By THE KING.

A PROCLAMATION.

GEORGE R.I

**W**HEREAS under the Coinage Act, 1870, it is lawful for Us, with the advice of Our Privy Council, from time to time by proclamation to direct the establishment of any branch of the Mint in any British Possession, and to impose a charge for the coinage of gold thereat, and determine the application of such charge, the extent to which the branch Mint is to be deemed part of the Mint, and the extent to which coins issued therefrom are to be current and to be a legal tender and to be deemed to be issued from the Mint:

AND WHEREAS by virtue of the said Coinage Act, 1870, as amended by the Coinage Act, 1891, and of a proclamation made under those Acts on the twenty-third day of January, one thousand nine hundred and eleven, it is lawful for Us, by and with the advice of Our Privy Council, from time to time by proclamation to regulate in the Union of South Africa any matters relative to the coinage and the Mint within the then present Prerogative of the Crown which are not provided for by the Coinage Act, 1870:

AND WHEREAS the Government of the Union of South Africa (in this Proclamation referred to as "the Union") has applied for the establishment of a branch of the Mint at Pretoria in the Province of the Transvaal, and provision

has been made by the Parliament of the Union for an annual grant of forty thousand pounds to defray the expenses of the branch Mint:

WE, THEREFORE, in pursuance of the said Acts and the said proclamation made thereunder, and of all other powers enabling Us in that behalf, do hereby, with the advice of Our Privy Council, proclaim, direct and ordain as follows:—

1. A branch of the Mint (in this Proclamation referred to as "the Pretoria Branch Mint") shall be established at or near Pretoria on such site as the Governor-General in Council may approve.

2. Gold coins of the same denominations, designs, weights and fineness as gold coins coined at the Mint may be coined at the Pretoria Branch Mint, and any gold coins so coined (in this Proclamation referred to as "sterling gold coins") shall be subject to the allowance of the same remedy as gold coins coined at the Mint.

3. The Master of the Mint shall prepare and transmit such dies as may be required for the sterling gold coins to be coined at the Pretoria Branch Mint.

4. The sterling gold coins coined in pursuance of this Proclamation at the Pretoria Branch Mint shall be deemed to have been issued from the Mint, and shall be current and a legal tender in like manner and to like extent as if they had been coined and issued in England.

5.—(1) If any person brings to the Pretoria

Branch Mint any gold bullion and requires the Deputy Master of the Branch Mint to assay, coin into sterling gold coins, and deliver out to him the same, the Deputy Master shall comply with the requisition on payment for every ounce troy of gold of standard fineness of a charge of three halfpence where the amount brought at any one time does not exceed five hundred ounces, and of a penny in any other case:

Provided that—

(a) Where the gold bullion so brought is such that it cannot be brought to the standard fineness of the coin to be coined thereout without refining the whole or some portion of it, the Deputy Master shall demand for assaying and refining the same such additional charge as the Governor-General in Council may from time to time fix, and until such charge is paid to him may refuse to receive, assay or coin that bullion; and

(b) Where the bullion brought to the Branch Mint for coinage is finer than the standard fineness of the coin to be coined thereout, there shall be delivered to the person bringing the same such additional amount of coin as is proportionate to that superior fineness; and

(c) No undue preference shall be shown to any person as respects the bullion brought to the Branch Mint, and every person shall have priority according to the time at which he brought the bullion to the Branch Mint; and

(d) The Governor-General in Council may make regulations for carrying into effect the provisions of this Article with respect to gold bullion, and the bringing, coining and delivery out thereof, and in particular for regulating the times and conditions at and under which it is to be so brought, assayed, coined and delivered out, and the minimum amount which may be so brought.

(2) The charges under this Article for coining, assaying and refining shall be collected by the Deputy Master of the Branch Mint in accordance with the regulations made under this Article, either as a payment in advance or as a deduction from the coin delivered out, or otherwise, and shall be accounted for and paid over in such manner as the Governor-General in Council directs to the Minister of Finance of the Union, to be paid by him into the Consolidated Revenue Fund of the Union.

6. Subject to the provisions of this Proclamation, the Pretoria Branch Mint shall be deemed to be part of the Mint, and accordingly—

(a) The Deputy Master of the Branch Mint shall comply with all directions which he may receive from the Master of the Mint, whether as regards the returns to be made or the delivery of coin for public use, or the transmission of specimen sterling gold coins to England, and otherwise; and

(b) The said specimen sterling gold coins shall be subject to trial of the pyx under section twelve of the Coinage Act, 1870, so, however, that they shall be examined separately from the coins coined in England or at any Branch Mint other than the Pretoria Branch Mint; and

(c) The Deputy Master of the Branch Mint and other officers and persons for the purpose of carrying on the business of the

Branch Mint may be appointed, promoted, suspended and removed, and their duties assigned and salaries awarded under section fifteen of the Coinage Act, 1870.

