Civil Service Commission,

January 16, 1923.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the consent of the Lords Commissioners of His Majesty's Treasury, viz.:—

Regulations for the appointment by Competitive Selection of Inspectors or Assistant Inspectors under the Ministry of Agriculture and Fisheries for work in connection with Agricultural and Horticultural Education and Research.

N.B.—These Regulations are liable to alteration from time to time.

1. Application for appointment shall be made in the first instance to the Secretary, Ministry of Agriculture and Fisheries, at such time and in such manner as may be fixed by

the Ministry. When a vacancy occurs the Ministry will cause notice to be given by an advertisement in the Press, which will include a statement of the last day fixed for the receipt of applications.

2. A candidate for the post of Assistant Inspector must have attained the age of 22 and must not have attained the age of 32 on the last day fixed for the receipt of applications; provided that in reckoning age for this purpose a candidate who served in the Army, Navy or Air Force between the 4th August, 1914, and the 11th November, 1918, may deduct from his actual age any period of service between the 4th August, 1914, and the 31st December, 1919. For the post of Inspector the limits of age are 25 and 40.

3. A candidate must be a natural-born British subject and the child of a father also a natural-born British subject: provided that exception may be made in the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners, and provided that exception may be made as regards the father in the case of candidates who served in His Majesty's Armed Forces during the war.

4. Until further notice preference will be given to candidates who served in His Majesty's Forces during the war.

No person will be eligible who obtained from any tribunal established under the Military Service Acts, 1916 to 1918, exemption from service in His Majesty's Forces under those Acts on the ground of a conscientious objection to the undertaking of military service, or, although not so exempted, declined to comply with obligations imposed upon him by those Acts.

5. A candidate must satisfy the Ministry as to his academic and practical training in Agriculture or Horticulture. Preference will be given to candidates who have taken a course in Science, or Agriculture, or Horticulture, at a University, or at an Agricultural College. Where special qualifications are required particulars will be given in the advertisement.

6. The completed application forms will be scrutinised by the Ministry, and selected candidates will be interviewed by a Board consisting of representatives of the Ministry and of the Civil Service Commissioners, who will recommend those candidates whom they consider most suitable for appointment by the Ministry.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's previous work.

7. The necessary number of candidates will be appointed on probation subject to their satisfying the Civil Service Commissioners that they are eligible for appointment in respect of age, health and character, and to the payment of a fee of £4.

8. Service as Inspector or Assistant Inspector will be probationary for a period of two years, and the retention of the officer beyond that period will be conditional on the Ministry being satisfied that he has a good working knowledge of such of the subjects named in Appendix I as are required for his duties.

9. An Inspector or Assistant Inspector will then be eligible for consideration for appoint-
