In the case of workers of 14½ years of age and under 21 years of age the rate applicable to a worker of any particular age specified in Section I shall only become payable on the first pay day in January or July, as the case may be, which corresponds with or immediately follows the date on which the worker attains such age. Until such time the rate payable shall be that applicable to a worker of the next lower age group.

NOTE.—In the case of Male Workers under 21 years of age employed on piece-work; each piece-rate paid must be such as would yield, in the circumstances of the case, to an ORDINARY WORKER of any particular age group as shown above, at least the equivalent of the General Minimum Time-Rate appropriate to such age group.

PART II.

OVERTIME RATES FOR MALE WORKERS UNDER 21 YEARS OF AGE.

Overtime Rates, calculated on the minimum rates of wages specified in Part I of this Schedule, in the manner set out in Part III of the Schedule of the Notice D.B. (7) to be the normal number of hours of work in the trade.

PART III.

APPLICATION OF THE MINIMUM RATES.

SECTION I.

(7), dated 30th January, 1923.

SECTION II.

For the purpose of this Notice the Scrap Metal Branch of the Trade is that branch of the Trade specified in Part IV of the Schedule to the Trade Board's Notice D.B. (7), which is engaged in the collecting, sorting, grading, or breaking of scrap iron or other scrap metal, where the collecting, sorting or grading of other waste materials is not carried out to a substantial extent in connexion therewith.

SECTION III.

Notwithstanding anything contained in this Notice the above Minimum Rates shall not apply to Male Workers who are engaged in the loading or discharging of water-borne craft in any Section of the Trade.

PART IV.

GENERAL PROVISIONS.

SECTION I

The above minimum rates of wages must be paid clear of all deductions other than deductions under the National Insurance Act, 1911, as amended by any subsequent enactments, or deductions authorised by any Act to be made from wages in respect of contributions to any Superannuation or other Provident Fund.

SECTION II

The above minimum rates of wages are without prejudice to workers who are earning higher rates of wages or to agreements made or that may be made for the payment of wages in excess of the minimum rates

Signed by Order of the Trade Board and in pursuance of an Order of the Minister of Labour confirming the Minimum Rates of Wages as fixed by the Trade Board and set out above and specifying the 19th November, 1923, as the date from which they should become effective.

DISEASE) ORDER OF 1923 (No 9).

The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1922, and of every other power enabling him in this behalf, hereby orders as follows:—

Meaning of Terms.

1. In this Order:—

“A Prohibited Area” means an Area in which the movement of animals is hereby prohibited;

“A Controlled Area” means an Area in which the movement of animals is hereby controlled;

The Prohibited Areas and the Controlled Areas are described in the Schedule hereto. If any farm (excluding any detached part) is partly within and partly outside a Prohibited Area, the whole shall be deemed to be within that Area. Subject to this provision, if any farm (excluding any detached part) is partly within and partly outside a Controlled Area, the whole shall be deemed to be within such Area;

“Animals” means cattle, sheep, goats and pigs;

“Slaughterhouse” means premises used habitually and solely for the purpose of slaughtering animals, but does not include a slaughterhouse which forms part of a farm.

Restrictions in Force in a Prohibited Area.

2.—(a) No animals shall be moved into or out of a Prohibited Area, except as herein-after provided;

(b) No animals shall be moved along or across any road or other highway, or by water, within a Prohibited Area, or be permitted by the owner or person in charge thereof to stray upon any such road or highway;

(c) No market, sale or exhibition of animals shall be held in a Prohibited Area;

(d) No slaughterhouse manure or refuse shall be moved out of a Prohibited Area or be brought into contact with animals in a Prohibited Area.

Control of Dogs in Prohibited Areas.

3.—(a) Dogs in a Prohibited Area shall at all times, except whilst in a dwelling-house, be kept under control by being:—

(i) confined in a kennel or other enclosure from which the dog cannot escape; or

(ii) secured to some premises by a collar and chain; or

(iii) accompanied by the owner or some person deputed by him and under effectual control.

