In any week, 48.

On any day (other than Saturday), 9.

On Saturday, 5.

Provided that any other day (not being Sunday) may be substituted by an employer for Saturday as the weekly short day, and in such case the normal number of hours of work on such substituted day shall be 5, and the normal number of hours on Saturday shall be 9.

Provided also that all hours worked by a worker on Sundays and on Customary Public and Statutory Holidays shall be regarded as overtime to which the Overtime Rates shall apply.

SECTION II.—The Minimum Rates for Overtime in respect of hours worked by a worker, whether engaged on Time-work or on Piece-work, in excess of the declared normal number of hours, shall be as follows, that is to say:—

1. For the first two hours' overtime on any day, except Saturdays (or the weekly short day substituted therefor), Sundays, and Customary Public and Statutory Holidays, the Overtime Rates shall be equivalent to Time and a Quarter, that is to say, one and a quarter times the minimum rate otherwise applicable.

2. For overtime after the first two hours of overtime on any day except Sundays and Customary Public and Statutory Holidays, and for all overtime on Saturdays (or the weekly short day substituted therefor), the Overtime Rate shall be equivalent to Time and a Half, that is to say, one and a half times the minimum rate otherwise applicable.

The Overtime Rate shall be payable where on any day (not being a Sunday or a Customary Public or Statutory Holiday), the number of hours worked exceeds 9 or, in the case of Saturday (or the weekly short day substituted therefor), exceeds 5, notwithstanding that the number of hours worked in the week does not exceed 48.

Provided—(a) That where it is or may become the established practice of an employer only to require attendance on 5 days a week, the Overtime Rate shall only be payable where on any day the number of hours worked exceeds 9½.

(b) That where it is or may become the established practice of an employer to require attendance only on alternate Saturdays, the

normal number of hours for the week in which attendance on Saturday is required shall be deemed to be 50.

(c) That where it is or may become the established practice of an employer to require attendance on Sunday instead of Saturday, the Minimum Rates for Overtime as set out above shall apply in like manner as if in the provisions of this Notice as to Overtime the word "Saturday" were substituted for "Sunday" and the word "Sunday" for "Saturday."

But in the application of these Provisos, where the employer requires attendance on any day on which it is not the established practice of the employer to require attendance, all time worked on such day (not being a Sunday or a Customary Public or Statutory Holiday) shall be paid for at time and a quarter for the first two hours and time and a half thereafter.

NOTE.—The hours of work which female workers and young persons are allowed to work are subject to the provisions of the Factory and Workshop Act, 1901.

PART IV.

For the purpose of this Notice the following definitions shall apply:—

Provided that the certification or registration of a learner may be cancelled if the other conditions of learnership are not complied with.

Provided that an employer may employ a female learner on her first employment without a certificate or registration for a probation period not exceeding four weeks, but in the event of such learner being continued thereafter at her employment the probation period shall be included in her period of learnership.

Provided that, notwithstanding compliance with the conditions contained in this Section, a person shall not be deemed to be a learner if she works in a room used for dwelling purposes and is not in the employment of her parent or guardian.
