TUESDAY, 18 MAY, 1920.

At the Court at Buckingham Palace, the 17th day of May, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

THIS day The Right Honourable William Alexander Watt, Treasurer of the Commonwealth of Australia, having been appointed a Member of His Majesty's Most Honourable Privy Council on the 22nd day of January, 1920, was, by His Majesty's command, sworn, and took his place at the Board accordingly.
Almeric FitzRoy.

At the Court at Buckingham Palace, the 17th day of May, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Foreign Jurisdiction Acts, 1890 and 1913, it is, amongst other things, provided that it shall be lawful for His Majesty in Council, by Order, to direct that Section 20 of the Finance Act, 1894, shall extend, with or without any exceptions, adaptations, or modifications, in the Order mentioned, to any foreign country in which, for the time being, His Majesty has jurisdiction, and that thereupon the said Section shall, to the extent of that jurisdiction, operate as if that country were a British Possession, and as

if His Majesty in Council were the Legislature of that Possession:

And whereas by Treaty, grant, usage, sufferance, and other lawful means, His Majesty The King has power and jurisdiction in the East Africa Protectorate:

And whereas by Section 20 of the Finance Act, 1894, it is provided that His Majesty The King may, by Order in Council, apply that Section to any British Possession where His Majesty is satisfied that by the law of such Possession either no duty is leviable in respect of property situate in the United Kingdom when passing on death, or that the law of such Possession as respects any duty so leviable is to the like effect as the foregoing provisions of that Section:

And whereas His Majesty the King is satisfied that by the law of the said East Africa Protectorate no duty is leviable in respect of property situate in the United Kingdom when passing on death:

And whereas it is expedient that Section 20 of the Finance Act, 1894, should be extended and applied to the said Protectorate:

Now, therefore, His Majesty, by virtue and in exercise of the powers in this behalf by the Foreign Jurisdiction Acts, 1890 and 1913, or otherwise, in His Majesty vested, is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:

Section 20 of the Finance Act, 1894, shall,

from the date of this Order, extend to the East Africa Protectorate to the intent that the said enactment shall operate as if the said Protectorate were a British Possession, and the said Section shall, from the date of this Order, apply to the said East Africa Protectorate.

And the Right Honourable Viscount Milner, His Majesty's Principal Secretary of State for the Colonies, is to give the necessary directions herein accordingly.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 17th day of *May*, 1920.

PRESENT,

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th day of April, 1920, in the words following, viz. :—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being, or having been an Officer, Seaman, or Marine therein, shall be paid in such manner, and subject to such restrictions, conditions, and provisions as are from time to time directed by Order in Council:

"And whereas, under the Regulations for the government of Your Majesty's Naval Service it is provided that an Engineer Lieutenant shall pass a professional examination in order to qualify him for advancement to the rank of Engineer Lieutenant-Commander:

"And whereas we are of opinion that this condition should not apply in the case of Engineer Lieutenants promoted to that rank for long and zealous service:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to authorize us to waive the regulation quoted in the case of Engineer Lieutenants promoted to that rank for long and zealous service, with retrospective effect from the 1st day of February, 1919:

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 17th day of *May*, 1920.

PRESENT,

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th day of April, 1920, in the words following, viz. :—

"Whereas it is provided by Section 3 of the Naval and Marine Pay and Pensions Act,

1865, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being, or having been, an Officer, Seaman, or Marine therein, shall be paid in such manner, and subject to such restrictions, conditions, and provisions as are from time to time directed by Order in Council:

"And whereas, with the consent of the Lords Commissioners of Your Majesty's Treasury, pending a general revision of pay, temporary bonuses were granted with effect from the 1st February, 1919, to all men and boys of Your Majesty's Navy and Marines, including the Coast Guard and Reserve Forces:

