workers entitled under Section I. above to the General Minimum Time-rate of 28s. per week, the Overtime Rate shall be 8½d. per hour.

5. For workers entitled under Section I. above to the General Minimum Time-rate of 36s. per week, the Overtime Rate shall be 11½d. per hour.

6. For workers entitled under Section I. above to the General Minimum Time-rate of 44s. per week, the Overtime Rate shall be 1s. 1½d. per hour.

7. For workers entitled under Section I. above to the General Minimum Time-rate of 52s. per week, the Overtime Rate shall be 1s. 4½d. per hour.

8. For workers entitled under Section I. above to the General Minimum Time-rate of 56s. per week, the Overtime Rate shall be 1s. 5½d. per hour.

9. For workers entitled under Section I. above to the General Minimum Time-rate of 60s. per week, the Overtime Rate shall be 1s. 6½d. per hour.

(b) The normal number of hours of work per week is hereby declared to be 48, and the above Overtime Rates shall be payable in respect of all time worked in any week in excess of 48 hours.

(c) The normal number of hours of work on Saturday (on or such weekly short day other than Saturday as has been substituted for Saturday in pursuance of the provisions of Section 43 of the Factory and Workshop Act, 1901, as respects female workers) is hereby declared to be five, and the above Overtime Rates shall be payable in respect of time worked on such day in excess of five hours, notwithstanding that the number of hours worked in the week does not exceed 48.

SECTION IV.—The Minimum Rates set out in this Notice shall apply, subject to the provisions of the Trade Boards Acts and of this Notice, to all Male Workers in Great Britain who are employed during the whole or any part of their time in any branch of the trade specified in the Trade Boards (Laundry) Order, 1919—that is to say, the laundering of articles of every description and all processes and operations incidental thereto performed by way of trade or for the purpose of gain.

Provided that the Minimum Rates set out in this Notice shall not apply to male workers wholly or mainly employed as transport workers, enginemens or stokers.

SECTION V.—The Minimum Rates set out in this Notice shall be paid, clear of all deductions other than deductions as are provided for in Section II., deductions under the National Insurance Act, 1911, as amended by any subsequent enactments, or deductions authorized by any Act to be made from wages in respect of contributions to any superannuation or other provident fund.

SECTION VI.—The Minimum Rates set out in this Notice are without prejudice to workers earning higher rates of wages.

The Trade Board will consider any objections to the above proposals which may be

lodged with them within two months from 24th March, 1920. Such objections should be in writing, and signed by the person making the same (adding his or her full name and address), and should be sent to the Secretary, the Laundry Trade Board (Great Britain), 5, Chancery Lane, London, W.C. 2.

It is desirable that the objections should state precisely, and so far as possible with reasons, what is objected to.
