PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS by the Termination of the Present War (Definition) Act, 1918, it is provided that His Majesty in Council may declare what date is to be treated as the date of the termination of the present war, and that the date so declared shall be as nearly as may be the date of the exchange or deposit of ratifications of the treaty or treaties of peace, and

that His Majesty may also similarly declare what date is to be treated as the date of the termination of war between His Majesty and any particular State:

And whereas at Trianon on the fourth day of June, nineteen hundred and twenty, a treaty of peace between the Allied and Associated Powers and Hungary was signed on behalf of His Majesty:

And whereas by the said treaty of peace it was provided that a procès-verbal of the deposit of ratifications should be drawn up as soon as the treaty had been ratified by Hungary on the one hand and by three of the principal Allied or Associated Powers on the other, and that from the date of the said procès-verbal the treaty would come into force between the high contracting parties who had ratified it:

And whereas the said treaty having been ratified by Hungary and three of the principal Allied and Associated Powers, including His Majesty, such a procès-verbal as aforesaid has been drawn up dated the twenty-sixth day of July, nineteen hundred and twenty-one:

And whereas His Majesty, by and with the advice of His Privy Council, has this day been pleased to order that the thirty-first day of August, nineteen hundred and twenty-one,

shall be treated as the date of the termination of the present war, but it is desirable to declare as the date which is to be treated as the date of the termination of the war with Hungary a date before that which is to be treated as the date of the termination of the present war:

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, and it is hereby ordered, that the said twenty-sixth day of July shall be treated as the date of the termination of war between His Majesty and Hungary.

#### PRESENT

The KING's Most Excellent Majesty in Council.

**W**HEREAS at Trianon on the fourth day of June, nineteen hundred and twenty, a Treaty of Peace (hereinafter referred to as "The Treaty") was signed on behalf of His Majesty:

And whereas by the Treaty of Peace (Hungary) Act, 1921, it was provided that His Majesty might make such appointments, establish such offices, make such Orders in Council and do such things as appeared to him to be necessary for carrying out the Treaty, and for giving effect to any of the provisions of the Treaty, and that any Order in Council made under that Act might provide for the imposition by summary process or otherwise of penalties in respect of breaches of the provisions thereof:

And whereas the Treaty contained the Sections set out in the Schedule to this Order, and it is expedient that for giving effect thereto the provisions hereinafter contained should have effect:

And whereas by Treaty, grant, usage, sufferance or other lawful means His Majesty has power and jurisdiction in British Protectorates, and is pleased by virtue and in exercise of the powers vested in Him by the Foreign Jurisdiction Act, 1890, or otherwise to extend the provisions of this Order to such Protectorates:

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, and it is hereby ordered, as follows:—

1. The Sections of the Treaty set out in the Schedule to this Order shall have full force and effect as law, and for the purpose of carrying out the said Sections the following provisions shall have effect:—

(i) There shall be established in the United Kingdom a Clearing Office under the control and management of such person (hereinafter referred to as the Administrator) as the Board of Trade may appoint for the purpose.

In the event of a local office being established in any part of His Majesty's Dominions or in any Protectorate the provisions relating to the Clearing Office hereinafter contained shall apply thereto for the purpose of the functions authorised to be performed by a local clearing office under paragraph 1 of the Annex to Section III. of Part X. of the Treaty.

(ii) It shall not be lawful for any person to pay or accept payment of any enemy debt except in cases where recovery thereof in a

court of law is allowed as hereinafter provided, otherwise than through or by leave of the Clearing Office (which leave may be granted subject to such conditions including conditions as to the payment of fees, as the Clearing Office may think fit to impose), and no person interested in any such debt as debtor or creditor shall have any communications with any other person interested therein as creditor or debtor except through or by leave of the Clearing Office, and if any person contravenes this provision, he shall be guilty of an offence and liable to be proceeded against and punished as if he had been guilty of the offence of trading with the enemy, and section one of the Trading with the Enemy Act, 1914, shall apply accordingly.

(iii) It shall not be lawful for any person to take proceedings in any court for the recovery of any enemy debt except in the circumstances provided under paragraphs 16, 23 and 25 of the Annex to the said Section III.

(iv) The Clearing Office shall have power to enforce the payment of any enemy debt against the person by whom the debt is due, together with such interest as is payable under paragraph 22 of the Annex to the said Section III., and for that purpose shall have all such rights and powers as if they were the creditor; and if the debt has been admitted by the debtor or the debt or amount thereof has been found by arbitration or by the Mixed Arbitral Tribunal or by a court of law in the manner provided by paragraph 16 of the Annex to the said Section III., the Clearing Office may certify the amount so admitted or found due together with such interest as aforesaid, and on production to the proper officer of the Supreme Court of the part of His Majesty's Dominions or the Protectorate in which the debtor resides of such certificate, the certificate shall be registered by that officer and shall from the date of such registration be of the same force and effect, and all proceedings may be taken thereon, as if the certificate were a judgment obtained in that court for the recovery of a debt of the amount specified in the certificate and entered upon the date of such registration, and all reasonable costs and charges attendant upon the registration of such certificate shall be recoverable in like manner as if they were part of such judgment.

(v) It shall be lawful for the Clearing Office to recover from any person by whom a fine is payable under paragraph 10 of the Annex to the said Section III. the amount of such fine.

(vi) If any creditor refuses or fails to give such notice or to furnish such documents or information as are mentioned in paragraph 5 of the Annex to the said Section III. he shall, on summary conviction, be liable to a fine not exceeding ten pounds.

(vii) If any person collusively gives notice of or admits any debt which is not due or furnishes any false information with respect to any debt, he shall, on summary conviction, be liable to a fine not exceeding one hundred pounds or to imprisonment for a term not exceeding three months or to both such imprisonment and fine.

(viii) If His Majesty so agrees with any of the other Allied or Associated Powers, the provisions of this Order, so far as they relate

to enemy debts, shall apply to debts due to or from the nationals of that Power resident in any part of His Majesty's Dominions or Protectorates in like manner as they apply to debts due to or from British nationals so resident.

(ix) All property, rights and interests within His Majesty's Dominions or Protectorates belonging to nationals of the former Kingdom of Hungary at the date when the Treaty came into force (not being property rights or interests acquired under any general licence issued by or on behalf of His Majesty), and the net proceeds of their sale, liquidation or other dealings therewith, are hereby charged—

(a) in the first place, with payment of the amounts due in respect of claims by British nationals (other than British nationals ordinarily resident in the self-governing Dominions, India and Egypt) with regard to their property, rights and interests (including companies and associations in which they are interested) in the territories of the former Kingdom of Hungary, or debts owing to them by Hungarian nationals, and with payment of any compensation awarded by the Mixed Arbitral Tribunal, or by an arbitrator appointed by that Tribunal in pursuance of paragraph (e) of Article 232 of the Treaty, and with payment of claims growing out of acts committed by the former Austro-Hungarian Government or by any Hungarian authorities since the twenty-eighth day of July, and before the twelfth day of August, nineteen hundred and fourteen; and

(b) secondly, with payment of the amounts due in respect of claims by British nationals (other than British nationals ordinarily resident in the self-governing Dominions, India and Egypt) with regard to their property, rights and interests in the territories of Germany, Austria, Bulgaria and Turkey, in so far as those claims are not otherwise satisfied:

Provided that any particular property, rights or interests so charged may at any time be released by the Administrator, acting under the general direction of the Board of Trade, from the charge so created.

Provided further that where it is alleged that any property, right or interest is not subject to the said charge by reason of its belonging to a person who is not a national of the former Kingdom of Hungary within the meaning of this Order, the Administrator shall be entitled to make such charges as, subject to the consent of the Treasury, he may consider necessary to cover the costs incurred by him in investigating the allegation and in tracing and identifying the said property, right or interest.

(x) With a view to making effective and enforcing such charge as aforesaid—

(a) The Administrator shall have such powers and duties as are hereinafter provided;

(b) no person shall, without the consent of the Administrator, acting under the general direction of the Board of Trade, transfer, part with or otherwise deal in any property, right or interest subject to

the charge, and if he does so he shall be liable on summary conviction to a fine not exceeding one hundred pounds or to imprisonment for a term not exceeding three months or to both such imprisonment and fine;

(c) every person owning or having the control or management of any property, right or interest, subject to the charge (including where the property, right or interest consists of shares, stocks or other securities issued by a company, municipal authority or other body, or any right or interest therein of such company, authority or body) shall, unless particulars thereof have already been furnished to the Custodian in accordance with the Trading with the Enemy Acts, 1914 to 1918, within one month from the date of the making of this Order by notice in writing communicate the fact to the Administrator and shall furnish the Administrator with such particulars in relation thereto as the Administrator may require, and if any person fails to do so or furnishes any false information he shall on summary conviction be liable to a fine not exceeding one hundred pounds;

(d) where the property charged consists of inscribed or registered stock, shares or other securities, any company, municipal authority or other body by whom the securities were issued or are managed shall on application being made by the Administrator, notwithstanding any regulation or stipulation of the company or other body, and notwithstanding that the Administrator is not in possession of the certificate, scrip or other document of title relating to the shares, stock or securities to which the application relates, enter the Administrator in the books in which the securities are inscribed or registered as the proprietor of the securities subject to the charge, and the Administrator shall have power to sell or otherwise deal with the securities as proprietor of which he is so registered or inscribed, and to require any person having in his possession any documents of title to any such stock, shares or other securities to deliver the same to him, and an acknowledgment of such delivery signed by him shall be a sufficient discharge to the person delivering the same;

(e) where the property charged consists of property transferable on delivery, any person having the possession, control, or management of the property shall, on being so required by the Administrator deliver the property to him, and the Administrator shall have power to sell or otherwise deal with the property so delivered to him;

(f) where the property, right or interest subject to the charge consists of any sum of money due to a Hungarian national (not being an enemy debt within the meaning of Article 231 of the Treaty) it shall be payable to the Administrator, and shall be paid to him on demand, and the Administrator shall have power to enforce the payment thereof, and for that purpose shall have all such rights and powers as if he were the creditor;

(g) A certificate by the Administrator that any property, right or interest is sub-

ject to the charge shall be sufficient evidence of the facts stated in the certificate, and where any such application, requirement or demand of the Administrator as aforesaid is accompanied by such a certificate, the company, municipal authority or other body by whom the securities were issued or are managed, the person in possession of the property transferable by delivery, or the person by whom a sum of money is due, shall comply with the application, requirement or demand, and shall not be liable to any action or other legal proceeding in respect of such compliance, but if it is subsequently proved that the property, right or interest was not subject to the charge, the owner thereof shall be entitled to recover the same from the Administrator, or, if it has been sold, the proceeds of sale, but not to any other remedy;

(h) the Board of Trade may by order vest in the Administrator any property, right or interest subject to the charge, or the right to transfer the same, and for that purpose sub-sections (1) to (4) of section four of the Trading with the Enemy (Amendment) Act, 1916, shall apply as if property, rights and interests subject to the charge were property belonging to an enemy or enemy subject, and as if for references to the Custodian therein there were substituted references to the Administrator;

(i) the court may on the application of the Administrator require any person known or suspected to have in his possession or under his control any property, right or interest subject to the charge, including any person known or suspected to owe a debt to a national of the former Kingdom of Hungary, or any person who claims that any property, right or interest belonging to him is not subject to the charge by reason of his not being a national of the former Kingdom of Hungary within the meaning of this Order or any person whom the court may consider capable of giving information with respect to the same, subject to payment or tender of reasonable expenses of his attendance, to attend as a witness and to give evidence or produce documents before the court or before such officer as the court may appoint for the purpose of examining into the matter, who shall have power to take evidence and administer oaths, and if any person fails without reasonable excuse to comply with any of the provisions of the order or wilfully gives false evidence he shall on summary conviction be liable to a fine not exceeding one hundred pounds or to imprisonment for a term not exceeding three months or to both such imprisonment and fine.

