COLORADO BEETLE ORDER OF 1923.

(DATED 6TH DECEMBER, 1923.)

(D.I.P. 538.)

The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Destructive Insects and Pests Acts, 1877 and 1907, and of every other power enabling him in this behalf, orders as follows:—

Commencement.

1. This Order shall come into operation on the seventeenth day of December, nineteen hundred and twenty-three.

Restriction on Importation of Living Plants, Potatoes and Tomatoes.

2. For the prevention of the introduction of the Colorado Beetle, the landing in England

or Wales of any living plants, potatoes, or tomatoes shipped from any port in European France is hereby prohibited, unless the landing thereof is authorised by a licence issued by an Inspector, or unless each consignment is accompanied by the certificate or copy certificates, as the case may be, specified below:—

(a) In the case of living plants grown in France and included in the First Schedule to this Order, and of potatoes grown in France, two copy certificates in the form specified in the Third Schedule to the Destructive Insects and Pests Order of 1922, issued by an Officer of the French Services d'Inspection Phytopathologique after inspection of the consignment, and endorsed by him with a statement in the form specified in the Second Schedule hereto. The original of such certificates shall also be endorsed to the like effect and forwarded by post by the exporter to the Horticulture Division of the Ministry of Agriculture and Fisheries, 10, Whitehall Place, London, S.W. 1, before the consignment is despatched.

(b) In the case of living plants grown in France to which paragraph (a) of this Article does not apply, and of tomatoes grown in France, a certificate issued by an Officer of the French Services d'Inspection Phytopathologique in the form specified in the Second Schedule hereto.

(c) In the case of living plants, potatoes and tomatoes not grown in France, two copy certificates in the form specified in the Third Schedule to the Destructive Insects and Pests Order of 1922, issued by a duly authorised Official of the country of origin, or a certificate of origin *visé* by a Local Authority in the country of origin: the country and place where the produce was grown shall be stated in such certificate. The certificate or one of the copy certificates (as the case may be) prescribed in this Article shall be delivered to an Officer of Customs at the same time and together with the entry relating to the consignment.

Disposal of living plants, potatoes and tomatoes landed in contravention of this Order.

3. Living plants, potatoes or tomatoes shipped from any port in European France and landed in England or Wales without such a licence or certificate or copy certificates as are prescribed in this Order shall be forthwith destroyed by and at the expense of the importer unless the living plants, potatoes or tomatoes are authorised to be disposed of otherwise by a licence issued by an Inspector, and any person failing to comply with the provisions of this Article as to destruction or with the conditions (if any) imposed by such licence shall, on conviction, be liable to a penalty not exceeding ten pounds.

Powers of Entry.

4. An Inspector may, upon production if so required of his appointment or authority, enter any premises and examine anything on such premises which he may suspect as being landed in contravention of this Order; and any person who shall wilfully obstruct or impede the Inspector in the exercise of his powers of entry or examination shall be liable on conviction to a penalty not exceeding ten pounds.