"And whereas we have had under consideration the rates of pay of the Petty Officers, Non-commissioned Officers, and men of Your Majesty's Navy and Marines, and are of opinion that it is desirable for the greater efficiency of these Forces that the existing rates of pay should be increased:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to sanction the Rates of Pay and General Provisions set forth in the annexed Schedules, the alterations therein to come into force from the dates specified, power being reserved to us to vary the rates of pay within the Scales laid down or to associate payment with such conditions as may be deemed necessary:

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 17th day of *May*, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th day of April, 1920, in the words following, viz. :—

"Whereas by Section 20 of the Greenwich Hospital Act, 1865, it is enacted, *inter alia*, that the Admiralty shall from time to time continue or appoint such Officers, Clerks, and Servants for the purposes of the Hospital and Schools as seem fit, and may (subject to the approval of Your Majesty in Council) fix the salaries of such Officers and Clerks:

"And whereas by an Order in Council of Her late Majesty Queen Victoria, bearing date the 20th April, 1880, the scale of salary of the Superintendent of the Royal Hospital School at Greenwich was fixed at £400 rising by £25 annually to £500 a year with residence:

"And whereas by Your Majesty's Order in Council, dated the 27th June, 1916, the maximum of the scale of salary of the Superintendent was increased from £500 to £600 rising by annual increments of £25, with residence:

"And whereas we are of opinion that it is desirable that this scale should be revised:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to authorize the scale of salary of the Superintendent being increased to £600 rising by £25 annually to £800, as from the 1st February, 1919, with residence:

"And whereas in addition to this salary, the Superintendent receives, from Navy Votes, the half-pay of his rank, or (if retired) a portion of retired pay equal to the amount of half-pay:

"And whereas in consequence of the recent increases in the rates of pay of Naval Officers, the total emoluments of Captain E. M. C. Cooper-Key, R.N., M.V.O. (Retired), the present Superintendent, are considerably less than those of some of his subordinate Officers:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to authorize payment to him from Greenwich Hospital funds of a sum equal to the difference between the amount of his existing half-pay and that now in force for an Officer of his rank and seniority—such payment to take effect as from the 1st February, 1919, and to continue so long as he holds the position of Superintendent of the Royal Hospital School:

"And whereas by Your Majesty's Order in Council of the 25th November, 1918, the salaries of the Head Master, Masters, and Assistant Masters of the Royal Hospital School at Greenwich were fixed at:—

Head Master (with residence), £330 to £480 by £15 a year.

Upper Nautical School.

Master (with residence), £250 to £350 by £10 a year.

Assistant Masters (as may be requisite), £160 to £300 by £10 a year to £220, then £240, then by £20 every three years.

Nautical School.

Two Masters (with residences), £240 to £340 by £10 a year.

Assistant Masters (as may be requisite), £100 to £280 by £10 a year to £220, then £240, then by £20 every three years.

"And whereas we are of opinion that in view of the general increase in the scales of salaries of Teachers under the various local Education Authorities throughout the Country a revision of the existing scales of salaries of the Teachers of the Royal Hospital School is essential:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to authorize the scales of salaries of the Head Master, Masters and Assistant Masters of the Royal Hospital School, as from the 27th January, 1920, being raised to, and kept at, the same level (after deduction of the value of their residences) as those paid by the London County Council to corresponding ranks of their Teaching Staff:

"And whereas by an Order in Council of His late Majesty, bearing date the 28th July, 1906, the scale of salary of the Chief Officer of the Royal Hospital School at Greenwich is fixed at £100 to £145 rising by £5 a year, with quarters:

"And whereas we are of opinion that it is desirable that this scale should be revised:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to authorize the scale of salary of this Officer being increased to £200 to £300 rising by £10 a year, with quarters, to take effect as from the 22nd November, 1919:

"And whereas by section 8 of the Greenwich Hospital Act, 1872, it is enacted that the pro-

visions of section 20 of the Greenwich Hospital Act, 1865, so far as the same relate to salaries, shall extend to pensions and pecuniary benefits of any kind:

"And whereas by an Order in Council of His late Majesty, bearing date the 1st day of June, 1907, a pension at the rate of £75 a year from the funds of Greenwich Hospital was granted to Mr. James Baker, a former Master of the Royal Hospital School, Greenwich:

"And whereas we are of opinion that this pension is inadequate:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to authorize the pension of £75 to Mr. Baker being increased to £130 a year from the funds of Greenwich Hospital, to take effect as from the 1st April, 1919.

