AREA ORDER OF 1923.

The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1922, and of every other power enabling him in this behalf, hereby orders as follows:—

Area to which this Order Applies.

1. This Order applies to the Area described in the First Schedule hereto, referred to in this Order as "the Infected Area."

Restriction on Movement of Swine into, out of, or within Infected Area.

2.—(1) The movement of swine into or out of the Infected Area, or along or across any road or other highway, or by water, within the Infected Area, is prohibited except with a licence granted by an Inspector of the Local Authority in accordance with this Order: Provided that this Order shall not affect or prevent the movement of swine through the Infected Area direct by railway without avoidable delay if the animals are not untrucked within such Area.

(2) No swine shall be permitted by the owner or person in charge thereof to stray upon any road or other highway in the Infected Area.

Markets, etc., of Swine in Infected Area to be restricted to Fat Swine only.

3. No market, sale, or exhibition of swine shall be held in any market, fairground, sale-yard or place of exhibition in the Infected Area, unless it is restricted to fat swine intended for immediate slaughter, and then only in accordance with the following conditions, namely:—

(a) A licence shall be obtained from the Local Authority authorising the holding of the market, sale or exhibition.

(b) All swine exposed at such market, sale or exhibition shall be removed therefrom direct to a slaughterhouse, and shall be accompanied by a licence granted by an Inspector of the Local Authority specifying the slaughterhouse to which the swine are to be moved.

Licences for Movement of Swine into Infected Area.

4. Where the movement required is governed by the Regulation of Movement of Swine Order of 1922, the licence necessary under that Order shall be sufficient authority for the movement of swine into the Infected Area. Where the movement is not affected by the Regulation of Movement of Swine Order of 1922, a licence for the movement of swine into the Infected Area may be granted by an Inspector of the Local Authority of the place from which the swine are to be moved. The licence, which may be granted for movement for any purposes, shall be in the Form C with the necessary adaptation. No declaration is required to be produced to obtain the licence.

Licences for Movement of Swine within or out of the Infected Area.

5.—(1) Licences may be granted by an Inspector of the Local Authority for the following movements of swine from premises within the Infected Area to premises in or outside the Infected Area, viz. :—

From premises in the Infected Area (other than a market, fairground, saleyard or place of exhibition)—

(a) to a licensed market, sale or exhibition in the Infected Area (licence Form C); or

(b) to a slaughterhouse in or outside the Infected Area (licence Form C); or

(c) to private premises in or outside the Infected Area (licence Form A, or, if for breeding purposes, Form C); or

From a licensed Market, sale or exhibition in the Infected Area,—

to a slaughterhouse either within or outside the Infected Area (licence Form C).

(2) Before a licence (Form A) or (Form C) is granted under paragraphs (c) and (d) of this Article the owner of the swine, or his authorised agent shall sign and produce or send to the Inspector a declaration in the Form B set forth in the Second Schedule to this Order. The Inspector shall retain the declaration, and before granting the licence shall satisfy himself as far as practicable as to the correctness of the statements contained therein. No declaration is required before granting a licence for movement of swine to a licensed market, sale or exhibition, or to a slaughterhouse.

Conditions of Movement.

Detention and Isolation at Destination for 28 days of Swine moved with Licence (Form A.)

Marking of Swine moved to a slaughterhouse.

6.—(1) Swine moved with a licence (Form A) shall not, for a period of 28 days after arrival at the place of destination specified in the licence, be moved therefrom except to a bacon factory, or slaughterhouse, and then only if the swine are marked before the movement commences in the manner described in the next following paragraph of this Article, and are accompanied by a licence (Form C). Swine while detained during the said period of 28 days shall be kept separate from all other swine. This Article does not prohibit the movement of the carcase of a pig slaughtered on the premises during the said period of 28 days.

(2) Where swine are moved with a licence under this Order to a slaughterhouse, they shall, before the movement to the slaughterhouse commences, be marked by and at the expense of the owner, by the painting with an indelible composition of red colour of a broad line down the back and another broad line across the loins of each of the swine, thus +, each line being not less than nine inches long, and on arrival at the slaughterhouse the swine shall be detained there until slaughtered.

(3) Swine while being moved with a licence under this Order shall be moved as far as

practicable by the nearest available route and without avoidable delay to the place of destination specified in the licence and not elsewhere, and shall be kept separate as far as practicable from all other swine.

Provisions as to Licences.

7.—(a) Licences may be granted under this Order only by an Inspector of the Local Authority in whose district the movement commences;

(b) A movement licence shall not be granted by an Inspector if, in his opinion, it is undesirable to grant it, or for any movement of swine which is prohibited by the Regulation of Movement of Swine Order of 1922;

(c) Copies of licences authorising movement into the district of another Local Authority shall be sent by the Inspector issuing such licences to such other Local Authority;

(d) Licences must be delivered up at, or sent by post to, the nearest Police Station or to an officer of the Local Authority, immediately after completion of the movement by the owner or person in charge;

(e) Licences (other than licences—Form C—specifically marked “for Breeding purposes”) shall only be available for eight days including the day of issue, and shall accompany the animals throughout the movement. Licences (Form C) specifically marked “for Breeding purposes” shall be available for 28 days, inclusive of the date thereof. If required for the purpose of service, the swine referred to therein may be moved under the authority of the licence to the same premises either on one or two occasions within the said period of 28 days, and back to the original premises from which it was moved. The swine shall, on return to the original premises, be detained thereon for a period of 28 days from the date of return; provided that where movement on two occasions takes place under the licence the said period of 28 days’ detention shall commence on the date of return after the second movement;

(f) Licences shall be produced by the person in charge of the swine moved therewith on demand to an Inspector or Constable, and such person shall if required by such officer give his name and address.
