At the Court at *Buckingham Palace*, the 14th day of *July*, 1922.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS it is provided by the Petroleum Act, 1871, that His Majesty may, from time to time, make, revoke, and vary Orders in Council directing that the said Act or any part thereof shall apply to any substance, and that the said Act or the part thereof specified in any such Order shall, during the continuance of the Order, apply to such substance, and shall be construed and have

effect as if such substance had been included in the definition of Petroleum to which that Act applies, subject to the following qualifications:—

1. The quantity of any substance to which this Act is directed by Order in Council to apply which may be kept without a licence, shall be such quantity only as is specified in that behalf in such Order, or if no such quantity is specified no quantity may be kept without a licence.

2. The label on the vessel containing such substance shall be such as may be specified in that behalf in the Order:

And whereas the Petroleum Act, 1879, and the Petroleum (Hawkers) Act, 1881, are to be construed as one with the Petroleum Act of 1871, and may, together with such Act, be cited as the Petroleum Acts, 1871 to 1881:

And whereas Carbide of Calcium presents dangers similar to those presented by Petroleum:

Now, therefore, in pursuance of the above-mentioned provisions of the Petroleum Act, 1871, His Majesty is pleased, by and with the advice of His Privy Council, to order and prescribe that the under-mentioned parts of the Petroleum Acts, 1871 to 1881, shall apply to the said substance, Carbide of Calcium, in the same manner as if the said substance were Petroleum to which the Acts apply, viz.:—

The whole of the Petroleum Acts, 1871 to 1881, except:—

(a) So much of Section 6 of the Petroleum Act, 1871, as specifies the nature of the label to be on the vessel, in lieu of which the label shall be as hereinafter provided.
