

ELECTRICITY (SUPPLY) ACTS,
1882 to 1922.NEWARK-UPON-TRENT ELECTRICITY SPECIAL
ORDER, 1924.

NOTICE is hereby given that the Electricity Commissioners have submitted to the Minister of Transport for confirmation under the above-mentioned Acts a Special Order made by them for the supply by the Mayor Aldermen and Burgesses of the Borough of Newark-upon-Trent of electricity within the Borough of Newark-upon-Trent in the County of Nottingham.

The Minister of Transport proposes to confirm the Order and gives notice that any person affected who may be desirous of objecting to the confirmation of the same must in accordance with the Electricity (Confirmation of Special Orders) Rules 1921 do so by memorial addressed to the Minister of Transport written on one side only of foolscap paper and sent by registered post addressed to the Secretary, Ministry of Transport, 6, Whitehall Gardens, London, S.W. 1, and posted not later than the 22nd day of December, 1924. A copy of any such memorial must also be sent in like manner to H. Tallents, Esq., Town Clerk, Town Clerk's Office, Newark-upon-Trent, or to Messrs. Dyson Bell and Company, 3A, Dean's Yard, Westminster, London, S.W. 1, Parliamentary Agents for the Order. Such Memorial must be sealed or signed by the person objecting or by some responsible and duly authorised person on his behalf and must state the specific grounds of objection to the Order and the modifications desired.

Copies of the Order as submitted for confirmation may be obtained at a price not exceeding two shillings each at the offices of the before-mentioned Town Clerk and Parliamentary Agents.

Dated this 21st day of November, 1924

J. R. BROOKE,

Secretary.

Ministry of Transport,
6, Whitehall Gardens,
(131) London, S.W. 1.

Electricity Commission.—November 1924.

ASHFORD ELECTRICITY.

THE Urban District Council of Ashford (hereinafter referred to as "the Council") whose address is at the Council Offices, Ashford, in the County of Kent, have applied to the Electricity Commissioners under the Electricity (Supply) Acts 1882 to 1922 for a Special Order for the following objects:—

(a) To authorise the Council to generate, transform and distribute electrical energy for all public and private purposes as defined by the above Acts within the Urban District of Ashford, the Rural District of East Ashford and the Rural District of West Ashford (hereinafter referred to as "the area of supply");

(b) To authorise the Council on the lands hereunder described to erect construct maintain work and use a station or stations

together with all such buildings works and other plant, machinery and apparatus as may be suitable or necessary for generating electricity (that is to say):—

A piece of land situate in the urban district of Ashford in the county of Kent containing 2.6 acres or thereabouts being the south western portions of the enclosures numbered 269 and 270 on the $\frac{25}{500}$ Ordnance Map Kent Sheet LXV. 5 (Edition 1907) belonging or reputed to belong to the Southern Railway Company bounded on the north-east by the remainder of the said enclosures on the south-east by a footpath leading from the cattle market to Jemmett Road on the south-west by a piece of land belonging or reputed to belong to Dorothy Elizabeth Cotterell and numbered 271 on the said map and on the north-west by Gasworks Lane which said piece of land is coloured pink on the plan deposited in relation thereto at the office of the Electricity Commission.

(c) To provide that the powers of the Kent Electric Power Company and the South East Kent Electric Power Company Limited respectively to supply electrical energy in any part of the area of supply shall be limited to giving supplies of electrical energy for power purposes and (where any such supply is given to any premises) for lighting purposes to an extent to be prescribed in the Order and to provide further that neither of those Companies shall supply electrical energy in the area of supply without the consent of the Council or to make such other provisions for the restriction of or partial repeal of the respective powers of those Companies as may be deemed expedient.

(d) To empower the Council to sell electric lines, fittings, apparatus and appliances for lighting, heating and motive power and for all other purposes for which electricity can be used, and to fit up show-rooms and offices and exhibit specimen installations and give demonstrations of the uses to which electrical energy can be put.

(e) To authorise the Council to exercise within the area of supply the powers usually conferred on distributors of electrical energy.

2. The names of the streets and parts of streets in which electrical lines are to be laid down within a specified time are as follows:—

(A) In the urban district of Ashford—

New Street, High Street, East Hill, Hythe Road, Maidstone Road from Chart Road to a point opposite Highworth, Magazine Road from New Street to Queen's Road, Queen's Road, Albert Road, North Street, Canterbury Road, Gore Hill from Magazine Road to a point opposite Gore Hill House Wellesley Road from High Street to Somerset Road, Western Avenue, Godinton Road from Western Avenue to Gasworks Lane, Gasworks Lane, Bank Street, Elwick Road, Station Road, Dover Place, Victoria Road, Beaver Road from Railway Station to Christchurch Road, Christchurch Road, Jemmett Road, Rising Road and Hill Brow Road.
