PART V.

Overtime Rates—Male and Female Workers (all Ages).

SECTION I.—In accordance with Section 3 (1) (c) of the Trade Boards Act, 1918, the Trade Board hereby declare the normal number of hours of work in the trade to be as follows:—

In any week, 46.

On any day (other than Saturday), 8½.

On Saturday, 5.

Provided that any other day (not being Sunday) may be substituted by an employer for Saturday as the weekly short day, and in such case the normal number of hours of work on such substituted day shall be five, and the normal number of hours on Saturday shall be 8½.

Provided also that all hours worked by a worker on Sundays and on Customary Public and Statutory Holidays shall be regarded as

overtime to which the overtime rates shall apply.

SECTION II.—The Minimum Rates for Overtime in respect of hours worked by a worker, whether engaged on Time-work or on Piece-work, in excess of the declared number of hours, shall be as follows:—

(1) For the first two hours' overtime on any day, except Saturdays (or the weekly short day substituted therefor), Sundays and Customary Public and Statutory Holidays, the Overtime Rate shall be one-and-a-quarter times the minimum rate otherwise applicable, i.e., Time-and-a-quarter.

(2) For overtime after the first two hours of overtime on any day except Sundays and Customary Public and Statutory Holidays, and for all overtime on Saturdays (or the weekly short day substituted therefor), the Overtime Rate shall be one-and-a-half times the minimum rate otherwise applicable, i.e., Time-and-a-half.

(3) For all time worked on Sundays and Customary Public and Statutory Holidays, the Overtime Rate shall be twice the minimum rate otherwise applicable, i.e., Double Time.

(4) For all hours worked in any week in excess of 46, the Overtime Rate shall be Time-and-a-quarter, except in so far as higher overtime rates are payable under the provisions of paragraphs 2 and 3 of this Section. The Overtime Rate shall be payable where on any day (not being a Sunday or a Customary Public or Statutory Holiday), the number of hours worked exceeds 8½ or, in the case of Saturday (or the weekly short day substituted therefor), exceeds five, notwithstanding that the number of hours worked in the week does not exceed 46.

Provided—

(a) That where it is or may become the established practice of an employer only to require attendance on five days a week, the Overtime Rate shall only be payable on such days after 9½ hours have been worked.

(b) That where it is or may become the established practice of an employer to require attendance only on alternate Saturdays, the overtime rate shall only be payable in the week in which attendance on Saturday is required after 50 hours have been worked.

(c) That where it is or may become the established practice of an employer to require attendance on Sunday instead of Saturday, the Minimum Rates for Overtime as set out above shall apply in like manner as if in the provisions of this Notice as to Overtime, the word "Saturday" were substituted for "Sunday" and the word "Sunday" for "Saturday."

Note.—The hours which female workers, young persons and children are allowed to work are subject to the provisions of the Factory and Workshop Acts and of the Employment of Women, Young Persons and Children Act, 1920.

PART VI.

Provided that the certification or registration of a Learner may be cancelled if the other conditions of learnership are not complied with.

Provided that an Employer may employ a Female Learner on her first employment without a certificate or registration for a probation period not exceeding four weeks, but in the event of such Learner being continued thereafter at her employment, the probation period shall be included in her period of learnership.

Provided that, notwithstanding compliance with the conditions contained in this Section, a person shall not be deemed to be a Learner if she works in a room used for dwelling purposes, and is not in the employment of her parent or guardian.

RULES PUBLICATION ACT, 1893.

In conformity with the provisions of the Statute 56 and 57 Victoria, Chapter 66, notice is hereby given that the Secretary of State for India in Council proposes, with the advice and assistance of the Civil Service Commissioners, at the expiration of 40 days from the date of this Gazette, to make the following regulations for the examination of candidates for the Indian Civil Service under section 97 (1) and (2) of the Government of India Act:—

EXAMINATIONS FOR THE INDIAN CIVIL SERVICE. REGULATIONS.

1. An examination for admission to the Indian Civil Service, open to all qualified persons, will be held in London in July and August of each year for such number of appointments to that Service as the Secretary of State may on each occasion determine. The date of the examination will be announced beforehand by the Civil Service Commissioners.

