Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 11th day of *June*, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Minister of Health, after giving to the Incumbent and the Churchwardens of the Parish of St. Mary's Hay, in the County of Brecknock, 10 days' previous Notice of his intention in that behalf, has, under the provisions of the Burial Act, 1853, as amended by subsequent enactments, made a Representation to His Majesty in Council that, for the protection of the public health the opening of any new Burial Ground in the Civil Parish of Hay Urban, in the said County of Brecknock, save with the previous approval of the Minister of Health, should be prohibited, and that Burials should be discontinued therein, as follows, viz.:—

HAY URBAN.—Forthwith and entirely in the Parish Church and Churchyard of St. Mary's Hay, in the said Parish. Provided that in the walled grave in the said Churchyard belonging to the Hincks family the burial may be allowed of the cremated remains of any member of that family.

Now, therefore, His Majesty in Council is pleased hereby to give Notice of such Representation, and to order that the same be taken into consideration by a Committee of the Privy Council on the 20th day of July next.

And His Majesty is further pleased to direct that this Order be forthwith published in the *London Gazette*, and that copies thereof be affixed on the doors of the Churches or Chapels of, or on some conspicuous places within, the Parish affected by such Representation one month before the said 20th day of July.

Almeric FitzRoy.

Privy Council Office, 15th June, 1920.

The following Statute, made by the Governing Body of University College, Oxford, on the 24th day of April and the 14th day of May, 1920, and sealed on the 10th day of June, 1920, has been submitted for the approval of His Majesty in Council, and notice of its having been so submitted is published in accordance with the provisions of "The Universities of Oxford and Cambridge Act, 1877."

Ex parte the Master and Fellows of the College of the Great Hall of the University, commonly called University College, in the University of Oxford.

A STATUTE to amend Statute II. (The Master and Vice-Master) framed by the Commissioners appointed under the Universities of Oxford and Cambridge Act, 1877 (40 and 41 Victoria, c. 48), in relation to the College of the Great Hall of the University, commonly called University College, in the University of Oxford, duly enacted at an Extraordinary General Meeting of the Master and Fellows, being the Governing Body of the said College specially summoned for this purpose, and holden on the twenty-fourth day of April, and by statutable adjournment, on the fourteenth day of May, One thousand nine hundred and twenty, and passed by the unanimous vote of those present and voting and ordered for sealing and submitted for the approval of His Majesty in Council.

Whereas by the Statutes made for Univer-

sity College, in the University of Oxford, by the Commissioners acting in pursuance of the Universities of Oxford and Cambridge Act, 1877, and approved by the Queen in Council, May 3rd, 1882, there was attached to the Mastership a fixed annual stipend of £670 (six hundred and seventy pounds) clear of Income Tax, payable out of the Corporate revenues of the College, in addition to the sum of £530 (five hundred and thirty pounds) chargeable on the Linton Fund.

And whereas the Master and Fellows by a Statute made on December 3rd, 1887, and approved by the Queen in Council on August 10th, 1888, did in view of the inadequacy of the revenues of the College at that time to provide for the charges created or authorized by the College Statutes diminish the fixed annual stipend of the Master, payable out of the Corporate revenues of the College by the sum of seventy pounds; and the present condition and prospects of the Corporate estate of the College make a restoration of the Master's stipend to its former amount possible and the diminution in the value of money make such restoration, as also the payment of the total fixed annual stipend of the Master, clear of Income Tax, advisable.

Now, therefore, we, the Master and Fellows of the said College, do hereby, in virtue of the powers conferred on us by section 54 of the Universities of Oxford and Cambridge Act, 1877, and by Statute XI. of the College Statutes, alter and amend Statute II., clause 4, of the said Statutes in the manner following:—

1. In the first place for the words "a fixed annual stipend of £600" we substitute the words "a fixed annual stipend of £670."

2. And in the second place after the words "the sum of £530" we insert the words "clear of Income Tax."

Given under our Common Seal this tenth day of June, in the year of our Lord, one thousand nine hundred and twenty.

(L. S.)

Reginald W. Macan,
Master.

Privy Council Office, 15th June, 1920.

NAVAL PRIZE FUND.

