Civil Service Commission,
December 30, 1924.

The Civil Service Commissioners hereby give notice that an Open Competitive Examination of candidates for entry as Aircraft Apprentices to the Royal Air Force will be held at Belfast, Birmingham, Chatham, Edinburgh, London, Plymouth and Portsmouth on the 17th April, 1925.

No person will be admitted to compete from whom the Secretary of the Civil Service Commission has not received, on or before the 5th March, an application, in the handwriting of the candidate, on a prescribed form, which may be obtained from the Secretary at once.

Civil Service Commission,
December 30, 1924.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS FOR THE APPOINTMENT BY COMPETITIVE SELECTION OF LIVE STOCK OFFICERS UNDER THE MINISTRY OF AGRICULTURE AND FISHERIES.

N.B.—*These Regulations are liable to alteration from time to time.*

1. Application for appointment shall be made in the first instance to the Secretary, Ministry of Agriculture and Fisheries, at such time and in such manner as may be fixed by the Ministry. When a vacancy occurs the Ministry will cause notice to be given by advertisement in the Press, which will include a statement of the last day fixed for the receipt of applications.

2. A candidate must have attained the age of 25 and must not have attained the age of 45 on the last day fixed for the receipt of applications; provided that in reckoning age for this purpose a candidate who served in the Army, Navy or Air Force between the 4th August, 1914, and the 11th November, 1918, may deduct from his actual age any period of service between the 4th August, 1914, and the 31st December, 1919.

3. A candidate must be a natural-born British subject and the child of a father also a natural-born British subject; provided that exception may be made in the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners, and provided that exception may be made as regards the father in the case of candidates who served in His Majesty's Armed Forces during the Great War between the 4th August, 1914, and the 11th November, 1918.

4. Until further notice preference will be given to candidates who served in His Majesty's Forces during the War between the 4th August, 1914, and the 11th November, 1918.

No person will be eligible who obtained from any tribunal established under the Military Service Acts, 1916-1918, exemption from service in His Majesty's Forces under those Acts on the ground of conscientious objection to the undertaking of military service, or, although not so exempted, declined to comply with obligations imposed upon him by those Acts.

5. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

6. A candidate must satisfy the Ministry as to his practical knowledge and experience of farming and of stock-breeding, especially of the breeding and the management of pedigree stock (including dairy cattle). He should also have had experience of milk-recording.

7. The completed application forms will be scrutinised by the Ministry, and selected candidates will be interviewed by a Board consisting of representatives of the Ministry and of the Civil Service Commissioners, who will recommend those candidates whom they consider most suitable for appointment by the Ministry.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's previous work.

8. The necessary number of candidates will be appointed on probation, subject to their satisfying the Civil Service Commissioners that they are eligible for appointment in respect of age, nationality, health and character, and to the payment of a fee of £4.

9. Service as Live Stock Officer will be probationary for a period of two years, and the retention of an officer beyond that period will be conditional on his passing a prescribed examination after the expiry of that period.

10. A Live Stock Officer, after passing the examination, is eligible for consideration for appointment to the established staff. Appointment to the established staff is conditional on the issue by the Civil Service Commissioners of a certificate of qualification; a fee of £4, being the balance of the prescribed fee of £8, is payable before the certificate of qualification can be issued.