7. Nothing in this Proclamation shall be taken to prevent the coining at the Pretoria Branch Mint of any coins of whatever metal which the Minister of Finance of the Union has power under or by virtue of any Act of the Union for the time being in force to be caused to be made and issued for circulation in the Union, or of any other coins of whatever metal which the Governor-General in Council may from time to time authorise to be coined at the Pretoria Branch Mint:

Provided that—

(a) Coins, other than sterling gold coins, coined at the Pretoria Branch Mint shall not, for the purposes of the Coinage Act, 1870, or for the purposes of any Order in Council or Proclamation relating to the coinage of any part of Our Dominions, be deemed to be coins made at, or issued from, the Mint, or to be coins coined under the direction of the Master of the Mint; and

(b) The coining of such other coins shall be carried out subject to and in accordance with such regulations and conditions as may be made and imposed by the Master of the Mint.

8. The Governor-General in Council shall cause the store of bullion and coin at the Pretoria Branch Mint to be inspected half-yearly, and shall cause the persons inspecting the same to report thereon to the Deputy Master of the Branch Mint, stating the exact amount of bullion and coin inspected by them, and copies of the report shall be transmitted by the Deputy Master to the Governor-General and to the Master of the Mint in London.

9. The Master of the Mint shall in the execution of this Proclamation act in accordance with any Regulations made or directions given by the Lords Commissioners of Our Treasury.

10. In this Proclamation—

The expression "the Mint" means Our Royal Mint in England;

The expression "Deputy Master of the Branch Mint" includes any person who lawfully exercises at the Pretoria Branch Mint the authority of Deputy Master;

The expression "Governor-General" means the Governor-General of the Union and includes the officer for the time being administering the Government of the Union.

11.—(1) This Proclamation may be cited as the Pretoria Mint Proclamation, 1922.

(2) The Interpretation Act, 1899, applies to the construction of this Proclamation as it applies to the construction of an Act of Parliament.

(3) This Proclamation shall come into force on the first day of January, nineteen hundred and twenty-three, unless it is sooner promulgated in the Union, and in that case shall come into force on being so promulgated.

SECTION I.—In accordance with Section 3 (1) (c) of the Trade Boards Act, 1918, the Trade Board have declared the Normal Number of Hours of Work in the Trade to be as follows:—

In any week, 48.

On any day (other than Saturday), 9.

On Saturday, 5.

Provided that any other day (not being Sunday) may be substituted by an employer for Saturday as the weekly short day, and in such case the normal number of hours of work on such substituted day shall be 5, and the normal number of hours on Saturday shall be 9.

Provided also that all hours worked by a worker on Sundays and on Customary Public and Statutory Holidays shall be regarded as

overtime to which the Overtime Rates shall apply.

SECTION II.—The Minimum Rates for Overtime in respect of hours worked by a worker in excess of the declared normal number of hours shall be as follows:—

## (A) FOR WORKERS EMPLOYED ON TIME-WORK:

1. For the first two hours of overtime on any day, except Saturdays (or the weekly short day substituted therefor), Sundays, and Customary Public and Statutory Holidays, the Overtime Rate shall be one-and-a-quarter times the minimum rate otherwise applicable, that is to say, TIME-AND-A-QUARTER.

2. For overtime after the first two hours of overtime on any day except Sundays, and Customary Public and Statutory Holidays, and for all overtime on Saturdays (or the weekly short day substituted therefor), the Overtime rate shall be one-and-a-half times the minimum rate otherwise applicable, that is to say, TIME-AND-A-HALF.

3. For all time worked on Sundays and Customary Public and Statutory Holidays the Overtime Rate shall be twice the minimum rate otherwise applicable, that is to say, DOUBLE-TIME.

4. For all hours worked in any week in excess of 48 the Overtime Rate shall be Time-and-a-Quarter except in so far as higher overtime rates are payable under the provisions of paragraphs 2 and 3 of this Section. The Overtime Rate shall be payable where on any day (not being a Sunday or a Customary Public or Statutory Holiday) the number of hours worked exceeds 9 or, in the case of Saturday (or the weekly short day substituted therefor), exceeds 5, notwithstanding that the number of hours worked in the week does not exceed 48.

## (B) FOR WORKERS EMPLOYED ON PIECE-WORK:

Workers employed on Piece-Work shall receive in respect of each hour of overtime

worked, in addition to Piece-Rates, each of which would yield, in the circumstances of the case, to an ORDINARY worker, not less than the Piece-Work Basis Time-Rate applicable, a sum equivalent to one-quarter of the appropriate Piece-Work Basis Time Rate, one-half of the appropriate Piece-Work Basis Time-Rate or the appropriate Piece-Work Basis Time-Rate, according as the Overtime Rate which would have been payable under the provisions of paragraph (A) of this Section if the worker had been employed on Time-work, were TIME-AND-A-QUARTER, TIME-AND-A-HALF, or DOUBLE-TIME, respectively.  
Provided—

(a) That where it is or may become the established practice of an employer only to require attendance on 5 days a week, the Overtime Rate shall only be payable on such days after 9½ hours have been worked.

(b) That where it is or may become the established practice of an employer to require attendance only on alternate Saturdays, the Overtime Rate in the week in which attendance on Saturday is required shall only be payable after 50 hours have been worked.

(c) That where it is or may become the established practice of an employer to require attendance on Sunday instead of Saturday the Minimum Rates for Overtime as set out above shall apply in like manner as if in the provisions of this Notice as to Overtime the word "Saturday" were substituted for "Sunday" and the word "Sunday" for "Saturday."