For the purposes of this paragraph "the court" means the High Court or a judge thereof or a county court or in Scotland the Court of Session or a sheriff court.

(j) if any person called upon to pay any money or to transfer or otherwise to deal with any property, rights or interests has reason to suspect that the same are subject to such charge as aforesaid he shall before paying, transferring or dealing with the same report the matter to the Administrator and shall comply with any

directions that the Administrator may give with respect thereto.

(xi) There shall be paid to the Administrator such surplus proceeds of property, rights and interests charged under Section 1 (xvi) of the Treaty of Peace Order, 1919, as may be allocated in accordance with Article 1 (xvi) (b) of that Order to the payment of amounts due in respect of claims by British nationals with regard to their property, rights and interests in the territories of the former Austrian Empire.

(xii) The Administrator shall, as respects property vested in or transferred to him under this Order, have all the rights and powers conferred upon or exercisable, as respects property vested in him, by a trustee in bankruptcy, whether with or without the permission of a committee of inspection or the leave of the court.

(xiii) The Administrator shall apply the sums received by him in satisfaction of the claims, debts and compensation mentioned in sub-section (ix) of this article.

(xiv) The Clearing Office and the Administrator may, subject to the approval of the President of the Board of Trade, from time to time make, revoke or vary general rules and may by such rules prescribe forms for carrying into effect the provisions of this Order, and prescribe the time (not being less than six months after the coming into force of the Treaty) within which proofs of claims in order to rank must be made and the manner of making and proving the same.

(xv) There shall be attached to the Clearing Office, and the Administrator shall be assisted by, such officers and servants as the Board of Trade, subject to the consent of the Treasury may determine, and there shall be paid to the Administrator and to such officers and servants such salaries or other remuneration as the Treasury may determine.

(xvi) The Clearing Office, out of the money collected by them, and the Administrator, out of the property, rights, interests or proceeds thereof vested in or collected or received by him under this Order, shall retain such sums as, subject to the consent of the Treasury, the Clearing Office or Administrator may consider necessary to cover risks, expenses and commissions.

(xvii) Proceedings by and on behalf of the Clearing Office and proceedings by the Administrator may be taken by and in the name of the Administrator, who may by the name of the Administrator of Hungarian Property sue and be sued, and costs may be awarded to or against the Administrator.

(xviii) Every document purporting to be an order or other instrument issued by the Clearing Office and to be signed by the Administrator or by the secretary of the Clearing Office or by any other person authorised by the Administrator, and every document purporting to be an order or other instrument issued by the Administrator and to be signed by him or by any other person authorised by him shall be received in evidence and shall be deemed to be such order or instrument without further proof unless the contrary is shown, and in any proceeding by the Clearing Office or by the Administrator to recover a debt or fine, a report purporting to be signed by the Administrator or any other person authorised by

him shall be evidence of the facts therein stated.

(xix) A certificate signed by the Administrator that an order or other instrument purporting to be made or issued by the Clearing Office or by the Administrator is so made or issued shall be conclusive evidence of the facts so certified.

(xx) The Documentary Evidence Act, 1868, as amended by any subsequent enactment, shall apply to the Clearing Office and to the Administrator in like manner as if they were respectively mentioned in the first column of the First Schedule to that Act, and as if the Administrator or any person authorised by him to act on his behalf were in relation both to the Clearing Office and the Administrator mentioned in the second column of that Schedule, and as if the regulations referred to in that Act included any documents issued by or on behalf of the Clearing Office or the Administrator.

(xxi) All decisions of the Mixed Arbitral Tribunal constituted under Section VI. of Part X. of the Treaty, if within the jurisdiction of that tribunal, shall be final and conclusive and binding on all courts.

(xxii) The Administrator may undertake on behalf of a British national the presentation to and conduct before the Mixed Arbitral Tribunal of any claim, difference or dispute referable to the Tribunal under the provisions of Sections IV., V. and VII. of Part X. of the Treaty, and may make regulations with the consent of the Treasury in respect of the fees to be charged in respect of such services.

(xxiii) For the purpose of enforcing the attendance of witnesses before the Mixed Arbitral Tribunal, wherever sitting, whether within or without His Majesty's Dominions, and compelling the production before the Tribunal of documents, a Secretary of State shall have power to issue orders which shall have the like effect as if the proceedings before the Tribunal were an action in a court and the order were a formal process issued by that court in the due exercise of its jurisdiction, and shall be enforceable by that court accordingly, and disobedience to any such order shall be punishable as contempt of court.

(xxiv) The time at which the period of prescription or limitation of right of action referred to in Article 235 of the Treaty shall begin again to run shall be at the expiration of six months after the coming into force of the Treaty, and the period to be allowed within which presentation of negotiable instruments for acceptance or payment and notice of non-acceptance or non-payment or protest may be made under Article 236 shall be ten months from the coming into force of the Treaty.

(xxv) Rules made during the war by any recognised Exchange or Commercial Association providing for the closure of contracts entered into before the war by an enemy and any action taken thereunder are hereby confirmed subject to the provisos contained in paragraph 4 (a) of the Annex to Section V. of Part X. of the Treaty.

(xxvi) There shall be imposed on rights of industrial, literary or artistic property (with the exception of trade marks) acquired before or during the war, or which may be acquired hereafter, by or on behalf of Hun-

garian nationals, such limitations, conditions or restrictions as the Board of Trade may prescribe for the purpose, in the manner, in the circumstances, and subject to the limitations, contained in Article 241 of the Treaty; and any transfer in whole or in part or other dealing with any rights so acquired as aforesaid effected since the twenty-eighth day of July, nineteen hundred and fourteen, shall if and so far as it is inconsistent with any limitations, conditions or restrictions so imposed be void and of no effect.

(xxvii) Articles 242 and 243 of the Treaty shall not be deemed to confer rights within His Majesty's dominions on the nationals of any High Contracting Party other than Hungarian nationals, and so far as may be necessary for the purpose of Article 242 of the Treaty, the Patents, Designs and Trade Marks (Temporary Rules) Act, 1914 (except paragraph (b) of Section 1 of the Patents, Designs and Trade Marks (Temporary Rules) (Amendment) Act, 1914), shall in relation to Hungarian nationals continue in force, and shall be deemed as from the date when the Treaty came into force to have continued in force, as if references therein to subjects of a State at war with His Majesty included references to Hungarian nationals.

(xxviii) The Comptroller-General of Patents, Designs and Trade Marks shall have power and shall be deemed to have had power, as from the coming into force of the Treaty in cases where patents and designs are revived under the provisions of Article 242 of the Treaty, to impose such conditions as he may deem reasonably necessary for the protection of persons who have manufactured or made use of the subject matter of such patents or designs while the rights had lapsed.

(xxix) The duly qualified tribunal for the purposes of Article 245 of the Treaty shall be the Comptroller-General of Patents, Designs and Trade Marks.

2. For the purposes of the foregoing provisions of this Order, but not including the Schedule therein referred to—

The expression "enemy debt" has the meaning assigned to it by paragraph 2 of the Annex to Section III. of Part X. of the Treaty, and includes any sum which under the Treaty is to be treated or dealt with in like manner as an enemy debt.

The expression "nationals" in relation to any State includes the Sovereign or former Sovereign and the subjects or citizens of that State and any company or corporation incorporated therein according to the law of that State and in the case of a Protectorate the natives thereof.

The expression "nationals of the former Kingdom of Hungary" does not include persons who, within six months of the coming into force of the Treaty show to the satisfaction of the Administrator that they have acquired *ipso facto* in accordance with its provisions the nationality of an Allied or Associated power, including those who under Article 62 of the Treaty obtained such nationality with the consent of the competent authorities, or who acquired such nationality by virtue of previous rights of citizenship.

The Interpretation Act, 1889, applies for the interpretation of this Order in like manner

as it applies for the interpretation of an Act of Parliament, and as if this Order were an Act of Parliament.

3. This Order shall apply to the whole of His Majesty's Dominions and Protectorates, except India and Egypt and the self-governing Dominions, that is to say, the Dominion of Canada, the Commonwealth of Australia (which for this purpose shall be deemed to include Papua and Norfolk Island), the Union of South Africa, the Dominion of New Zealand and Newfoundland, but in its application to the parts of His Majesty's Dominions outside the United Kingdom and to British Protectorates shall be subject to such modifications as may be made by the legislatures of those parts or those Protectorates for adapting to the circumstances thereof the provisions of this Order.

Provided that if a local clearing office is established in India or in any self-governing Dominion, the provisions of this Order relating to the Clearing Office shall apply with respect to the relations between the Central Clearing Office and the local clearing office, and to transactions on behalf of the local clearing office which must be effected through the Central Clearing Office or which may be effected by the Central Clearing Office at the request of the local clearing office.

4. This Order shall be deemed to have come into operation as from the date when the Treaty of Peace came into force, that is to say the twenty-sixth day of July, nineteen hundred and twenty-one.

5. This Order may be cited as the Treaty of Peace (Hungary) Order, 1921.

#### SCHEDULE.

#### SECTION III.—DEBTS.

##### Article 231.

There shall be settled through the intervention of Clearing Offices to be established by each of the High Contracting Parties within three months of the notification referred to in paragraph (e) hereafter the following classes of pecuniary obligations:

(1) Debts payable before the war and due by a national of one of the Contracting Powers, residing within its territory, to a national of an Opposing Power, residing within its territory;

(2) Debts which became payable during the war to nationals of one Contracting Power residing within its territory and arose out of transactions or contracts with the nationals of an Opposing Power, resident within its territory, of which the total or partial execution was suspended on account of the existence of a state of war;

(3) Interest which has accrued due before and during the war to a national of one of the Contracting Powers in respect of securities issued or taken over by an Opposing Power, provided that the payment of interest on such securities to the nationals of that Power or to neutrals has not been suspended during the war;

(4) Capital sums which have become payable before and during the war to nationals of one of the Contracting Powers in respect of securities issued by one of the Opposing Powers, provided that the payment of such capital sums to nationals of that Power or to neutrals has not been suspended during the war.

In the case of interest or capital sums payable in respect of securities issued or taken over by the former Austro-Hungarian Government, the amount to be credited and paid by Hungary will be the interest or capital in respect only of the debt for which Hungary is liable in accordance with Part IX (Financial Clauses) of the present Treaty, and the principles laid down by the Reparation Commission.

