*Civil Service Commission,
December 12, 1922.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the consent of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE COMPETITIVE SELECTION OF ASSISTANTS IN THE SCIENCE MUSEUM, BOARD OF EDUCATION.

N.B.—These Regulations are liable to alteration from time to time. Competitions do not take place at fixed intervals, but are held as occasion arises on the occurrence of vacancies. No date has at present been fixed for any competition under these Regulations.

1. *Age.*—Candidates must have attained the age of 22 and must not have attained the age of 26 on a date to be fixed in respect of the competition in which they are to take part. In exceptional cases the Board will be prepared to consider the appointment of persons above the age of 26.

2. *Nationality.*—Candidates must be natural-born British subjects and born of a father also a natural-born British subject; provided that exception may be made in the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners, and provided that exception may be made as to the father in the case of candidates who have served in His Majesty's Armed Forces during the War.

3. *Military Service.*—Until further order,

special consideration will be given to candidates who have served in His Majesty's Forces during the War.

No person will be eligible who obtained from any tribunal established under the Military Service Acts, 1916 to 1918, exemption from service in His Majesty's Forces under those Acts on the ground of a conscientious objection to the undertaking of military service, or, although not so exempted, declined to comply with obligations imposed upon him by those Acts.

4. *Publicity.*—The Board of Education will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which they desire to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

5. *Application.*—Application shall be addressed in the first instance to the Director of the Science Museum and shall be made on the appropriate form. The Director will examine the candidates' credentials and after a personal interview will submit the names of such candidates as appear to have the requisite qualifications for any of the existing or prospective vacancies to the Board of Education for approval of their candidature. Candidates thus approved shall be submitted to the Civil Service Commissioners, who, if dissatisfied with the number or quality of candidates for any vacancy may require further search to be made for qualified candidates.

6. *Education.*—Candidates must satisfy the Civil Service Commissioners that they have received such systematic education, general or technical, or general and technical together, as in their opinion fits them for the post. In general, candidates should possess a university degree or other equivalent qualifications, and should have post-graduate experience. The Commissioners may submit any or all the candidates to a qualifying examination to test such education, or any part of it.

7. *Health and Character.*—Candidates must satisfy the Civil Service Commissioners as to their health and character.

8. *Competitions.*—Candidates who are recommended by the Board of Education and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, and their decision will be final. The Selection Board shall be nominated by the Commissioners in consultation with the Board of Education who shall be represented on the Selection Board, and, when practicable, one of the Commissioners shall be the Chairman. The Selection Board will take into consideration the candidate's record of experience and education, any recommendations that they may receive from persons named by any candidate as having direct knowledge of his work in the past, and the personal qualities of the candidate as shown at this interview; and on their estimation of all the above evidence they will frame their decisions.

9. *Warning.*—Any attempt on the part of a candidate to enlist support for his application through Members of Parliament or other influential persons will disqualify him for appointment. The Selection Board will dis-