"And whereas Mr. C. J. Isaac, a former Master in the Royal Hospital School, Greenwich, retired from the service of Greenwich Hospital on the 18th September, 1919:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to authorize the grant to Mr. Isaac of a pension from Greenwich Hospital funds at the rate of £172 18s. 4d. a year from the date of his retirement together with a gratuity of £461 2s. 2d."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 17th day of *May*, 1920.

PRESENT,

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st day of May, 1920, in the words following, viz. :—

"Whereas it is provided by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, that all pay and allowances in respect of services in Your Majesty's Naval or Marine Forces shall be paid in such manner and subject to such conditions as are from time to time directed by Order in Council:

"And whereas we have had under consideration the question of the entry and training of Electrical Artificers of Your Majesty's Fleet:

"And whereas we are of opinion that a proportion of the Electrical Artificers required should be entered as Boys and trained at the Naval Ports:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to sanction the establishment of the rating of Boy Electrical Artificer to be borne on Ships' Books under the same conditions and with the same pay as Boy Artificers for training in Engine Room duties:

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the foregoing proposal."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 17th day of *May*, 1920.

PRESENT,

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 5th day of May, 1920, in the words following, viz. :—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, shall be paid in such manner, and subject to such restrictions, conditions, and provisions as are from time to time directed by Order in Council:

"And whereas in order to encourage good shooting in Your Majesty's Navy sanction was given by Orders in Council bearing dates the 21st December, 1906, and 28th June, 1909, to the payment under certain conditions of Prize Money at the annual capitation rate of 1s. 8d. in ships carrying heavy guns, and at 1s. 3d. in ships carrying light guns only:

"And whereas we are of opinion that under present conditions Prize Money should be paid rather for general proficiency in gunnery than for Good Shooting only, and that the rate of the allowance should not depend upon the nature of the guns carried:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to sanction, with effect from 24th May, 1919, the payment of Prize Money for proficiency in Gunnery under the following conditions, viz., that

"1. In ships where 3 or more guns (exclusive of machine guns) are carried an annual capitation allowance not exceeding 1s. 8d. on authorized complement may be paid at the discretion of Commanding Officers, subject to any instructions issued locally by Senior Officers afloat, for proficiency in shooting, gunnery drills and the use of instructional appliances.

"2. The capitation allowances to count in each case from the date of the ship commissioning or recommissioning.

"3. Payment of gunnery proficiency allowances due in respect of separate years may be made at any time within the period of a ship's commission, provided that the total prize money distributed during the commission does not exceed the aggregate of the capitation allowance payable in respect of each separate year in commission, reckoning for this purpose any portion of an incomplete year as a full year.

"4. No part of this capitation allowance to be used for any purpose other than the pay-

ment of money prizes for individual or collective proficiency in gunnery.

"5. Where less than three guns are carried, prize money may be paid at the rate of 2s. 6d. per gun carried per quarter (viz., 10s. per gun annually) subject to the same conditions as above.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

PRESENT,

The KING's Most Excellent Majesty in Council.