The proceeds of liquidation of enemy property, rights and interests mentioned in Section IV and in the Annex thereto will be accounted for through the Clearing Offices, in the currency and at the rate of exchange hereinafter provided for in paragraph (d), and disposed of by them under the conditions provided by the said Section and Annex.

The settlements provided for in this Article shall be effected according to the following principles and in accordance with the Annex to this Section:

(a) Each of the High Contracting Parties shall prohibit, as from the coming into force of the present Treaty, both the payment and the acceptance of payment of such debts, and also all communications between the interested parties with regard to the settlement of the said debts otherwise than through the Clearing Offices;

(b) Each of the High Contracting Parties shall be respectively responsible for the payment of such debts due by its nationals, except in the cases where before the war the debtor was in a state of bankruptcy or failure, or had given formal indication of insolvency, or where the debt was due by a company whose business has been liquidated under emergency legislation during the war;

(c) The sums due to the nationals of one of the High Contracting Parties by the nationals of an Opposing State will be debited to the Clearing Office of the country of the debtor, and paid to the creditor by the Clearing Office of the country of the creditor;

(d) Debts shall be paid or credited in the currency of such one of the Allied and Associated Powers, their colonies or protectorates, or the British Dominions or India, as may be concerned. If the debts are payable in some other currency they shall be paid or credited in the currency of the country concerned, whether an Allied or Associated Power, Colony, Protectorate, British Dominion or India, at the pre-war rate of exchange.

For the purpose of this provision the pre-war rate of exchange shall be defined as the average cable transfer rate prevailing in the Allied or Associated country concerned during the month immediately preceding the outbreak of war between the said country concerned and Austria-Hungary.

If a contract provides for a fixed rate of exchange governing the conversion of the currency in which the debt is stated into the currency of the Allied or Associated country concerned, then the above provisions concerning the rate of exchange shall not apply.

In the case of the new States of Poland and the Czechoslovak State, the currency in which and the rate of exchange at which debts shall be paid or credited shall be determined by the Reparation Commission provided for in Part VIII, unless they shall have been previously settled by agreement between the States interested;

(e) The provisions of this Article and of the Annex hereto shall not apply as between

Hungary, on the one hand, and any one of the Allied and Associated Powers, their colonies or protectorates, or any one of the British Dominions or India, on the other hand, unless within a period of one month from the deposit of the ratification of the present Treaty by the Power in question, or of the ratification on behalf of such Dominion or of India, notice to that effect is given to Hungary by the Government of such Allied or Associated Power or of such Dominion or of India as the case may be;

(f) The Allied and Associated Powers which have adopted this Article and the Annex hereto may agree between themselves to apply them to their respective nationals established in their territory so far as regards matters between their nationals and Hungarian nationals. In this case the payments made by application of this provision will be subject to arrangements between the Allied and Associated Clearing Offices concerned.

#### ANNEX.

##### 1.

Each of the High Contracting Parties will, within three months from the notification provided for in Article 231, paragraph (e), establish a Clearing Office for the collection and payment of enemy debts.

Local Clearing Offices may be established for any particular portion of the territories of the High Contracting Parties. Such local Clearing Offices may perform all the functions of a central Clearing Office in their respective districts, except that all transactions with the Clearing Office in the Opposing State must be effected through the central Clearing Office.

##### 2.

In this Annex the pecuniary obligations referred to in the first paragraph of Article 231 are described as "enemy debts," the persons from whom the same are due as "enemy debtors," the persons to whom they are due as "enemy creditors," the Clearing Office in the country of the creditor is called the "Creditor Clearing Office," and the Clearing Office in the country of the debtor is called the "Debtor Clearing Office."

##### 3.

The High Contracting Parties will subject contraventions of paragraph (a) of Article 231 to the same penalties as are at present provided by the legislation for trading with the enemy. Those who have not prohibited trading with the enemy will enact provisions punishing the above-mentioned contraventions with severe penalties. The High Contracting Parties will similarly prohibit within their territory all legal process relating to payment of enemy debts, except in accordance with the provisions of this Annex.

##### 4.

The Government guarantee specified in paragraph (b) of Article 231 shall take effect whenever, for any reason, a debt shall not be recoverable, except in a case where at the date of the outbreak of war the debt was barred by the laws of prescription in force in the country of the debtor, or where the debtor was at that time in a state of bankruptcy or failure or had given formal indication of insolvency, or where the debt was due by a company whose business has been liquidated under emergency

legislation during the war. In such case the procedure specified by this Annex shall apply to payment of the dividends.

The terms "bankruptcy" and "failure" refer to the application of legislation providing for such juridical conditions. The expression "formal indication of insolvency" bears the same meaning as it has in English law.

##### 5.

Creditors shall give notice to the Creditor Clearing Office within six months of its establishment of debts due to them, and shall furnish the Clearing Office with any documents and information required of them.

The High Contracting Parties will take all suitable measures to trace and punish collusion between enemy creditors and debtors. The Clearing Offices will communicate to one another any evidence and information which might help the discovery and punishment of such collusion.

The High Contracting Parties will facilitate as much as possible postal and telegraphic communication at the expense of the parties concerned and through the intervention of the Clearing Offices between debtors and creditors desirous of coming to an agreement as to the amount of their debt.

The Creditor Clearing Office will notify the Debtor Clearing Office of all debts declared to it. The Debtor Clearing Office will, in due course, inform the Creditor Clearing Office which debts are admitted and which debts are contested. In the latter case, the Debtor Clearing Office will give the grounds for the non-admission of debts.

##### 6.

When a debt has been admitted, in whole or in part, the Debtor Clearing Office will at once credit the Creditor Clearing Office with the amount admitted, and at the same time notify it of such credit.

##### 7.

The debt shall be deemed to be admitted in full and shall be credited forthwith to the Creditor Clearing Office, unless within three months from the receipt of the notification or such longer time as may be agreed to by the Creditor Clearing Office notice has been given by the Debtor Clearing Office that it is not admitted.

##### 8.

When the whole or part of a debt is not admitted the two Clearing Offices will examine into the matter jointly and will endeavour to bring the parties to an agreement.

##### 9.

The Creditor Clearing Office will pay to the individual creditor the sums credited to it out of the funds placed at its disposal by the Government of its country and in accordance with the conditions fixed by the said Government, retaining any sum considered necessary to cover risks, expenses or commissions.

##### 10.

Any person having claimed payment of an enemy debt which is not admitted in whole or in part shall pay to the Clearing Office, by way of fine, interest at 5 per cent. on the part not admitted. Any person having unduly refused to admit the whole or part of a debt claimed from him shall pay, by way of fine, interest at

5 per cent. on the amount with regard to which his refusal shall be disallowed.

Such interest shall run from the date of expiration of the period provided for in paragraph 7 until the date on which the claim shall have been disallowed or the debt paid.

Each Clearing Office shall in so far as it is concerned take steps to collect the fines above provided for, and will be responsible if such fines cannot be collected.

The fines will be credited to the other Clearing Office, which shall retain them as a contribution towards the cost of carrying out the present provisions.

#### 11.

The balance between the Clearing Offices shall be struck every three months and the credit balance paid in cash by the debtor State within one month.

Nevertheless, any credit balances which may be due by one or more of the Allied and Associated Powers shall be retained until complete payment shall have been effected of the sums due to the Allied or Associated Powers or their nationals on account of the war.

#### 12.

To facilitate discussion between the Clearing Offices each of them shall have a representative at the place where the other is established.

#### 13.

Except for special reasons all discussions in regard to claims will, so far as possible, take place at the Debtor Clearing Office.

#### 14.

In conformity with Article 231 paragraph (b), the High Contracting Parties are responsible for the payment of the enemy debts owing by their nationals.

The Debtor Clearing Office will therefore credit the Creditor Clearing Office with all debts admitted, even in case of inability to collect them from the individual debtor. The Governments concerned will, nevertheless, invest their respective Clearing Offices with all necessary powers for the recovery of debts which have been admitted.

#### 15.

Each Government will defray the expenses of the Clearing Office set up in its territory, including the salaries of the staff.

#### 16.

Where the two Clearing Offices are unable to agree whether a debt claimed is due, or in case of a difference between an enemy debtor and an enemy creditor or between the Clearing Offices, the dispute shall either be referred to arbitration if the parties so agree under conditions fixed by agreement between them, or referred to the Mixed Arbitral Tribunal provided for in Section VI hereafter.

At the request of the Creditor Clearing Office the dispute may, however, be submitted to the jurisdiction of the Courts of the place of domicile of the debtor.

#### 17.

Recovery of sums found by the Mixed Arbitral Tribunal, the Court, or the Arbitration Tribunal to be due shall be effected through the Clearing Offices as if these sums were debts admitted by the Debtor Clearing Office.

#### 18.

Each of the Governments concerned shall appoint an agent who will be responsible for the presentation to the Mixed Arbitral Tribunal of the cases conducted on behalf of its Clearing Office. This agent will exercise a general control over the representatives or counsel employed by its nationals.

Decisions will be arrived at on documentary evidence, but it will be open to the Tribunal to hear the parties in person, or according to their preference by their representatives approved by the two Governments, or by the agent referred to above, who shall be competent to intervene along with the party or to reopen and maintain a claim abandoned by the same.

#### 19.

The Clearing Offices concerned will lay before the Mixed Arbitral Tribunal all the information and documents in their possession, so as to enable the Tribunal to decide rapidly on the cases which are brought before it.

#### 20.

Where one of the parties concerned appeals against the joint decision of the two Clearing Offices he shall make a deposit against the costs, which deposit shall only be refunded when the first judgment is modified in favour of the appellant and in proportion to the success he may attain, his opponent in case of such a refund being required to pay an equivalent portion of the costs and expenses. Security accepted by the Tribunal may be substituted for a deposit.

A fee of 5 per cent. of the amount in dispute shall be charged in respect of all cases brought before the Tribunal. This fee shall, unless the Tribunal directs otherwise, be borne by the unsuccessful party. Such fee shall be added to the deposit referred to. It is also independent of the security.

The Tribunal may award to one of the parties a sum in respect of the expenses of the proceedings.

Any sum payable under this paragraph shall be credited to the Clearing Office of the successful party as a separate item.

#### 21.

With a view to the rapid settlement of claims, due regard shall be paid in the appointment of all persons connected with the Clearing Offices or with the Mixed Arbitral Tribunal to their knowledge of the language of the other country concerned.

Each of the Clearing Offices will be at liberty to correspond with the other and to forward documents in its own language.

#### 22.

Subject to any special agreement to the contrary between the Governments concerned debts shall carry interest in accordance with the following provisions:

Interest shall not be payable on sums of money due by way of dividend, interest or other periodical payments which themselves represent interest on capital.

The rate of interest shall be 5 per cent. per annum, except in cases where, by contract, law or custom, the creditor is entitled to payment of interest at a different rate. In such cases the rate to which he is entitled shall prevail.

Interest shall run from the date of commencement of hostilities (or, if the sum of money to be recovered fell due during the war, from the date at which it fell due) until the sum is credited to the Clearing Office of the creditor.

Sums due by way of interest shall be treated as debts admitted by the Clearing Offices and shall be credited to the Creditor Clearing Office in the same way as such debts.