It is now possible to begin the distribution of the Naval Prize Money at present available in respect of those who are not now in the Service and are entitled under the Prize Proclamation of the 10th February, 1919. The amount of one full share earned by thirty months' qualifying service is 50s. The present notice only applies to those whose surnames begin with the letters A, E, L and S.

2. It will greatly assist the distribution if

none but those having the necessary qualifications apply, and if claimants will particularly note and observe the arrangements as to the order, etc., in which applications will be dealt with (paragraphs 4 and 5); no action can be taken on applications made out of order.

3. The conditions for participation are briefly as follows:—Qualifying service is that rendered in a sea-going ship of war, or on patrol flight duty over the sea (R.N.A.S. only), for a minimum period of one month between 4th August, 1914, and 11th November, 1918. (N.B.—Examination and Boom Defence Service and Service in Transports, Hospital Ships and Auxiliary and other vessels armed for defence only does not qualify.) The qualification for full rates is thirty months of such service, the rate for lesser periods being reduced proportionately. For those who were killed in action or otherwise whilst on service at sea, or who died or were invalided as the result of injuries received while on service at sea, or who, having at least ten months' qualifying service, died or were invalided on account of disease attributable to sea service, the possible qualifying time is considered as having extended to 11th November, 1918.

The number of shares depends on the ranks held at sea.

Those who have deserted or who were discharged from the Service for misconduct are not entitled to share.

4. Payment to the Imperial Naval Forces will be made as follows:—

(a) To Warrant Officers and men of the R.N.R., through Registrars R.N.R. from whom they will receive notifications of the sums due without application. Should they not receive such notification within a month of the appearance of the Admiralty notices relating to their particular cases (see paragraph 5) they should then make application either in person or by letter to the Registrar, R.N.R. (Superintendent of Mercantile Marine Office), nearest to their place of residence.

(Men who have changed the address given on their Protection and Identity Certificate or on final discharge from the Naval Reserve, should (if they have not already done so) at once notify the change to the nearest Registrar, R.N.R., or, if more convenient, direct to the Registrar-General of Shipping and Seamen, Tower Hill, London, E. 1, quoting the number and letter of their Certificate R.V. 2.)

(b) To all other Officers, and to men of the Royal Navy, Royal Marines, Royal Naval Air Service, Royal Naval Volunteer Reserve and Mercantile Marine serving under Naval engagements, by the Accountant-General of the Navy, Prize Branch, Cornwall House, Stamford Street, London, S.E. 1, to whom claims should be made in writing signed by the actual claimant and accompanied by Certificates of Service or Discharge, or, failing these, other evidence of identity. Personal application at the Admiralty is unnecessary.

(c) To representatives of all officers and men deceased by the Accountant-General of the Navy, to whom claims signed by the actual claimant should be addressed as shown in (b) above.

5. In view of the large number of payments to be made it will be impossible to deal with all the claims at the same time, and, in order to prevent accumulation of discharge documents, etc., claims should only be made in the first place by those whose surnames begin with the letters A, E, L and S. Notification will be given from time to time when claims in respect of those whose surnames begin with other letters can be received.

6. Until the pressure of payments is relaxed it will not be possible to enter into correspondence respecting the amounts paid, and their acceptance will not prejudice later adjustment if necessary.

7. No assignments of Prize Money can be recognised.

8. Payment to those still serving is being made through the ships or establishments in which they are borne.

9. Payment to the Royal Indian Marine and the Naval Forces of the Dominions will be made by the Indian and the respective Dominion Authorities, and applications from those residing in the United Kingdom should be made to the Government of India or to the High Commissioner of the Dominion concerned.

ADMIRALTY NOTICE TO MARINERS.

No. 936 of the year 1920.

ENGLAND, SOUTH COAST.

Traffic Regulations.

Former Notice.—No. 643 of 1920; hereby cancelled.

I. _____

II.—PLYMOUTH AND DEVONPORT.

Attention of mariners and all other persons concerned is drawn to the following Regulations which have been issued as a Notice to Mariners under authority of the King's Harbour Masters of Plymouth and Devonport, dated 27th March, 1920:—

1. Vessels are warned to pay strict attention to clause 9, Order in Council, 4th September, 1918, Regulations for the Dockyard Ports of Plymouth and Devonport, and no merchant vessel, whether navigating with or against the tide, is to attempt to pass a man-of-war in the "Narrows" when she is flying the "Red Ensign" over "M." Commercial by day, or a red light by night, at the fore truck.