HIS MAJESTY was this day pleased, by and with the advice of His Privy Council, in pursuance of the provisions in that behalf contained in the Medical Acts, 1858 and 1886, to appoint Norman Godfrey Bennett, Esquire, M.B., B.Ch., L.D.S., to be, for five years from the 20th day of May, 1920, a Member of the General Council of Medical Education and Registration in the United Kingdom, in succession to Sir Charles Sissmore Tomes, F.R.C.S., L.D.S.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 17th day of *May*, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 25th day of March, 1920, in the words and figures following, that is to say:—

“ We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, have prepared, and now humbly lay before your Majesty in Council, the following Scheme for effecting a transfer of the ownership of one undivided moiety of the Advowson or perpetual right of Patronage of and presentation to the Church and Cure (hereinafter called ‘ the said Benefice ’) of Sibdon with Halford, in the County of Salop and in the Diocese of Hereford:

“ Whereas the said undivided moiety of the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Sibdon with Halford is vested for an estate for life in the Right Honourable Robert George, Earl of Plymouth, (hereinafter called ‘ the said Earl of Plymouth ’), during his life and the said Earl of Plymouth is therefore the Patron or person entitled to present or nominate to the said Benefice whenever upon a vacancy the turn of presentation falls to the owner of the said undivided moiety of the same Advowson:

“ And whereas the said undivided moiety of the same Advowson is subject with other property of considerable value to certain family charges but is otherwise free from incumbrances:

“ And whereas the said Earl of Plymouth is desirous that the whole of the said undivided moiety of the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Sibdon with Halford should be transferred to and be vested in the Right Reverend Herbert Hensley, now Bishop of Hereford, and his successors in the same Bishopric:

“ And whereas the said Herbert Hensley, Bishop of Hereford, is willing to accept such transfer, and in token of such his willingness and also in token that the same transfer has that consent of the Bishop of the Diocese which by the Acts in the hereinbefore mentioned Act recited or by some or one of them is made necessary, he, the said Herbert Hensley, Bishop of Hereford, has executed this Scheme as hereinafter mentioned:

“ And whereas the transfer of the Patronage of the said Benefice of Sibdon with Hal-

ford which is hereinbefore mentioned and hereinafter recommended and proposed will in our opinion tend to make better provision for the Cure of Souls in the Parish or District in or in respect of which the right of Patronage or Advowson so recommended and proposed to be transferred as aforesaid arises or exists, that is to say in the Parish of Sibdon with Halford:

“ Now, therefore, with the consent of the said Earl of Plymouth, being the person whose consent as Patron is required by the provisions of the hereinbefore mentioned Acts, and of the Act of the 1st and 2nd years of Her said late Majesty, Chapter 106 (in testimony of which consent he has signed and sealed this Scheme) and with the consent of the said Herbert Hensley, Bishop of Hereford (in testimony whereof he has signed this Scheme and sealed the same with his Episcopal Seal), We, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, the whole of the said undivided moiety of the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Sibdon with Halford shall be transferred to the said Herbert Hensley, Bishop of Hereford, and his successors in the same Bishopric and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the said Herbert Hensley, Bishop of Hereford, and by his successors in the same Bishopric for ever.

“ And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament.”

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Hereford.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 17th day of *May*, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37,

duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 22nd day of April, 1920, in the words and figures following, that is to say:—

“ We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for authorizing the sale and disposal of certain property in the Parishes of Finedon, Burton Latimer, and Cranford Saint John, in the County of Northampton, now vested in us:

“ Whereas under and by virtue of the several indentures, particulars whereof are set forth in the schedule hereunder written, certain mineral rights within the lands situate in the Parishes of Finedon, Burton Latimer, and Cranford Saint John aforesaid, and particularly described in the same indentures and schedule became vested in us:

“ And whereas none of the said mineral rights are subject to any outstanding beneficial lease or grant, but are now in our possession, but some portions thereof on account of their character or situation are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed:

“ And whereas with a view to the advantageous appropriation of the same or of the proceeds thereof for the ultimate improvement of our Common Fund it is expedient that the said mineral rights or such part or parts thereof as we shall at any time and from time to time think fit should be sold or disposed of,

and accordingly that we should be empowered to sell or dispose of our interest in such mineral rights or in any part or parts thereof in such manner as shall appear to us advisable:

“ Now, therefore, we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of and duly to convey, according to the provisions of the said Act, all or any of the said mineral rights so vested in us as aforesaid, under and by virtue of the said several indentures or any of them, and all our estate, right, title, and interest therein or in any part or parts thereof unto and to the use of any person or persons desirous or willing to purchase the same and his or their heirs, executors, administrators or assigns, or otherwise as he or they shall direct or appoint and for such consideration as shall upon due calculation and enquiry appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of lands, tithes, rent charges, tenements, or hereditaments or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid and in the meantime to invest the said proceeds in some Government or Parliamentary Stock or other public securities in England.

“ And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.”

"Whereas by the authority of an Order of Her said late Majesty in Council, bearing date the 17th day of May, 1867, and published in the London Gazette on the 21st day of the same month, a Consolidated Chapelry was assigned to the consecrated church of Saint John, situate at Horrabridge, in the Parish of Buckland Monachorum, in the said County and Diocese, and the said Consolidated Chapelry was named 'The Consolidated Chapelry of Horrabridge':

"And whereas the said Consolidated Chapelry of Horrabridge has, under the provisions of the Act of the 19th and 20th years of Her said late Majesty, Chapter 104, become a New Parish of the character contemplated by that Act, by the Act of the 6th and 7th years of Her said late Majesty, Chapter 37, and by the above-mentioned Act of the 32nd and 33rd years of Her said late Majesty, Chapter 94:

"And whereas it has been represented to us and it appears to us to be expedient that the boundaries of the said New Parish of Horrabridge should be altered in the manner which is hereinafter mentioned:

"Now, therefore, with the consent of the Right Reverend Lord William Gascoyne Cecil, Bishop of the said Diocese of Exeter (in testimony whereof he has signed and sealed this

Scheme or Representation), We, the said Ecclesiastical Commissioners, humbly represent, recommend and propose that from and after the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme or Representation and without any assurance in the law other than such duly gazetted Order the boundaries of the said New Parish of Horrabridge shall be altered so that all that portion of the Parish of Whitchurch, in the said County and Diocese, which is described in the Schedule hereunder written, and is delineated and set forth upon the Map or Plan hereunto annexed and is thereon coloured pink, shall be dissevered from such Parish and shall be annexed to and shall in future form part of the said New Parish of Horrabridge.

"And we further represent, recommend and propose that nothing herein contained shall prevent us from representing, recommending or proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the hereinbefore mentioned Acts, or of any of them, or of any other Act of Parliament."

"The SCHEDULE to which the foregoing Scheme or Representation has reference.

And whereas the said Scheme or Representation has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme or Representation, and to order and direct that the same and every

part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

**CENTRAL CHANCERY OF THE ORDERS
OF KNIGHTHOOD.**

*St. James's Palace, S.W. 1,
18th May, 1920.*

The KING has been graciously pleased to give orders for the following promotion in the Most Eminent Order of the Indian Empire, in recognition of valuable services rendered in Mesopotamia in connection with the War. The appointment to date from 30th December, 1919:—

*To be an Additional Knight Commander of the
said Most Eminent Order:—*

Lieutenant-Colonel Arnold Talbot Wilson,
C.S.I., C.M.G., C.I.E., D.S.O., Indian
Army, Acting Civil Commissioner of Mesopotamia.

*Crown Office,
14th May, 1920.*

The KING has been pleased by Letters Patent under the Great Seal to nominate the Reverend Minos Devine, Master of Arts, to the Perpetual Curacy of Saint Peter, Vere Street, Saint Marylebone, in the County of London and Diocese of London, void by the cession of the last Incumbent and in His Majesty's nomination in full right belonging.

**CARGOES EX ENEMY VESSELS SEIZED
BY PORTUGAL.**

*Foreign Office,
May 14, 1920.*

With reference to previous notifications published in the London Gazette respecting the release of Allied and Neutral merchandise found on enemy vessels in Portuguese harbours, particularly to those published on May 30th, 1916, August 3rd, 1917, and April 11th, 1919, a translation of a Decree which has now been issued by the Portuguese Government providing for the sale of such cargoes as are still unclaimed or are enemy property is appended.

