7th June, 1921.*

His Majesty the KING has been graciously pleased to approve of the following reward to the undermentioned officer, in recognition of gallantry and devotion to duty in Mesopotamia:—

Awarded a Bar to the Distinguished Flying Cross.

Flying Officer Dudley Lloyd Evans, M.C., D.F.C., R.A.F.
(Distinguished Flying Cross gazetted 3rd December, 1918.)

For gallantry, skill and devotion to duty on the 1st November, 1920, while accompanying another machine on reconnaissance. Owing to engine trouble the second machine, with pilot and observer, had to make a forced landing in hostile country. A party of mounted Arabs at once started firing at the observer, who was dismantling a Lewis gun. On seeing this, Flying Officer Evans landed at great peril to himself, took both officers on his already loaded machine, and, getting off with much difficulty, returned to Headquarters.

An outfall into the Mersey, consisting of a 21-in. dia. cast-iron pipe, bedded in concrete, the soffit of the pipe at the outlet being 10 feet below Ordnance Datum.

A storage tank of a capacity of 262,500 gallons, being five-eighths of the estimated ultimate diurnal flow. The overflow is fixed at 16 feet above Ordnance Datum, and a separate connection to the outfall pipe will permit of a portion (and, at times, the whole depending on tide level) of the overflow being discharged through the outfall pipe; and any surplus will be dealt with by other Pipes discharging on the foreshore.

A 30-in. dia. concrete tube sewer, from the Storage tank to New Chester Road at the Junction of Port Causeway in private property.

It is proposed to commence the construction of these works in connection with a Sewerage Scheme to be carried out in the Bromborough District so soon as the necessary sanction has been obtained from the Ministry of Health and the necessary arrangements made for a loan for the carrying out of the works.

No. 00293 of 1921.

In the Matter of the POWELL DUFFRYN STEAM COAL COMPANY Limited, and in the Matter of the Companies (Consolidation) Act, 1908.

NOTICE is hereby given, that a petition was, on the 5th day of May, 1921, presented to His Majesty's High Court of Justice by the above named Company to confirm an alteration in the provisions of the memorandum with respect to the said Company's objects, proposed to be effected by a Special Resolution of the said Company passed at an Extraordinary General Meeting of the said Company, held on the 11th day of January, 1921, and subsequently confirmed at an Extraordinary General Meeting of the said Company, held on the 1st day of February, 1921, such Resolution being to the effect that the provisions of the Company's memorandum of association with respect to the objects of the Company be altered by substituting for the existing Clause 3 of its memorandum a new Clause 3 in the form set out in the said Resolution.

The principal respect in which the objects of the Company, as set out in the said proposed new objects clause, differ or are wider than its objects as set out in its existing objects clause, are that the new clause expressly authorizes the Company

(a) To carry on the business of steel makers and steel converters, manufacturers of chemicals, manures and all by-products of coal and dye makers.

(b) To deal in patent fuel, bricks, tiles, pipes and building materials, provisions and things capable of being used in connection with metallurgical operations or required by workmen and others employed by the Company.

(c) To construct and work canals, bridges, docks, wharves and any other works considered conducive to the objects of the Company.

(d) To produce, transmit and supply electricity, gas and compressed air for the purposes of the Company's business, and to supply the same to third persons.

(e) To carry on business as underwriters and insurers of ships, goods and other property.

In addition, the said proposed new objects clause enumerates as objects of the Company divers

ancillary objects or powers now usually included in the memoranda of association of trading companies, including the following, which are not expressly mentioned in the Company's existing objects clause:—

To acquire properties and rights of all kinds considered desirable for the Company's business, and to develop the same; to borrow money, and to mortgage or charge the undertaking and property of the Company, and to issue debentures, debenture stock or other securities; to draw, accept and negotiate negotiable instruments; to enter into profit-sharing arrangements with other Companies or persons; to promote Companies; to lend money to persons having dealings with the Company, and to give guarantees where considered desirable; to sell or dispose of the undertaking and property of the Company for stocks, shares or securities of any other Company; to acquire and deal in the shares, stocks or securities of any Company promoted by the Company or carrying on any similar business; to promote or oppose Acts in Parliament; to subscribe to national or charitable objects; to grant pensions or gratuities to, and to establish or support institutions or trusts calculated to benefit, employees of the Company or their connections.

And notice is hereby further given, that the said petition is directed to be heard before Mr. Justice P. O. Lawrence, on Tuesday, the 21st day of June, 1921, and any person interested in the said Company, whether as a creditor of the said Company or otherwise, desiring to oppose the making of an Order for the confirmation of the said alteration under the above Act, should appear at the time of hearing, by himself or his Counsel, for the purpose; and he is required to give two clear days' notice, in writing, of his intention so to appear, with the grounds of his objections, to the undersigned, the Solicitors of the said Company. A copy of the said petition will be furnished to any such person requiring the same by the undersigned, on payment of the regulated charges for the same.—Dated this 6th day of June, 1921.
