Whitehall, September 10, 1924.

The KING has been pleased to give and grant unto Commander Samuel Robinson, C.B.E., R.D., R.N.R. (retired), Captain of the Canadian Pacific s.s. "Empress of Canada," His Majesty's Royal licence and authority to wear the Cross of the Second Class of the Order of Naval Merit (with white badge), which Decoration has been conferred upon him by His Majesty the King of Spain, in recognition of valuable services rendered by him to the members of the Spanish Legation at Tokio at the time of the recent earthquake disaster.

Whitehall, September 10, 1924.

His Majesty The KING has been graciously pleased to award the Edward Medal to Mr. William Roberts, Quarryman, in the following circumstances:—

On the 15th January, 1924, four men were engaged in clearing away the debris from a landslide which had blocked a road abutting on the Dorothea Slate Quarry in Carnarvonshire. Without any warning a portion of the road slipped into the quarry carrying with it one of the men who fell to the bottom and was killed. A second man named Robert Jones narrowly escaped the same fate but managed to clutch the edge of the road in his fall. Roberts, one of his fellow workers, at once went to his assistance; he seized Jones by the wrists and managed to drag him to safety.

Roberts undoubtedly performed a very courageous act; there was little firm ground left and such as it was it might well have given way at any moment. But for his action Robert Jones would certainly have lost his life as he could hold on no longer when Roberts reached him and there is a clear drop of 240 ft. to the bottom of the quarry.