Vessels are required not to pass other vessels in the "Narrows," and a vessel navigating against the tide should ease her engines and wait until any other vessel going with the tide has passed clear.

The following signals are hoisted at Mount Wise, Longroom, and South dockyard signal station:—

Signal and Signification.

Ball over Red Burgee.—Large ships coming from Sound to Hamoaze; all traffic outwards between Rubble bank and Melampus light-buoy is to cease while this signal is flying.

Red Burgee over Ball.—Large ships coming from Hamoaze to Sound; all traffic inwards between Melampus light-buoy and Rubble bank is to cease while this signal is flying.

It must be clearly understood that when either of the above signals is hoisted no merchant vessel is allowed to be under way within the limits defined hereunder, unless permission has previously been obtained from the Naval authorities.

Limits.

The Northern limit is a line drawn 90° and 270° through the north Rubble buoy, and the Southern limit is a line joining Dunstone point and Melampus light-buoy.

2. Attention is called to the following paragraphs, Nos. 17, 18 and 19, of First Schedule of Order in Council, 14th October, 1915, Regulations for the Ports of Plymouth and Devonport:—

"17. Anchorage in Plymouth sound within a space to be called the Merchant Vessels' Anchorage is reserved specially for merchant and other private vessels, and is bounded by the following straight lines, namely:—

"To the southward by a line drawn from Ram's cliff point towards the west, indicated by two white masonry beacons on Ram's cliff point;

"To the northward by a line drawn from Mount Edgcumbe House through the Canteen on Drake's island to the eastern shore of Plymouth sound.

"To the westward by a line drawn from the east end of Windsor terrace, in the Town of Plymouth, to the Smeaton's tower on the Hoe, and continuing through the whitewashed diamond seamark on the rocks to the before-mentioned line drawn from Ram's cliff point.

"18. Merchant or other private vessels may anchor only either in the Merchant Vessels' Anchorage or in such positions out of the fairway and other than those enumerated in clause 19 of this schedule as may from time to time be permitted by the King's Harbour Master. Vessels must avoid anchoring on or near the leading mark for the Smeaton pass.

"19. No merchant or other private vessel shall be anchored, moored or placed in either the eastern or western entrances to the Sound or in any part of the fairway on the west side of the Merchant Vessels' Anchorage, or in the Smeaton pass, or in the Asia pass eastward of a straight line drawn from the Melampus buoy to a position one cable south (true) of the Asia buoy, or in any part of the fairway from the Asia and Smeaton passes to the line marking the entrance of the Dockyard Port of Devonport or northward of Drake's island within 50 fathoms of the centre of any moorings for the use of His Majesty's vessels, or in Barn pool."

When anchoring care must be taken to keep well clear of the fairway, so as not to swing into the channel or the man-of-war anchorage.

3. The passage over Devil's bridge is now open, and boats and small craft may pass between the cribs. The deep water channel over the bridge is between two cribs, which are surmounted by beacons, one carrying a globe on the eastern side of the channel, and the other carrying a cage on the western side of the channel. Special caution is necessary in navigating Devil's bridge in view of the pointed concrete blocks on the eastern side of the channel, which are covered about two hours each side of high water and are extremely dangerous. The extreme ends of Devil's bridge obstruction are marked by two small pole beacons.

4. *Mount Batten Breakwater.*—All small craft are warned that they should not approach within 200 yards of Mount Batten breakwater, it being necessary to keep this area clear for seaplanes going out and returning.

5. Moorings for yachts, boats, or private vessels, &c., may only be laid by permission of the King's Harbour Masters, and in such position as they shall deem fit.

No boats, yacht or fishing craft are permitted to go alongside any man-of-war without obtaining the permission of the Commanding Officer.

No merchant or private vessel of any kind is allowed to come alongside H.M. Dockyard or Government establishments without the permission of the Admiral Superintendent.

Note.—This Notice is a revision of the former Notice quoted above.

Authority.—The Lords Commissioners of the Admiralty, and King's Harbour Masters, Plymouth and Devonport.

By Command of their Lordships,

Hydrographer of the Navy.