It is understood that a further Decree is under consideration by the Portuguese Government, and will shortly be issued, in accordance with which fresh claims for goods will be admissible, and providing that, should such

goods have in the meantime been sold, or requisitioned, the owners, on substantiating their rights, will receive the proceeds of sale, or, in the latter event, the market value of their property.

**DECREE No. 6556, April 17th, 1920.
(Translation.)**

Articles 31 and 33 of the Decree No. 2350 of the 20th of April, 1916, having provided that the goods found on board enemy ships at the time in Portuguese waters, or discharged therefrom, should be sold by public auction, the respective proceeds being deposited, with an indication of their origin, in the Caixa Geral De Depositos, whenever they could not without great loss be kept under administrative control, it being presumed that such goods as were not proved, within the period of thirty days, a period which was subject to extension and was in fact several times extended, to be the property of allies or neutrals to whom they would be delivered on being claimed or their value restored should they have been requisitioned by the Portuguese Government; and

According to the statement made by the Directorate-General of Customs that considerable quantities of the said goods exist which it has not yet been possible to identify, either because there are no cargo documents or because no one has appeared with a right to claim them; and that in order to restore the goods belonging to allies or neutrals, successive decrees, published between the 13th July, 1917, and the 22nd of March, 1919, have extended the original period of thirty days, which periods have now elapsed; and

Considering that, in order to carry out the provisions enacted by the Decree of the 20th of April, 1916, a later Decree, No. 2366 of the 4th of May of the same year, assigned to the Intendencia Dos Bens Dos Inimigos, the liquidation of such enemy property "provided no inconvenience is likely to result therefrom"; and the above-mentioned goods being not only of that nature, but their indefinite retention in State warehouses, which are always in demand for commercial traffic, is further prejudiced by this accumulation;

Considering that the goods in question will, in the majority of cases, suffer depreciation in value in proportion to the length of time they are kept in deposit;

Considering that once these goods have been put upon the home market by sale at a public auction, they will help to reduce the shortage of raw materials and manufactured articles so prejudicial to national interests;

In view of the provisions of Article 297, sub-clause (b) of the Treaty of Peace approved by the Law No. 962 of the 2nd instant; and

Availing of the power granted to the Government by the Law 491 of the 12th of March, 1916, and on the advice of the Council of Ministers:

I hereby decree as follows:—

ARTICLE I.

The goods found on board the ex-German ships requisitioned by the State and at the time lying in Portuguese waters and which are still deposited within the judicial districts of the Custom Houses of continental Portugal and the adjacent Islands, shall be sold by public auction at the said Custom Houses in

accordance with the terms of legislation in force, the nett proceeds to be placed in the custody of the Caixa Geral De Depositos with an indication of their origin.

ARTICLE II.

In order to carry out the provisions of Article I. all packages containing the said goods shall be opened in succession, so that the contents may be briefly examined and the basis of sale fixed.

ARTICLE III.

The examination and valuation referred to in the previous Article shall be effected by as many committees as may be necessary for the rapid completion of the sale.

ARTICLE IV.

All packages examined and valued shall obtain a rotation number and be duly entered in special books, and, as far as possible, in groups of Custom House marks and according to nature of contents.

ARTICLE V.

Objects of recognised historical, artistic or archaeological value, publications of political propaganda, arms and ammunitions not specified in paragraph I of this Article, are excluded from the provisions of Article I. whenever the Government think fit.

Paragraph I.—The following are excluded from the sale provided for by this Decree:—

- (a) Arms and munitions of war;
- (b) Merchandise in contravention to Portuguese laws or to Agreements and Treaties of an international character to which Portugal has adhered.

ARTICLE VI.