## 23.

Where by decision of the Clearing Offices or the Mixed Arbitral Tribunal a claim is held not to fall within Article 231, the creditor shall be at liberty to prosecute the claim before the Courts or to take such other proceedings as may be open to him.

The presentation of a claim to the Clearing Office suspends the operation of any period of prescription.

## 24.

The High Contracting Parties agree to regard the decisions of the Mixed Arbitral Tribunal as final and conclusive, and to render them binding upon their nationals.

## 25.

In any case where a Creditor Clearing Office declines to notify a claim to the Debtor Clearing Office, or to take any step provided for in this Annex intended to make effective in whole or in part a request of which it has received due notice, the enemy creditor shall be entitled to receive from the Clearing Office a certificate setting out the amount of the claim, and shall then be entitled to prosecute the claim before the Courts or to take such other proceedings as may be open to him.

## SECTION IV.—PROPERTY, RIGHTS AND INTERESTS.

## Article 232.

I. The question of private property, rights and interests in an enemy country shall be settled according to the principles laid down in this Section and to the provisions of the Annex hereto.

(a) The exceptional war measures and measures of transfer (defined in paragraph 3 of the Annex hereto) taken in the territory of the former Kingdom of Hungary with respect to the property, rights and interests of nationals of Allied or Associated Powers, including companies and associations in which they are interested, when liquidation has not been completed, shall be immediately discontinued or stayed and the property, rights and interests concerned restored to their owners.

(b) Subject to any contrary stipulations which may be provided for in the present Treaty, the Allied and Associated Powers reserve the right to retain and liquidate all property, rights and interests which belong at the date of the coming into force of the present Treaty to nationals of the former Kingdom of Hungary, or companies controlled by them, and are within the territories, colonies, possessions and protectorates of such Powers (including territories ceded to them by the present Treaty) or which are under the control of those Powers.

The liquidation shall be carried out in accordance with the laws of the Allied or Associated State concerned, and the owner shall not be able to dispose of such property, rights

or interests nor to subject them to any charge without the consent of that State.

Persons who within six months of the coming into force of the present Treaty show that they have acquired *ipso facto* in accordance with its provisions the nationality of an Allied or Associated Power, including those who under Article 62 obtain such nationality with the consent of the competent authorities, or in virtue of previous rights of citizenship (*pertinenza*) will not be considered as nationals of the former Kingdom of Hungary within the meaning of this paragraph.

(c) The price or the amount of compensation in respect of the exercise of the right referred to in paragraph (b) will be fixed in accordance with the methods of sale or valuation adopted by the laws of the country in which the property has been retained or liquidated.

(d) As between the Allied and Associated Powers and their nationals on the one hand and nationals of the former Kingdom of Hungary on the other hand, as also between Hungary on the one hand and the Allied and Associated Powers and their nationals on the other hand, all the exceptional war measures, or measures of transfer, or acts done or to be done in execution of such measures as defined in paragraphs 1 and 3 of the Annex hereto shall be considered as final and binding upon all persons except as regards the reservations laid down in the present Treaty.

(e) The nationals of Allied and Associated Powers shall be entitled to compensation in respect of damage or injury inflicted upon their property, rights or interests, including any company or association in which they are interested, in the territory of the former Kingdom of Hungary by the application either of the exceptional war measures or measures of transfer mentioned in paragraphs 1 and 3 of the Annex hereto. The claims made in this respect by such nationals shall be investigated, and the total of the compensation shall be determined by the Mixed Arbitral Tribunal provided for in Section VI or by an arbitrator appointed by that Tribunal. This compensation shall be borne by Hungary, and may be charged upon the property of nationals of the former Kingdom of Hungary, or companies controlled by them, as defined in paragraph (b), within the territory or under the control of the claimant's State. This property may be constituted as a pledge for enemy liabilities under the conditions fixed by paragraph 4 of the Annex hereto. The payment of this compensation may be made by the Allied or Associated State, and the amount will be debited to Hungary.

(f) Whenever a national of an Allied or Associated Power is entitled to property which has been subjected to a measure of transfer in the territory of the former Kingdom of Hungary and expresses a desire for its restitution, his claim for compensation in accordance with paragraph (e) shall be satisfied by the restitution of the said property if it still exists in specie.

In such case Hungary shall take all necessary steps to restore the evicted owner to the possession of his property, free from all encumbrances or burdens with which it may have been charged after the liquidation, and to indemnify all third parties injured by the restitution.

If the restitution provided for in this paragraph cannot be effected, private agreements

arranged by the intermediation of the Powers concerned or the Clearing Offices provided for in the Annex to Section III may be made, in order to secure that the national of the Allied or Associated Power may secure compensation for the injury referred to in paragraph (e) by the grant of advantages or equivalents which he agrees to accept in place of the property, rights or interests of which he was deprived.

Through restitution in accordance with this Article, the price or the amount of compensation fixed by the application of paragraph (e) will be reduced by the actual value of the property restored, account being taken of compensation in respect of loss of use or deterioration.

(g) The rights conferred by paragraph (f) are reserved to owners who are nationals of Allied or Associated Powers within whose territory legislative measures prescribing the general liquidation of enemy property, rights or interests were not applied before the signature of the Armistice.

(h) Except in cases where, by application of paragraph (f), restitutions in specie have been made, the net proceeds of sales of enemy property, rights or interests wherever situated carried out either by virtue of war legislation or by application of this Article, and in general all cash assets of enemies, other than proceeds of sales of property or cash assets in Allied or Associated countries belonging to persons covered by the last sentence of paragraph (b) above, shall be dealt with as follows:

(1) As regards Powers adopting Section III and the Annex thereto, the said proceeds and cash assets shall be credited to the Power of which the owner is a national, through the Clearing Office established thereunder; any credit balance in favour of Hungary resulting therefrom shall be dealt with as provided in Article 173, Part VIII (Reparation), of the present Treaty.

(2) As regards Powers not adopting Section III and the Annex thereto, the proceeds of the property, rights and interests, and the cash assets, of the nationals of Allied or Associated Powers held by Hungary shall be paid immediately to the person entitled thereto or to his Government; the proceeds of the property, rights and interests, and the cash assets of nationals of the former Kingdom of Hungary, or companies controlled by them, as defined in paragraph (b), received by an Allied or Associated Power shall be subject to disposal by such Power in accordance with its laws and regulations and may be applied in payment of the claims and debts defined by this Article or paragraph 4 of the Annex hereto. Any such property, rights and interests or proceeds thereof or cash assets not used as above provided may be retained by the said Allied or Associated Power, and, if retained, the cash value thereof shall be dealt with as provided in Article 173, Part VIII (Reparation), of the present Treaty.

(i) Subject to the provisions of Article 250, in the case of liquidations effected in new States, which are signatories of the present Treaty as Allied and Associated Powers, or in States which are not entitled to share in the reparation payments to be made by Hungary, the proceeds of liquidations effected by such States shall, subject to the rights of the Reparation Commission under the present Treaty, particularly under Articles 165, Part VIII (Reparation) and 194, Part IX (Finan-

cial Clauses), be paid direct to the owner. If, on the application of that owner, the Mixed Arbitral Tribunal provided for by Section VI of this Part, or an arbitrator appointed by that Tribunal, is satisfied that the conditions of the sale or measures taken by the Government of the State in question outside its general legislation were unfairly prejudicial to the price obtained, they shall have discretion to award to the owner equitable compensation to be paid by that State.

(j) Hungary undertakes to compensate her nationals in respect of the sale or retention of their property, rights or interests in Allied or Associated States.

(k) The amount of all taxes or imposts on capital levied or to be levied by Hungary on the property, rights and interests of the nationals of the Allied or Associated Powers from November 3, 1918, until three months from the coming into force of the present Treaty, or, in the case of property, rights or interests which have been subjected to exceptional measures of war, until restitution in accordance with the present Treaty shall be restored to the owners.

II. Subject to the preceding provisions, all measures other than those above referred to taken by the *de jure* or *de facto* authorities in the territory of the former Kingdom of Hungary between November 3, 1918, and the coming into force of the present Treaty, and causing injury to the property, rights and interests of the Allied and Associated Powers or their nationals, including companies and associations in which they were interested are declared null and void.

The provisions of paragraphs (a), (e), (f), (h) and (k) above apply to property, rights and interests which belong to nationals of the Allied and Associated Powers, including companies and associations in which they were interested, and which have been the subject of injurious measures such as expropriation, confiscation, seizure, requisition, destruction or deterioration effected as the result either of laws or regulations or of acts of violence on the part of the *de jure* or *de facto* authorities which have existed in Hungary, or of the Hungarian population.

III. Companies and associations include in particular the Orthodox Greek communities established in Buda-Pesth and other Hungarian towns, as well as pious and other foundations, when nationals of the Allied and Associated Powers are interested in such communities or foundations.

IV. No forfeiture on account of failure to complete any formality or make any declaration imposed by Hungarian laws or decrees promulgated since the Armistice and before the coming into force of the present Treaty shall be valid as against nationals of the Allied and Associated Powers, including companies and associations in which they were interested.

#### Article 233.

Hungary undertakes, with regard to the property, rights and interests, including companies and associations in which they were interested, restored to nationals of Allied and Associated Powers in accordance with the provisions of Article 232:

(a) to restore and maintain, except as expressly provided in the present Treaty, the property, rights and interests of the nationals of Allied or Associated Powers in the legal

position obtaining in respect of the property, rights and interests of nationals of the former Kingdom of Hungary under the laws in force before the war;

(b) not to subject the property, rights or interests of the nationals of the Allied or Associated Powers to any measures in derogation of property rights which are not applied equally to the property, rights and interests of Hungarian Nationals, and to pay adequate compensation in the event of the application of these measures.

#### ANNEX.

##### 1

In accordance with the provisions of Article 232, paragraph (d), the validity of vesting orders and of orders for the winding up of businesses or companies, and of any other orders; directions, decisions or instructions of any court or any department of the Government of any of the High Contracting Parties made or given, or purporting to be made or given, in pursuance of war legislation with regard to enemy property rights and interests is confirmed. The interests of all persons shall be regarded as having been effectively dealt with by any order, direction, decision or instruction dealing with property in which they may be interested, whether or not such interests are specifically mentioned in the order, direction, decision or instruction. No question shall be raised as to the regularity of a transfer of any property, rights or interests dealt with in pursuance of any such order, direction, decision or instruction. Every action taken with regard to any property, business or company, whether as regards its investigation, sequestration, compulsory administration, use, requisition, supervision or winding-up, the sale or management of property, rights or interests, the collection or discharge of debts, the payment of costs, charges or expenses, or any other matter whatsoever, in pursuance of orders, directions, decisions or instructions of any court or of any department of the Government of any of the High Contracting Parties, made or given, or purporting to be made or given, in pursuance of war legislation with regard to enemy property, rights or interests, is confirmed. Provided that the provisions of this paragraph shall not be held to prejudice the titles to property heretofore acquired in good faith and for value and in accordance with the laws of the country in which the property is situated by nationals of the Allied and Associated Powers.

The provisions of this paragraph do not apply to such of the above-mentioned measures as have been taken by the former Austro-Hungarian Government in invaded or occupied territory, nor to such of the above-mentioned measures as have been taken by Hungary or the Hungarian authorities since November 3, 1918, all of which measures shall be void.