2. Save as hereinafter provided a candidate must be a British subject. If the candidate (being a British subject) or his father or his mother was not born within His Majesty's Dominions and allegiance then at the time of his birth his father must have been a British subject or the subject of a state in India and such father must be or must have continued to be until his death a British subject or the sub-

ject of such State in India. Provided that a ruler or subject of any state in India, in respect of whom the Governor-General in Council has made a declaration under section 96 A of the Government of India Act, 1915, as amended by section 3 of the Government of India (Amendment) Act, 1916, may be considered eligible.

3. A candidate must have attained the age of twenty-one, and must not have attained the age of twenty-four on the first day of August of the year in which the examination is held, or must be in a position to claim such a concession under the provisions of the Appendix to these Regulations as will render him eligible.

4. A candidate who is a native of India must obtain a certificate of age and qualification under Regulations 2 and 3 issued under Notification of the Government of India, No. 1114, dated 12th September, 1918, and signed, should he be a resident in British India, by the Secretary to Government of the Province, or the Commissioner of the Division within which his family resides, or, should he reside in a Native State, by the highest Political Officer accredited to the State in which his family resides.

5. A candidate must be free from disease, constitutional affection, or bodily infirmity, unfitting him, or likely to unfit him, for the Indian Civil Service.

6. A candidate must be of good moral character.

7. No person will be eligible for admission to the Indian Civil Service who has made before any Tribunal established under the Military Service Acts, 1916, an application for the issue to him of a certificate of exemption from the provisions of those Acts on the ground of a conscientious objection to the undertaking of combatant service.

8. No person who, in a previous year, accepted the offer of a nomination as a Selected Candidate for the Indian Civil Service, and subsequently resigned his position as a Selected Candidate, will be admitted to the examination.

9. Should the evidence upon the above points be *prima facie* satisfactory to the Civil Service Commissioners, the candidate, on payment of the prescribed fee, will be admitted to the examination. The Commissioners may, however, in their discretion, at any time prior to the grant of the Certificate of Qualification hereinafter referred to, institute such further inquiries as they may deem necessary; and if the result of such inquiries in the case of any candidate should be unsatisfactory to them in any of the above respects he will be ineligible for admission to the Indian Civil Service, and, if already selected, will be removed from the position of a Probationer.

10. The examination will include the following subjects. The numerical value is shown against each subject:—

SECTION A.—Candidates are to take up all the subjects in this section.

| | Marks. |
|---|--------|
| 1. ESSAY | 100 |
| 2. ENGLISH | 100 |
| 3. PRESENT DAY.—Questions on con- temporary subjects, social, economic, and political | 100 |

the same candidate either in Section A, or *extra numerum*. For this 100 marks will be awarded not included in the 800 of Section A, or the 1,000 of Section B. Instead of a translation paper Candidates may also take as *extra numerum* subject either of the subjects 62 and 63.

In addition to taking one of the subjects 62 and 63 as *extra numerum*, Candidates whose mother tongue is an Indian language may take the other of these subjects in place of subject 5.

13. From the marks assigned to Candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

14. Moreover, if a Candidate's handwriting is not easily legible a further deduction will, on that account, be made from the total marks otherwise accruing to him.

15. A list of the competitors shall be made out in order of their proficiency as disclosed by the aggregate marks finally awarded to each competitor, and in that order so many competitors, up to the determined number of appointments, as are found by the Civil Service Commissioners to be qualified by examination, shall be designated to be Selected Candidates for the Indian Civil Service, provided that they appear to be duly qualified in other respects.

Should any Selected Candidate become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled or not. In the former case the Candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a Selected Candidate.

16. A Selected Candidate before proceeding to India will be on probation for one year or two years, as may be decided by the Secretary of State.

ONE-YEAR PROBATIONERS.

17. One-year probationers will at the end of the year of probation undergo an examination, called the Final Examination. The compulsory subjects and the marks allotted to them are as follows:—

Where alternative languages are given, the candidate is at liberty to choose between the alternatives.

18. One-year probationers may in addition offer in the Final Examination one of the following optional subjects:—

| | Marks. |
|---|--------|
| Hindu and Mohammedan Law | 450 |
| A Classical Language allowed under regulation 23 | 400 |

No candidate who offered Sanskrit or Arabic at the Open Competition may offer the same language at the Final Examination.

TWO-YEAR PROBATIONERS.

19. Two-year probationers will during their period of probation undergo two examinations, the Intermediate Examination at the end of the first year and the Final Examination at the end of the second year.