(b) Any dog which is not kept under control, as prescribed by this Order, may be seized by the Local Authority, or by the Police, and any dog so seized shall be dealt with in the same manner as a stray dog seized under the powers conferred by section three of the Dogs Act, 1906, is thereby authorised to be dealt with. No dog so seized shall be given or sold for the purpose of vivisection.

Provision for Movement into a Prohibited Area of Animals for Immediate Slaughter.

4. Animals may be moved from premises outside a Prohibited Area to a slaughterhouse in any borough or urban district in the Prohibited Area, subject to the following conditions:—

(i) A licence authorising the movement must be obtained from an Inspector of the Local Authority of the destination before the movement commences. This licence must accompany the animals throughout the whole movement;

(ii) The animals must be put on rail at a station outside a Prohibited Area and be

moved by railway without being untrucked within a Prohibited Area until arrival at the railway station nearest to the place of destination: Provided that where the distance from the railway station in a Prohibited Area to the place of destination is greater than the distance to be covered within the Area, if the movement were to take place by road, the Inspector granting the licence may specify therein any other route if he thinks it desirable, and may require the animals to be moved by float.

Restrictions in Force in a Controlled Area.

5.—(a) No animal shall be moved out of a Controlled Area except into a Prohibited Area. Such movement shall be limited to animals intended for immediate slaughter, as provided in the preceding Article.

(b) No animal shall be moved without a licence under Articles 4 or 6 of this Order:—

(c) No animal shall be permitted by the owner or person in charge thereof to stray upon any road or other highway in a Controlled Area;

(d) No market, sale or exhibition of animals shall be held in a Controlled Area, except a market or sale for fat animals intended for immediate slaughter, or a sale of animals on farm premises. A licence must be obtained from the Local Authority to hold any such market or sale, and a Veterinary Inspector of the Local Authority shall attend and examine the animals exposed thereat;

(e) No slaughterhouse manure or refuse shall be moved out of a Controlled Area or be brought into contact with animals in such Area.

Movement of Animals by Licence into or within a Controlled Area.

6.—(1) Licences may be granted by an Inspector of a Local Authority for the following movement of animals only:—

(a) From premises outside a Prohibited Area and Controlled Area to a slaughterhouse in a Controlled Area;

(b) From a farm in a Controlled Area to a licensed fat stock market or fat stock sale in such Area;

(b) Licences shall not permit movement on any road in a Prohibited Area, or movement out of a Controlled Area, in order to reach a destination in the latter Area;

(c) Occupation Licences may be withdrawn at any time by a notice served by an Inspector of the Local Authority on the person to whom such licence was granted;

(d) Licences, other than Occupation Licences, must be delivered up at or sent by post to the nearest Police Station, or to an Officer of the Local Authority, immediately after completion of the movement;

(e) Licences, other than Occupation Licences, shall only be available for four days, including the day of issue, and shall accompany the animals throughout the movement;

(f) Animals while being moved with a licence under this Order shall be moved as far as practicable by the nearest available route and without avoidable delay to the place of destination specified in the licence, and not elsewhere, and shall be kept separate, as far as practicable, from all other animals;

(g) Copies of licences authorising movement into the district of another Local Authority shall be sent by the Inspector issuing such licences to such other Local Authority;

(h) Licences shall be produced by the person in charge of the animals moved therewith on demand to an Inspector or to a Constable, and such person shall, if required by such officer, give his name and address.

8. This Order shall not prevent the movement of animals direct by railway through the Prohibited Areas, or through the Controlled Areas, or both, if the animals are not untrucked within such Areas.

In such cases the owner of the animals in such places, or his agents or servants, may enter for the sole purpose of feeding or tending the animals, but no other persons shall enter any such place until such notice has been withdrawn by a further notice from an Inspector, unless he has obtained a licence to do so from an Inspector of the Ministry or of the Local Authority;

(2) Copies of such notices shall be affixed or exhibited by the Inspector in such manner as he may think desirable for ensuring notification of the restrictions thereby imposed;

(3) Copies of such notices, when served, shall be sent to the Ministry.
