1. The Orders described in the Second Schedule to this Order are hereby revoked.

Meaning of Terms.

2. In this Order:—

“An Infected Area” means an Area described in the First Schedule hereto, and any other area which is declared by an Order of the Minister to be an Infected Area for the purposes of this Order.

If any farm, holding, park or enclosure (excluding any detached part) is partly within and partly outside an Infected Area, the whole shall be deemed to be within that Area.

(c)—1. No cattle, sheep, goats or pigs shall be permitted by the owner or person in charge thereof to stray upon any road or other highway in an Infected Area.

2. The occupier of any park or enclosure in which deer are kept shall, if such park or enclosure is within an Infected Area, take all practicable steps to prevent the straying of any such deer out of the park or enclosure.

(d) No market, sale or exhibition of animals shall be held in an Infected Area, except a market or sale of fat animals intended for immediate slaughter, or a sale of animals on farm premises. A licence must be obtained from the Local Authority to hold any such market or sale, and a Veterinary Inspector of the Local Authority shall attend and examine

(These licences may be made available for movement as often as required if the Inspector endorses the licence “Occupation Licence”.)

(2) Where a licence is granted by an Inspector of a Local Authority under paragraph (b) for the movement of animals from premises outside any Infected Area to a farm in an Infected Area, or under paragraph (e) for movement from one farm to another in an Infected Area, it shall be a condition of the licence that the animals shall on arrival at the destination specified in the licence be detained thereon for a period of twenty-eight days, and during that period the animals shall not be removed from the premises for any purpose. Provided that this provision shall not apply to licences granted in respect of the movement of animals for breeding purposes.
