Continuance of Restrictions on Movement of Animals in Certain Areas.

2. Movement within a Scheduled District.

3. (2) If, in respect of any animal, the conditions of a licence granted under this Article are not complied with, the owner of the animal and the person for the time being in charge thereof, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.