##### 2.

No claim or action shall be made or brought against any Allied or Associated Power or against any person acting on behalf of or under the direction of any legal authority or department of the Government of such a Power by Hungary or by any Hungarian national or by or on behalf of any national of the former Kingdom of Hungary wherever resident in respect of any act or omission with regard to his property, rights or interests during the war or

in preparation for the war. Similarly no claim or action shall be made or brought against any person in respect of any act or omission under or in accordance with the exceptional war measures, laws or regulations of any Allied or Associated Power.

##### 3.

In Article 232 and this Annex the expression "exceptional war measures" includes measures of all kinds, legislative, administrative, judicial or others, that have been taken or will be taken hereafter with regard to enemy property, and which have had or will have the effect of removing from the proprietors the power of disposition over their property, though without affecting the ownership, such as measures of supervision, of compulsory administration, and of sequestration; or measures which have had or will have as an object the seizure of, the use of, or the interference with enemy assets, for whatsoever motive, under whatsoever form or in whatsoever place. Acts in the execution of these measures include all detentions, instructions, orders or decrees of Government departments or courts applying these measures to enemy property, as well as acts performed by any person connected with the administration or the supervision of enemy property, such as the payment of debts, the collecting of credits, the payment of any costs, charges or expenses, or the collecting of fees.

Measures of transfer are those which have affected or will affect the ownership of enemy property by transferring it in whole or in part to a person other than the enemy owner, and without his consent, such as measures directing the sale, liquidation or devolution of ownership in enemy property, or the cancelling of titles or securities.

##### 4.

All property, rights and interests of nationals of the former Kingdom of Hungary within the territory of any Allied or Associated Power and the net proceeds of their sale, liquidation or other dealing therewith may be charged by that Allied or Associated Power in the first place with payment of amounts due in respect of claims by the nationals of that Allied or Associated Power with regard to their property, rights and interests, including companies and associations in which they are interested, in territory of the former Kingdom of Hungary, or debts owing to them by Hungarian nationals, and with payment of claims growing out of acts committed by the former Austro-Hungarian Government or by any Hungarian authorities since July 28, 1914, and before that Allied or Associated Power entered into the war. The amount of such claims may be assessed by an arbitrator appointed by M. Gustave Ador, if he is willing, or if no such appointment is made by him, by an arbitrator appointed by the Mixed Arbitral Tribunal provided for in Section VI. They may be charged in the second place with payment of the amounts due in respect of claims by the nationals of such Allied or Associated Power with regard to their property, rights and interests in the territory of other enemy Powers, in so far as those claims are otherwise unsatisfied.

##### 5.

Notwithstanding the provisions of Article 232, where immediately before the outbreak of

war a company incorporated in an Allied or Associated State had rights in common with a company controlled by it and incorporated in Hungary to the use of trade-marks in third countries, or enjoyed the use in common with such company of unique means of reproduction of goods or articles for sale in third countries, the former company shall alone have the right to use these trade-marks in third countries to the exclusion of the Hungarian company, and these unique means of reproduction shall be handed over to the former company, notwithstanding any action taken under war legislation in force in the Austro-Hungarian Monarchy with regard to the latter company or its business, industrial property or shares. Nevertheless, the former company, if requested, shall deliver to the latter company derivative copies permitting the continuation of reproduction of articles for use in Hungary.

6.

Up to the time when restitution is carried out in accordance with Article 232, Hungary is responsible for the conservation of property, rights and interests of the nationals of Allied or Associated Powers, including companies and associations in which they are interested, that have been subjected by her to exceptional war measures.

7.

Within one year from the coming into force of the present Treaty the Allied or Associated Powers will specify the property, rights and interests over which they intend to exercise the right provided in Article 232, paragraph (f).

8.

The restitution provided in Article 232 will be carried out by order of the Hungarian Government or of the authorities which have been substituted for it. Detailed accounts of the action of administrators shall be furnished to the interested persons by the Hungarian authorities upon request, which may be made at any time after the coming into force of the present Treaty.

9.

Until completion of the liquidation provided for by Article 232, paragraph (b), the property, rights and interests of the persons referred to in that paragraph will continue to be subject to exceptional war measures that have been or will be taken with regard to them.

10.

Hungary will, within six months from the coming into force of the present Treaty, deliver to each Allied or Associated Power all securities, certificates, deeds or other documents of title held by its nationals and relating to property, rights or interests situated in the territory of that Allied or Associated Power, including any shares, stock, debentures, debenture stock or other obligations of any company incorporated in accordance with the laws of that Power.

Hungary will at any time on demand of any Allied or Associated Power furnish such information as may be required with regard to the property, rights and interests of Hungarian nationals within the territory of such Allied or Associated Power, or with regard to any transactions concerning such property, rights or interests effected since July 1, 1914

11.

The expression "cash assets" includes all deposits or funds established before or after the existence of a state of war, as well as all assets coming from deposits, revenues or profits collected by administrators, sequestrators or others from funds placed on deposit or otherwise, but does not include sums belonging to the Allied or Associated Powers or to their component States, Provinces or Municipalities.

12.

All investments wheresoever effected with the cash assets of nationals of the High Contracting Parties, including companies and associations in which such nationals were interested, by persons responsible for the administration of enemy properties or having control over such administration, or by order of such persons or of any authority whatsoever, shall be annulled. These cash assets shall be accounted for irrespective of any such investment

13.

Within one month from the coming into force of the present Treaty, or on demand at any time, Hungary will deliver to the Allied and Associated Powers all accounts, vouchers, records, documents and information of any kind which may be within Hungarian territory, and which concern the property, rights and interests of the nationals of those Powers, including companies and associations in which they are interested, that have been subjected to an exceptional war measure, or to a measure of transfer either in the territory of the former Kingdom of Hungary or in territory occupied by that Kingdom or its allies.

The Controllers, supervisors, managers, administrators, sequestrators, liquidators and receivers shall be personally responsible under guarantee of the Hungarian Government for the immediate delivery in full of these accounts and documents and for their accuracy.

14.

The provisions of Article 232 and this Annex relating to property, rights and interests in an enemy country, and the proceeds of the liquidation thereof, apply to debts, credits and accounts, Section III regulating only the method of payment.

In the settlement of matters provided for in Article 232 between Hungary and the Allied or Associated Powers, their colonies or protectorates, or any one of the British Dominions or India, in respect of any of which a declaration shall not have been made that they adopt Section III, and between their respective nationals, the provisions of Section III respecting the currency in which payment is to be made and the rate of exchange and of interest shall apply unless the Government of the Allied or Associated Power concerned shall within six months of the coming into force of the present Treaty notify Hungary that one or more of the said provisions are not to be applied.

15.

The provisions of Article 232 and this Annex apply to industrial, literary and artistic property which has been or will be dealt with in the liquidation of property, rights, interests, companies or businesses under war legislation by the Allied or Associated Powers, or in accordance with the stipulations of Article 232, paragraph (b).

## SECTION V.—CONTRACTS, PRESCRIPTIONS, JUDGMENTS.

*Article 234.*

(a) Any contract concluded between enemies shall be regarded as having been dissolved as from the time when any two of the parties became enemies, except in respect of any debt or other pecuniary obligation arising out of any act done or money paid thereunder, and subject to the exceptions and special rules with regard to particular contracts or classes of contracts contained herein or in the Annex hereto.

(b) Any contract of which the execution shall be required in the general interest, within six months from the date of the coming into force of the present Treaty, by the Government of the Allied or Associated Power of which one of the parties is a national, shall be excepted from dissolution under this Article.

When the execution of the contract thus kept alive would, owing to the alteration of trade conditions, cause one of the parties substantial prejudice, the Mixed Arbitral Tribunal provided for by Section VI shall be empowered to grant to the prejudiced party equitable compensation.

(c) Having regard to the provisions of the constitution and law of the United States of America and of Japan, neither the present Article, nor Article 235, nor the Annex hereto shall apply to contracts made between nationals of these States and nationals of the former Kingdom of Hungary; nor shall Article 240 apply to the United States of America or its nationals.

(d) The present Article and the Annex hereto shall not apply to contracts the parties to which became enemies by reason of one of them being an inhabitant of territory of which the sovereignty has been transferred, if such party shall acquire, under the present Treaty, the nationality of an Allied or Associated Power, nor shall they apply to contracts between nationals of the Allied and Associated Powers between whom trading has been prohibited by reason of one of the parties being in Allied or Associated territory in the occupation of the enemy.

(e) Nothing in the present Article or the Annex hereto shall be deemed to invalidate a transaction lawfully carried out in accordance with a contract between enemies if it has been carried out with the authority of one of the belligerent Powers.

*Article 235.*

(a) All periods of prescription, or limitation of right of action, whether they began to run before or after the outbreak of war, shall be treated in the territory of the High Contracting Parties, so far as regards relations between enemies, as having been suspended for the duration of the war. They shall begin to run again at earliest three months after the coming into force of the present Treaty. This provision shall apply to the period prescribed for the presentation of interest or dividend coupons or for the presentation for repayment of securities drawn for repayment or repayable on any other ground.

(b) Where, on account of failure to perform any act or comply with any formality during the war, measures of execution have been taken in the territory of the former Kingdom of Hungary to the prejudice of a national of an Allied or Associated Power, the claim of such national

shall, if the matter does not fall within the competence of the Courts of an Allied or Associated Power, be heard by the Mixed Arbitral Tribunal provided for by Section VI.

(c) Upon the application of any interested person who is a national of an Allied or Associated Power, the Mixed Arbitral Tribunal shall order the restoration of the rights which have been prejudiced by the measures of execution referred to in paragraph (b), wherever, having regard to the particular circumstances of the case, such restoration is equitable and possible.

If such restoration is inequitable or impossible, the Mixed Arbitral Tribunal may grant compensation to the prejudiced party, to be paid by the Hungarian Government.

(d) Where a contract between enemies has been dissolved by reason either of failure on the part of either party to carry out its provisions or of the exercise of a right stipulated in the contract itself, the party prejudiced may apply to the Mixed Arbitral Tribunal for relief. The Tribunal will have the powers provided for in paragraph (c).

(e) The provisions of the preceding paragraphs of this Article shall apply to the nationals of Allied and Associated Powers who have been prejudiced by reason of measures referred to above taken by the authorities of the former Hungarian Government in invaded or occupied territory, if they have not been otherwise compensated.

(f) Hungary shall compensate any third party who may be prejudiced by any restitution or restoration ordered by the Mixed Arbitral Tribunal under the provisions of the preceding paragraphs of this Article.

(g) As regards negotiable instruments, the period of three months provided under paragraph (a) shall commence as from the date on which any exceptional regulations applied in the territories of the interested Power with regard to negotiable instruments shall have definitely ceased to have force.

*Article 236.*

As between enemies no negotiable instrument made before the war shall be deemed to have become invalid by reason only of failure within the required time to present the instrument for acceptance or payment or to give notice of non-acceptance or non-payment to drawers or indorsers or to protest the instrument, nor by reason of failure to complete any formality during the war.

