At the Court at *Buckingham Palace*, the 21st day of *November*, 1921.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 9th day of November, 1921 (C.W. 13448/21), in the words following, viz. :—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is

enacted, *inter alia*, that all pay, pensions or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman or Marine therein, shall be paid in such manner, and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

"And whereas Your Majesty was graciously pleased, by Your Order in Council bearing date the 22nd day of January, 1920, to sanction, *inter alia*, increased scales of pay, half pay and retired pay and revised rates of allowances for Officers of Your Majesty's Naval and Marine Forces, and paragraph 9, Schedule V., Section X. of that Order in Council provides that the rates of full pay, unemployed pay, half pay, retired pay, allowances and gratuities authorized under these regulations shall be subject to review on or after the 1st July, 1924:

"And whereas Your Majesty was further graciously pleased, by Schedule V., Section VI, of the aforesaid Order in Council to approve of Mates and Sub-Lieutenants appointed to perform Navigating duties receiving an allowance for such duties at the rate of 1s. 6d. a day:

"And whereas by the Regulations for the government of Your Majesty's Naval Service it was formerly provided that a Secretary to a Principal Naval Transport Officer should receive an allowance of 2s. 6d. a day, and no provision was made for the continuance of this allowance in conjunction with the new rates of pay authorized by the aforesaid Order in Council:

"And whereas in fixing the date on which the rates of certain of the Naval emoluments approved by the aforesaid Order in Council should be subject to review, it was not the intention of Your Majesty's Government similarly to fix a definite date for the future revision of Officers' Allowances generally:

"And whereas we are of opinion that the allowance granted to Mates and Sub-Lieutenants appointed for Navigating duties should not be greater than that granted for the performance of these duties, to Lieutenants and Lieutenant-Commanders who are not specialist Officers, viz., 1s. a day, and, further, that the allowance of 2s. 6d. a day to a Secretary to a Principal Naval Transport Officer should continue to be payable in conjunction with the improved rates of full pay:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to sanction the deletion of the word 'allowances' from paragraph 9, Schedule V., Section X., of Your Order in Council bearing date the 22nd day of January, 1920, and the abolition as from the 1st April, 1920, of the allowance of 1s. 6d. a day to Mates and Sub-Lieutenants (when appointed for Navigating duties) laid down in Schedule V., Section VI., of that Order, and to approve the following allowances, with effect from the 1st April, 1920, and the 1st July, 1919, respectively:—

"To Mates and Sub-Lieutenants, if appointed in lieu of a Lieutenant (N) in a Ship in which a qualified (N) Officer is allowed by complement but not borne ... 1s. 0d. a day.

"To Officers appointed as Secretary to a Principal Naval Transport Officer ... 2s. 6d. a day.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 21st day of *November*, 1921.

PRESENT,

"Whereas the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Oaksey is vested for an estate in fee simple without encumbrances in Charles Cyril Clarke, of Number 28, Broad Street, in the city of Bristol, Solicitor:

"And whereas the transfer of the Patronage of the said Benefice of Oaksey which is hereinbefore mentioned and hereinafter recommended and proposed will in our opinion tend

to make better provision for the cure of souls in the Parish or District in or in respect of which the right of Patronage or Advowson so recommended and proposed to be transferred as aforesaid arises or exists, that is to say, in the Parish of Oaksey:

"Now, therefore, with the consent of the said Charles Cyril Clarke (in testimony whereof he has signed and sealed this Scheme), and with the consent of the said George, Bishop of Bristol (in testimony whereof he has signed this Scheme and sealed the same with his Episcopal Seal), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Oaksey, now vested in him the said Charles Cyril Clarke as aforesaid, shall be transferred to the said George, Bishop of Bristol, and his successors in the same Bishopric, and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the said George, Bishop of Bristol, and by his successors in the same Bishopric for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

Where in any description any distance is given with reference to any street or road, such distance is measured from the centre of such street or road.

Where a distance is given with reference to the junction of any two streets or roads, such distance is measured from the point at which lines drawn along the centres of such streets or roads and produced would intersect each other.

A point described as opposite to any street or road is to be taken as being opposite the centre of such street or road.

All distances and lengths stated in the description of any work or narrow place are to be read as if the words "or thereabouts" had been inserted after each such distance or length.
