The Civil Service Commissioners hereby give notice that the following Regulations are published with the consent of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS RESPECTING COMPETITIVE EXAMINATIONS FOR APPOINTMENTS IN THE FOREIGN OFFICE AND DIPLOMATIC SERVICE.

1. Candidates will be required to appear before a Board of Selection which will meet at the Office of the Civil Service Commission on the first Tuesday in May, and will decide which candidates possess suitable qualifications for entry into the Foreign Office or Diplomatic Service in order to enable them to compete at the examination prescribed below. Candidates may appear before this Board of Selection at any time after they have attained the age of nineteen; but a candidate who is not recommended for acceptance by the Board of Selection may not appear before that Board for interview a second time unless he is specifically notified after his first appearance that the Board will be prepared to see him again.

2. (i) Candidates must have attained the age of 22 and must not have attained the age of 25 on the first day of August in the year in which the Examination is held. In reckoning age for competition, candidates who have served in the Army, Navy or Air Force between the 4th August, 1914, and the 11th November, 1918, may deduct from their actual age any period of service between the 4th of August, 1914, and the 31st December, 1919.

(ii) No person will be eligible who obtained from any tribunal established under the Military Service Acts, 1916 to 1918, exemption from service in His Majesty's Forces under those Acts on the ground of a conscientious objection to the undertaking of military service, or, although not so exempted, declined to

comply with obligations imposed upon him by those Acts.

3. Candidates must be natural-born British subjects, and born within the United Kingdom or in one of the self-governing Dominions of parents also born within those territories, except when the circumstances are such as to justify a departure from the general rule, in which case they can be allowed to compete by special permission of the Secretary of State for Foreign Affairs, provided they fulfil the conditions of the rule in respect of nationality prescribed for candidates for admission to His Majesty's Civil Service as a whole, viz.:—

“No person will be eligible for appointment to the Civil Service who is not a natural-born British subject and the son of a father also a natural-born British subject; provided that exception may be made in the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners, and provided that exception may be made as regards the father in the case of candidates who have served in His Majesty's Armed Forces during the War.”

4. No person actually serving in the Army, Navy or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.