Where the period within which a negotiable instrument should have been presented for acceptance or for payment, or within which notice of non-acceptance or non-payment should have been given to the drawer or indorser, or within which the instrument should have been protested, has elapsed during the war, and the party who should have presented or protested the instrument or have given notice of non-acceptance or non-payment has failed to do so during the war, a period of not less than three months from the coming into force of the present Treaty shall be allowed within which presentation, notice of non-acceptance or non-payment or protest may be made.

*Article 237.*

Judgments given by the Courts of an Allied or Associated Power in all cases which, under the present Treaty, they are competent to de-

cide, shall be recognised in Hungary as final, and shall be enforced without it being necessary to have them declared executory.

If a judgment or measure of execution in respect of any dispute which may have arisen has been given during the war by a judicial authority of the former Kingdom of Hungary against a national of an Allied or Associated Power, or a company or association in which one of such nationals was interested, in a case in which either such national or such company or association was not able to make their defence, the Allied and Associated national who has suffered prejudice thereby shall be entitled to recover compensation to be fixed by the Mixed Arbitral Tribunal provided for in Section VI.

At the instance of the national of the Allied or Associated Power the compensation above mentioned may, upon order to that effect of the Mixed Arbitral Tribunal, be effected where it is possible by replacing the parties in the situation which they occupied before the judgment was given by the Hungarian Court.

The above compensation may likewise be obtained before the Mixed Arbitral Tribunal by the nationals of Allied or Associated Powers who have suffered prejudice by judicial measures taken in invaded or occupied territories, if they have not been otherwise compensated.

#### Article 238.

For the purpose of Sections III, IV, V and VII, the expression "during the war" means for each Allied or Associated Power the period between the commencement of the state of war between that Power and the former Austro-Hungarian Monarchy and the coming into force of the present Treaty.

#### ANNEX.

##### I.—General Provisions.

###### 1.

Within the meaning of Articles 234, 235 and 236, the parties to a contract shall be regarded as enemies when trading between them shall have been prohibited by or otherwise became unlawful under laws, orders or regulations to which one of those parties was subject. They shall be deemed to have become enemies from the date when such trading was prohibited or otherwise became unlawful.

###### 2.

The following classes of contracts are excepted from dissolution by Article 234, and, without prejudice to the rights contained in Article 232 (b) remain in force subject to the application of domestic laws, orders, or regulations made during the war by the Allied and Associated Powers and subject to the terms of the contracts:

(a) Contracts having for their object the transfer of estates or of real or personal property where the property therein had passed or the object had been delivered before the parties became enemies;

(b) Leases and agreements for leases of land and houses;

(c) Contracts of mortgage, pledge, or lien;

(d) Concessions concerning mines, quarries or deposits;

(e) Contracts between individuals or companies and States, provinces, municipalities or other similar juridical persons charged with

administrative functions, and concessions granted by States, provinces, municipalities or other similar juridical persons charged with administrative functions.

###### 3.

If the provisions of a contract are in part dissolved under Article 234, the remaining provisions of that contract shall, subject to the same application of domestic laws as is provided for in paragraph 2, continue in force if they are severable, but where they are not severable the contract shall be deemed to have been dissolved in its entirety.

##### II.—Provisions relating to certain classes of Contracts.

###### Stock Exchange and Commercial Exchange Contracts.

###### 4.

(a) Rules made during the war by any recognised Exchange or Commercial Association providing for the closure of contracts entered into before the war by an enemy are confirmed by the High Contracting Parties, as also any action taken thereunder, provided:

(1) that the contract was expressed to be made subject to the rules of the Exchange or Association in question;

(2) that the rules applied to all persons concerned;

(3) that the conditions attaching to the closure were fair and reasonable.

(b) The preceding paragraph shall not apply to rules made during the occupation by Exchanges or Commercial Associations in the districts occupied by the enemy.

(c) The closure of contracts relating to cotton "futures," which were closed as on July 31, 1914, under the decision of the Liverpool Cotton Association, is also confirmed.

###### Security.

###### 5.

The sale of a security held for an unpaid debt owing by an enemy shall be deemed to have been valid irrespective of notice to the owner if the creditor acted in good faith and with reasonable care and prudence, and no claim by the debtor on the ground of such sale shall be admitted.

This stipulation shall not apply to any sale of securities effected by an enemy during the occupation in regions invaded or occupied by the enemy.

###### Negotiable Instruments.

###### 6.

As regards Powers which adopt Section III and the Annex thereto the pecuniary obligations existing between enemies and resulting from the issue of negotiable instruments shall be adjusted in conformity with the said Annex by the instrumentality of the Clearing Offices, which shall assume the rights of the holder as regards the various remedies open to him.

###### 7.

If a person has either before or during the war become liable upon a negotiable instrument in accordance with an undertaking given to him by a person who has subsequently become an enemy, the latter shall remain liable to indemnify the former in respect of his liability notwithstanding the outbreak of war.

III.—*Contracts of Insurance.*

8.

Contracts of insurance entered into by any person with another person who subsequently became an enemy will be dealt with in accordance with the following paragraphs.

*Fire Insurance.*

9.

Contracts for the insurance of property against fire entered into by a person interested in such property with another person who subsequently became an enemy shall not be deemed to have been dissolved by the outbreak of war, or by the fact of the person becoming an enemy, or on account of the failure during the war and for a period of three months thereafter to perform his obligations under the contract, but they shall be dissolved at the date when the annual premium becomes payable for the first time after the expiration of a period of three months after the coming into force of the present Treaty.

A settlement shall be effected of unpaid premiums which became due during the war or of claims for losses which occurred during the war.

10.

Where by administrative or legislative action an insurance against fire effected before the war has been transferred during the war from the original to another insurer, the transfer will be recognised and the liability of the original insurer will be deemed to have ceased as from the date of the transfer. The original insurer will, however, be entitled to receive on demand full information as to the terms of the transfer, and if it should appear that these terms were not equitable they shall be amended so far as may be necessary to render them equitable.

Furthermore, the insured shall, subject to the concurrence of the original insurer, be entitled to retransfer the contract to the original insurer as from the date of the demand.

*Life Insurance.*

11.

Contracts of life insurance entered into between an insurer and a person who subsequently became an enemy shall not be deemed to have been dissolved by the outbreak of war, or by the fact of the person becoming an enemy.

Any sum which during the war became due upon a contract deemed not to have been dissolved under the preceding provision shall be recoverable after the war with the addition of interest at 5 per cent. per annum from the date of its becoming due up to the day of payment.

Where the contract has lapsed during the war owing to non-payment of premiums, or has become void from breach of the conditions of the contract, the assured or his representatives or the persons entitled shall have the right at any time within twelve months of the coming into force of the present Treaty to claim from the insurer the surrender value of the policy at the date of its lapse or avoidance.

Where the contract has lapsed during the war owing to non-payment of premiums the payment of which has been prevented by the enforcement of measures of war, the assured or his representative or the persons entitled shall have the right to restore the contract on payment of the premiums with interest at 5 per cent. per annum within three months from the coming into force of the present Treaty.

12.

Where contracts of life insurance have been entered into by a local branch of an insurance company established in a country which subsequently became an enemy country, the contract shall, in the absence of any stipulation to the contrary in the contract itself, be governed by the local law, but the insurer shall be entitled to demand from the insured or his representatives the refund of sums paid on claims made or enforced under measures taken during the war, if the making or enforcement of such claims was not in accordance with the terms of the contract itself or was not consistent with the laws or treaties existing at the time when it was entered into.

13.

In any case where by the law applicable to the contract the insurer remains bound by the contract notwithstanding the non-payment of premiums until notice is given to the insured of the termination of the contract, he shall be entitled, where the giving of such notice was prevented by the war, to recover the unpaid premiums with interest at 5 per cent. per annum from the insured.

14.

Insurance contracts shall be considered as contracts of life assurance for the purpose of paragraphs 11 to 13 when they depend on the probabilities of human life combined with the rate of interest for the calculation of the reciprocal engagements between the two parties.

*Marine Insurance.*

15.

Contracts of marine insurance, including time policies and voyage policies entered into between an insurer and a person who subsequently became an enemy, shall be deemed to have been dissolved on his becoming an enemy, except in cases where the risk undertaken in the contract had attached before he became an enemy.

Where the risk had not attached, money paid by way of premium or otherwise shall be recoverable from the insurer.

Where the risk had attached effect shall be given to the contract notwithstanding the party becoming an enemy, and sums due under the contract either by way of premiums or in respect of losses shall be recoverable after the coming into force of the present Treaty.

In the event of any agreement being come to for the payment of interest on sums due before the war to or by the nationals of States which have been at war and recovered after the war, such interest shall in the case of losses recoverable under contracts of marine insurance run from the expiration of a period of one year from the date of the loss.

16.

No contract of marine insurance with an insured person who subsequently became an enemy shall be deemed to cover losses due to belligerent action by the Power of which the insurer was a national or by the allies or associates of such Power.

17.

Where it is shown that a person who had before the war entered into a contract of marine insurance with an insurer who subsequently became an enemy entered after the

outbreak of war into a new contract covering the same risk with an insurer who was not an enemy, the new contract shall be deemed to be substituted for the original contract as from the date when it was entered into, and the premiums payable shall be adjusted on the basis of the original insurer having remained liable on the contract only up till the time when the new contract was entered into.

*Other Insurances.*

18.

Contracts of insurance entered into before the war between an insurer and a person who subsequently became an enemy, other than contracts dealt with in paragraphs 9 to 17, shall be treated in all respects on the same footing as contracts of fire insurance between the same persons would be dealt with under the said paragraphs.

*Reinsurance.*

19.

All treaties of reinsurance with a person who became an enemy shall be regarded as having been abrogated by the person becoming an enemy, but without prejudice in the case of life or marine risks which had attached before the war to the right to recover payment after the war for sums due in respect of such risks.

Nevertheless if, owing to invasion, it has been impossible for the reinsured to find another reinsurer, the treaty shall remain in force until three months after the coming into force of the present Treaty.

Where a reinsurance treaty becomes void under this paragraph, there shall be an adjustment of accounts between the parties in respect both of premiums paid and payable and of liabilities for losses in respect of life or marine risks which had attached before the war. In the case of risks other than those mentioned in paragraphs 11 to 17 the adjustment of accounts shall be made as at the date of the parties becoming enemies without regard to claims for losses which may have occurred since that date.

20.

The provisions of the preceding paragraph will extend equally to reinsurances, existing at the date of the parties becoming enemies, of particular risks undertaken by the insurer in a contract of insurance against any risks other than life or marine risks.

21.

Reinsurance of life risks effected by particular contracts and not under any general treaty remain in force.

22.

In case of a reinsurance effected before the war of a contract of marine insurance, the cession of a risk which had been ceded to the reinsurer shall, if it had attached before the outbreak of war, remain valid and effect be given to the contract notwithstanding the outbreak of war; sums due under the contract of reinsurance in respect either of premiums or of losses shall be recoverable after the war.

23.

The provisions of paragraphs 16 and 17 and the last part of paragraph 15 shall apply to contracts for the reinsurance of marine risks.

SECTION VI.—MIXED ARBITRAL TRIBUNAL.