20. The subjects of the Intermediate Examination and the marks allotted to them are as follows, all the subjects being compulsory:—

| | Marks. |
|--|--------|
| 1. The principal Vernacular Language of the province to which the candidate is assigned | 400 |
| 2. Jurisprudence | 200 |

| 4. Indian History | 200 |
| 5. Notes of Cases | 200 |
| 6. Economics | 200 |

An Indian candidate whose mother tongue is the principal vernacular language of the province to which he is assigned must substitute British History, 1760-1914 in place of the vernacular language.

21. The compulsory subjects of the two-year probationers' Final Examination and the marks allotted to them are:—

| | Marks. |
|--------------------------------------|--------|
| 1. The Vernacular | 400 |
| 2. Indian Penal Code | 400 |
| 3. Code of Criminal Procedure | 200 |
| 4. Indian Evidence Act | 200 |
| 5. Hindu and Mohammedan Law | 400 |
| 6. Notes of Cases | 400 |
| 7. Indian History | 200 |
| 8. Economics | 400 |
| 9. Riding | 200 |

An Indian candidate whose mother tongue is the principal vernacular language of the province to which he is assigned must substitute European History, 1760-1914, in place of the vernacular language.

22. In addition a two-year probationer may offer as optional subject at the Final Examination a Classical Language allowed under regulation 23. To this subject 400 marks are allotted.

ONE-YEAR AND TWO-YEAR PROBATIONERS.

23. The principal vernaculars prescribed and the optional classical languages allowed for the various provinces are as follows:—

24. Candidates who at the Final Examination in riding satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of all the duties of the Indian Civil Service will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed.

Candidates who fall short of this adequate proficiency but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency will receive marks ranging between 1 and 100; they will be allowed to proceed to India, and will on their arrival there be subjected to such further tests in riding as may be prescribed by their Government, and shall receive no increase to their initial salary until they have passed such tests to the satisfaction of that Government.

A Candidate who fails at the end of the period of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding will be liable to have his name removed from the list of Selected Candidates.

Selected candidates will also be examined in riding at such time or times as the Commissioners may appoint during the course of the probationary period.

25. As in the open competitive examination deductions will be made from the marks assigned to Candidates at the Final Examination, and, in the case of two-year probationers, at the Intermediate Examination, in order that superficial knowledge may receive no credit.

26. The Civil Service Commissioners will prepare lists of the Candidates in order of merit; the order for the one-year probationers being based on the sum of the marks obtained by the Candidates at the Open Competitive and Final Examinations, the order for the two-year probationers being based on the sum of the marks obtained by the Candidates at the Intermediate and Final Examinations.

27. The Selected Candidates whose performance in the compulsory subjects of the prescribed examinations, namely, the Final Examination for one-year men and the Intermediate and Final Examinations for two-year men, is such as to satisfy the Civil Service Commissioners, and who have also satisfied the Commissioners of their eligibility in respect of nationality, age, health, character, and conduct during the period of probation, shall be certified by the Commissioners to be entitled to be appointed to the Indian Civil Service provided they shall comply with the regulations in force, at the time, for that Service.

If any Candidate is prevented by sickness or any other adequate cause from attending the Final Examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination.

A two-year probationer absent for such adequate cause from the Intermediate Examination may under similar conditions be allowed to appear at the Intermediate Examination a year later, or at a special examination, or may be excused the Intermediate Examination and allowed to appear for the Final Examination in regular course.

28. Persons desirous to be admitted as Candidates must apply on Forms, which may be

obtained from "The Secretary, Civil Service Commission, 6, Burlington Gardens, London, W. 1," at any time after the 1st December in the year previous to that in which the Examination is to be held. No person will be admitted to the Examination from whom the Secretary to the Civil Service Commissioners has not received, on or before the 1st June (or, if that date should fall on a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), in the year in which the Examination is to be held, an application, in the handwriting of the Candidate, on the prescribed form.

APPENDIX.

1. Any person who has joined since the 4th. August, 1914, the Army or Navy, or Royal Marines or the Royal Air Force, or has rendered since that date actual military service in the Special Reserve or Territorial Force, Royal Naval Reserve or Royal Naval Volunteer Reserve, may, if eligible in point of age under the Regulations as they now stand for admission to the open competitive examination held in 1920, but over age in 1921, deduct from his actual age at the time of the open competitive examination held in 1921:—

(a) The actual period of such service, if it has not exceeded three months.

(b) One year, if the actual period of service has exceeded three months. No candidate will be allowed to deduct more than one year from his actual age.

2.