*Article 239.*

(a) Within three months from the coming into force of the present Treaty, a Mixed Arbitral Tribunal shall be established between each of the Allied and Associated Powers on the one hand and Hungary on the other hand. Each such Tribunal shall consist of three members. Each of the Governments concerned shall appoint one of these members. The President shall be chosen by agreement between the two Governments concerned.

In case of failure to reach agreement, the President of the Tribunal and two other persons, either of whom may in case of need take his place, shall be chosen by the Council of the League of Nations, or, until this is set up by M. Gustave Ador if he is willing. These persons shall be nationals of Powers that have remained neutral during the war.

If in case there is a vacancy a Government does not proceed within a period of one month to appoint as provided above a member of the Tribunal, such member shall be chosen by the other Government from the two persons mentioned above other than the President.

The decision of the majority of the members of the Tribunal shall be the decision of the Tribunal.

(b) The Mixed Arbitral Tribunals established pursuant to paragraph (a) shall decide all questions within their competence under Sections III, IV, V and VII.

In addition, all questions, whatsoever their nature, relating to contracts concluded before the coming into force of the present Treaty between nationals of the Allied and Associated Powers and Hungarian nationals shall be decided by the Mixed Arbitral Tribunal, always excepting questions which, under the laws of the Allied Associated or Neutral Powers, are within the jurisdiction of the National Courts of those Powers. Such questions shall be decided by the National Courts in question, to the exclusion of the Mixed Arbitral Tribunal. The party who is a national of an Allied or Associated Power may nevertheless bring the case before the Mixed Arbitral Tribunal if this is not prohibited by the laws of his country.

(c) If the number of cases justifies it, additional members shall be appointed and each Mixed Arbitral Tribunal shall sit in divisions. Each of these divisions will be constituted as above.

(d) Each Mixed Arbitral Tribunal will settle its own procedure except in so far as it is provided in the following Annex, and is empowered to award the sums to be paid by the loser in respect of the costs and expenses of the proceedings.

(e) Each Government will pay the remuneration of the member of the Mixed Arbitral Tribunal appointed by it and of any agent whom it may appoint to represent it before the Tribunal. The remuneration of the President will be determined by special agreement between the Governments concerned; and this remuneration and the joint expenses of each Tribunal will be paid by the two Governments in equal moieties.

(f) The High Contracting Parties agree that their courts and authorities shall render to the Mixed Arbitral Tribunals direct all the assistance in their power, particularly as regards transmitting notices and collecting evidence.

(g) The High Contracting Parties agree to regard the decisions of the Mixed Arbitral Tribunal as final and conclusive, and to render them binding upon their nationals.

#### ANNEX.

1.

Should one of the members of the Tribunal either die, retire or be unable for any reason whatever to discharge his functions, the same procedure will be followed for filling the vacancy as was followed for appointing him.

2.

The Tribunal may adopt such rules of procedure as shall be in accordance with justice and equity and decide the order and time at which each party must conclude its arguments, and may arrange all formalities required for dealing with the evidence.

3.

The agent and counsel of the parties on each side are authorised to present orally and in writing to the Tribunal arguments in support or in defence of each case.

4.

The Tribunal shall keep record of the questions and cases submitted and the proceedings thereon, with the dates of such proceedings.

5.

Each of the Powers concerned may appoint a secretary. These secretaries shall act together as joint secretaries of the Tribunal and shall be subject to its direction. The Tribunal may appoint and employ any other necessary officer or officers to assist in the performance of its duties.

6.

The Tribunal shall decide all questions and matters submitted upon such evidence and information as may be furnished by the parties concerned.

7.

The High Contracting parties agree to give the Tribunal all facilities and information required by it for carrying out its investigations.

8.

The language in which the proceedings shall be conducted shall, unless otherwise agreed, be English, French, Italian or Japanese, as may be determined by the Allied or Associated Power concerned.

9.

The place and time for the meetings of each Tribunal shall be determined by the President of the Tribunal.

#### Article 240.

Whenever a competent court has given or gives a decision in a case covered by Sections III, IV, V or VII, and such decision is inconsistent with the provisions of such Sections, the party who is prejudiced by the decision shall be entitled to obtain redress which shall be fixed by the Mixed Arbitral Tribunal. At the request of the national of an Allied or Associated Power, the redress may, whenever possible, be effected by the Mixed Arbitral Tribunal directing the replacement of the parties in the position occupied by them before the judgment was given by the court of the former Kingdom of Hungary.

#### SECTION VII.—INDUSTRIAL PROPERTY.

##### Article 241.

Subject to the stipulations of the present Treaty, rights of industrial, literary and artistic property, as such property is defined by the International Conventions of Paris and of Berne, mentioned in Articles 220 and 222, shall be re-established or restored, as from the coming into force of the present Treaty, in the territories of the High Contracting Parties, in favour of the persons entitled to the benefit of them at the moment when the state of war commenced, or their legal representatives. Equally, rights which, except for the war, would have been acquired during the war in consequence of an application made for the protection of industrial property, or the publication of a literary or artistic work, shall be recognised and established in favour of those persons who would have been entitled thereto, from the coming into force of the present Treaty.

Nevertheless, all acts done by virtue of the special measures taken during the war under legislative, executive or administrative authority of any Allied or Associated Power in regard to the rights of nationals of the former Kingdom of Hungary in industrial, literary or artistic property shall remain in force and shall continue to maintain their full effect.

No claim shall be made or action brought by Hungary or Hungarian nationals or by or on behalf of nationals of the former Kingdom of Hungary in respect of the use during the war by the Government of any Allied or Associated Power, or by any persons acting on behalf or with the assent of such Government of any rights in industrial, literary or artistic property, nor in respect of the sale, offering for sale or use of any products, articles or apparatus whatsoever to which such rights applied.

Unless the legislation of any one of the Allied or Associated Powers in force at the moment of the signature of the present Treaty otherwise directs, sums due or paid in respect of the property of persons referred to in Article 232 (b) in virtue of any act or operation resulting from the execution of the special measures mentioned in the second paragraph of this Article shall be dealt with in the same way as other sums due to such persons are directed to be dealt with by the present Treaty; and sums produced by any special measures taken by the Government of the former Kingdom of Hungary in respect of rights in industrial, literary or artistic property belonging to the nationals of the Allied or Associated Powers shall be considered and treated in the same way as other debts due from Hungarian nationals.

Each of the Allied and Associated Powers reserves to itself the right to impose such limitations, conditions or restrictions on rights of industrial, literary or artistic property (with the exception of trade-marks) acquired before or during the war, or which may be subsequently acquired in accordance with its legislation, by Hungarian nationals, whether by granting licences, or by the working, or by preserving control over their exploitation, or in any other way, as may be considered necessary for national defence, or in the public interest, or for assuring the fair treatment by Hungary of the rights of industrial, literary and artistic property held in Hungarian territory by its nationals, or for securing the due fulfilment of all the obligations undertaken by

Hungary in the present Treaty. As regards rights of industrial, literary and artistic property acquired after the coming into force of the present Treaty, the right so reserved by the Allied and Associated Powers shall only be exercised in cases where these limitations, conditions or restrictions may be considered necessary for national defence or in the public interest.

In the event of the application of the provisions of the preceding paragraph by any Allied or Associated Power, there shall be paid reasonable indemnities or royalties, which shall be dealt with in the same way as other sums due to Hungarian nationals are directed to be dealt with by the present Treaty.

Each of the Allied or Associated Powers reserves the right to treat as void and of no effect any transfer in whole or in part of or other dealing with rights of or in respect of industrial, literary or artistic property effected after July 28, 1914, or in the future, which would have the result of defeating the objects of the provisions of this Article.

The provisions of this Article shall not apply to rights in industrial, literary or artistic property which have been dealt with in the liquidation of businesses or companies under war legislation by the Allied or Associated Powers, or which may be so dealt with by virtue of Article 232, paragraph (b).

#### Article 242.

A minimum of one year after the coming into force of the present Treaty shall be accorded to the nationals of the High Contracting Parties, without extension fees or other penalty, in order to enable such persons to accomplish any act, fulfil any formality, pay any fees, and generally satisfy any obligation prescribed by the laws or regulations of the respective States relating to the obtaining, preserving or opposing rights, to, or in respect of, industrial property either acquired before July 28, 1914, or which, except for the war, might have been acquired since that date as a result of an application made before the war or during its continuance, but nothing in this Article shall give any right to reopen interference proceedings in the United States of America where a final hearing has taken place.

All rights in, or in respect of, such property which may have lapsed by reason of any failure to accomplish any act, fulfil any formality, or make any payment, shall revive, but subject in the case of patents and designs to the imposition of such conditions as each Allied or Associated Power may deem reasonably necessary for the protection of persons who have manufactured or made use of the subject-matter of such property while the rights had lapsed. Further, where rights to patents or designs belonging to Hungarian nationals are revived under this Article, they shall be subject in respect of the grant of licences to the same provisions as would have been applicable to them during the war, as well as to all the provisions of the present Treaty.

The period from July 28, 1914, until the coming into force of the present Treaty, shall be excluded in considering the time within which a patent should be worked or a trade mark or design used, and it is further agreed that no patent, registered trade mark or design in force on July 28, 1914, shall be subject to revocation or cancellation by reason only of the failure to work such patent or use

such trade mark or design for two years after the coming into force of the present Treaty.

#### Article 243.

The rights of priority provided by Article 4 of the International Convention for the Protection of Industrial Property of Paris of March 20, 1883, revised at Washington in 1911, or by any other Convention or Statute, for the filing or registration of applications for patents or models of utility, and for the registration of trade marks, designs and models which had not expired on July 28, 1914, and those which have arisen during the war, or would have arisen but for the war, shall be extended by each of the High Contracting Parties in favour of all nationals of the other High Contracting Parties for a period of six months after the coming into force of the present Treaty.

Nevertheless, such extension shall in no way affect the right of any of the High Contracting Parties or of any person who before the coming into force of the present Treaty was *bona fide* in possession of any rights of industrial property conflicting with rights applied for by another who claims rights of priority in respect of them to exercise such rights by itself or himself personally, or by such agents or licensees as derived their rights from it or him before the coming into force of the present Treaty; and such persons shall not be amenable to any action or other process of law in respect of infringement.

#### Article 244.

No action shall be brought and no claim made by nationals of the former Kingdom of Hungary, or by persons residing or carrying on business within the territory of that Kingdom, on the one part, and on the other part by persons residing or carrying on business in the territory of the Allied or Associated Powers, or persons who are nationals of such Powers respectively, or by any one deriving title during the war from such persons, by reason of any action which has taken place within the territory of the other party between the date of the existence of a state of war and that of the coming into force of the present Treaty, which might constitute an infringement of the rights of industrial property or rights of literary and artistic property, either existing at any time during the war or revived under the provisions of Articles 242 and 243.

Equally, no action for infringement of industrial, literary or artistic property rights by such persons shall at any time be permissible in respect of the sale or offering for sale for a period of one year after the signature of the present Treaty in the territories of the Allied or Associated Powers on the one hand or Hungary on the other of products or articles manufactured, or of literary or artistic works published, during the period between the existence of a state of war and the signature of the present Treaty, or against those who have acquired and continue to use them. It is understood, nevertheless, that this provision shall not apply when the possessor of the rights was domiciled or had an industrial or commercial establishment in the districts occupied by the Austro-Hungarian armies during the war.

This Article shall not apply as between the United States of America on the one hand and Hungary on the other.

*Article 245.*

Licences in respect of industrial, literary or artistic property concluded before the war between nationals of the Allied or Associated Powers or persons residing in their territory or carrying on business therein, on the one part, and nationals of the former Kingdom of Hungary, on the other part, shall be considered as cancelled as from the date of the existence of a state of war between the former Austro-Hungarian Monarchy and the Allied or Associated Power. But, in any case, the former beneficiary of a contract of this kind shall have the right, within a period of six months after the coming into force of the present Treaty, to demand from the proprietor of the rights the grant of a new licence, the conditions of which, in default of agreement between the parties, shall be fixed by the duly qualified tribunal in the country under whose legislation the rights had been acquired, except in the case of licences held in respect of rights acquired under the law of the former Kingdom of Hungary. In such cases the conditions shall be fixed by the Mixed Arbitral Tribunal referred to in Section VI of this Part. The tribunal may, if necessary, fix also the amount which it may deem just should be paid by reason of the use of the rights during the war.

No licence in respect of industrial, literary or artistic property granted under the special war legislation of any Allied or Associated Power shall be affected by the continued existence of any licence entered into before the war, but shall remain valid and of full effect, and a licence so granted to the former beneficiary of a licence entered into before the war shall be considered as substituted for such licence.

Where sums have been paid during the war in respect of the rights of persons referred to in Article 232 (b) by virtue of a licence or agreement concluded before the war in respect of rights of industrial property or for the reproduction or the representation of literary, dramatic or artistic works, these sums shall be dealt with in the same manner as other debts or credits of such persons as provided by the present Treaty.

This Article shall not apply as between the United States of America on the one hand and Hungary on the other.

#### PRESENT,

The KING's Most Excellent Majesty in Council

**W**HEREAS it is provided by sub-section (2) of section 34 of the Government of Ireland Act, 1920 (hereinafter referred to as the Act), that the Joint Exchequer Board may authorize the Lord Lieutenant to make such payments from the Exchequers of Southern Ireland and Northern Ireland as may be necessary in order to provide for bringing the Act into operation, but that no such authority shall be given as respects the Exchequer of Southern Ireland or Northern Ireland after the expiration of a period of three months from the first meeting of the Parliament of Southern Ireland or Northern Ireland, as the case may be:

And whereas the first meeting of the Parliament of Northern Ireland was held on the 7th day of June instant, and the Parliament of Southern Ireland has been summoned to meet on the 28th day of June instant:

And whereas the Joint Exchequer Board cannot be constituted until there has been established a Treasury of Southern Ireland and a Treasury of Northern Ireland, as defined in the Act, and a Treasury of Southern Ireland has not yet been established:

And whereas by section 69 of the Act, His Majesty is empowered by Order in Council to make such regulations as seem necessary or proper for setting in motion the Parliaments and Governments of Southern Ireland and Northern Ireland, and also for any other matter for which it seems to His Majesty necessary or proper to make provision for the purpose of bringing the Act into full operation or for giving full effect to any provisions in the Act:

**W**HEREAS by the Air Navigation Act, 1920, it is enacted that the law relating to wreck and to salvage of life or property and to the duty of rendering assistance to vessels in distress (including the provisions of the Merchant Shipping Acts, 1894 to 1916, and any other Act relating to those subjects) shall apply to aircraft on or over the sea or tidal waters as it applies to vessels, and the owner of an aircraft shall be entitled to a reasonable reward for salvage services rendered by the aircraft to any property or persons in any case where the owner of a ship would be so entitled, provided that provision may be made by Order in Council for making modifications of and exemptions from the provisions of such law and Acts as aforesaid in their application to aircraft to such extent and in such manner as appears necessary or expedient:

And whereas by the same Act it is also enacted that His Majesty may, by Order in Council, make provision as to the Courts in which proceedings may be taken for enforcing any claim under the Act or any other claim in respect of aircraft and in particular may provide for conferring jurisdiction in any such proceedings on any Court exercising Admiralty jurisdiction and applying to such proceedings any rules of practice or procedure applicable to proceedings in Admiralty:

And whereas it appears expedient to make, in the application to aircraft of the law relating to wreck and to salvage, the modifications and exemptions and provisions hereinafter contained, and to confer jurisdiction in such matters as hereinafter appears:

And whereas the provisions of Section one of the Rules Publication Act, 1893, have been complied with:

Now, therefore, His Majesty by virtue of the powers in this behalf by the said Act or otherwise in Him vested, by and with the advice of His Privy Council, is pleased to order, and it is hereby ordered, as follows:—

(1) Section 557 of the Merchant Shipping Act, 1894, shall apply to aircraft and the word "ship" in the said Section shall include aircraft provided that in sub-sections (1) and (2) of the said Section the words "Air Council" shall be substituted for the word "Admiralty."

(2) Every Court having Admiralty jurisdiction shall have jurisdiction over claims under Section 11 of the Air Navigation Act, 1920, and this Order.

(3) The jurisdiction conferred by the said Act and by this Order may be exercised either

by proceedings in rem or by proceedings in personam, provided that where the jurisdiction of any Court is limited as to the amount of the claim or as to the value of the property saved, the jurisdiction conferred by the said Act and by this Order shall be limited in the like manner.

(4) The powers of all such Courts and the rules of practice and procedure for the time being in force in regard to the Admiralty jurisdiction of those Courts shall apply and be extended with such modification as may be necessary to claims under Section 11 of the Air Navigation Act, 1920; and this Order.

(5) The expression "wreck" in Sections 510 to 516, both inclusive, and in Sections 518 to 537, both inclusive, of the Merchant Shipping Act, 1894, as amended by subsequent legislation (but save and except in so far as those Sections relate to the claims of any Admiral, Vice-Admiral, Lord of the Manor, heritable proprietor duly infeft, or any other person to unclaimed wreck for his own use) shall include any aircraft or any part thereof or cargo thereof found lying derelict, and any aircraft or any part thereof or cargo thereof shall be deemed to be wreck within the meaning of the said Sections when it is found lying derelict, upon or near the shores of the seas surrounding the United Kingdom or the tidal waters thereof or any ports or harbours thereof.

(6) Section 518 of the Merchant Shipping Act, 1894, shall apply to any aircraft or any part thereof, or cargo thereof found derelict at sea outside the limits of the United Kingdom and brought within the limits of the United Kingdom.

(7) In their application to aircraft, Sections 511 (2) and 536 (1) of the Merchant Shipping Act, 1894, shall have effect as though for references to the master of the vessel there were substituted references to the commander or person in charge of the aircraft.

(8) In its application to aircraft, Section 516 of the Merchant Shipping Act, 1894, shall have effect as though the words "commissioned officer on full pay in the Air Service of His Majesty" were inserted after the words "justice of the peace."

(9) The provisions of Section 517 of the Merchant Shipping Act, 1894, shall not apply in the case of aircraft.

(10) The term "vessel" in Sections 530 to 532 of the Merchant Shipping Act, 1894, both inclusive, shall include any aircraft.

(11) The provisions of Sections 538 to 543, both inclusive, of the Merchant Shipping Act, 1894, shall not apply in the case of aircraft.

(12) In their application to aircraft, Sections 548 (2) and 550 (3) of the Merchant Shipping Act, 1894, shall have effect as though for the word "maritime" there were substituted the word "aeronautical."

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 12th day of May, 1921, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for effecting a transfer of the ownership of the Advowson or perpetual right of Patronage of and presentation to the Churches and Cures (hereinafter called 'the said Benefice') of Bromham with Oakley, in the County of Bedford and in the Diocese of Saint Albans:

"Whereas the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Bromham with Oakley is vested for an estate in fee simple without incumbrances in the Provost and Fellows of the College Royal of the Blessed Mary of Eton near unto Windsor (hereinafter called 'the Patrons'):

"And whereas the Patrons are desirous that the whole Advowson or perpetual right of Patronage of and Presentation to the said Benefice of Bromham with Oakley now vested in them as aforesaid should be transferred to and be vested in the Bishop for the time being of the said Diocese of Saint Albans:

"And whereas the Right Reverend Michael, now Bishop of Saint Albans, is willing to accept such transfer, and in token of such his willingness and also in token that the same transfer has that consent of the Bishop of the Diocese which by the Acts in the hereinbefore mentioned Act recited or by some or one of them is made necessary, he, the said Michael, Bishop of Saint Albans, has executed this Scheme as hereinafter mentioned:

"And whereas the transfer of the Patronage of the said Benefice of Bromham with Oakley which is hereinbefore mentioned and herein-after recommended and proposed will in our opinion tend to make better provision for the cure of souls in the Parish or District in or in respect of which the right of Patronage or Advowson so recommended and proposed to be transferred as aforesaid arises or exists, that is to say, in the Parishes of Bromham and Oakley:

"Now, therefore, with the consent of the Patrons, (in testimony whereof they have caused their Common Seal to be affixed to this Scheme), and with the consent of the said

Michael, Bishop of Saint Albans (in testimony whereof he has signed this Scheme and sealed the same with his Episcopal Seal), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme and without any conveyance or assurance in the law other than such duly gazetted Order, the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Bromham with Oakley now vested in them, the Patrons as aforesaid, shall be transferred to the said Michael, Bishop of Saint Albans, and his successors in the same Bishopric, and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the said Michael, Bishop of Saint Albans, and by his successors in the same Bishopric for ever.

#### UNEMPLOYMENT INSURANCE.

THE UNEMPLOYMENT INSURANCE (INSURANCE INDUSTRY SPECIAL SCHEME) ORDER, 1921. SPECIAL ORDER DATED JUNE 24TH, 1921, MADE BY THE MINISTER OF LABOUR UNDER THE UNEMPLOYMENT INSURANCE ACT, 1920 (10 AND 11 GEO. 5, c. 30).

Whereas the Minister of Labour (hereinafter referred to as "the Minister") has determined the classes of undertakings specified in sub-clause (2) of clause three of the Special Scheme

set forth in the Schedule hereto to be the Insurance Industry for the purposes of section eighteen of the Unemployment Insurance Act, 1920 (hereinafter referred to as "the Act");

And whereas the said Special Scheme has been made by an Association of employers and employees so constituted that the members of the Association who are employers consist of persons employing a substantial majority of the employees in the said Industry and the members who are employees consist of persons representing a substantial majority of the employees in the said Industry;

And whereas the said Special Scheme provides for the insurance against unemployment of all the employed persons in the Industry other than the classes specified in the said Special Scheme and the benefits under the said Special Scheme are in the opinion of the Minister not less favourable on the whole than the benefits provided by the Act;

And whereas it appears to the Minister that insurance against unemployment in the said Industry can be more satisfactorily provided for by a scheme under section eighteen of the Act than by the general provisions of the Act;

Now therefore the Minister by virtue of the powers conferred on him by section eighteen of the Act and of all other powers enabling him in that behalf hereby makes the following Special Order:—

(1) The Minister hereby approves the Special Scheme set forth in the Schedule hereto.
