

ORDER OF THE MINISTER OF
AGRICULTURE AND FISHERIES.

(DATED 21ST DECEMBER, 1925.)

DISEASES OF ANIMALS (DISINFEC-
TION) ORDER OF 1925.

The Minister of Agriculture and Fisheries, by virtue of and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1925, and of every other power enabling him in this behalf, hereby orders as follows:—

Prescribed Method of Disinfection

1.—(1) The provisions referred to in the Schedule hereto which relate to the use for disinfection of limewash or of a particular disinfectant, or of one of several disinfectants shall, after the commencement of this Order have effect as if, for the requirement of the use of limewash or disinfectant or disinfectants specified or described in such provisions, there were substituted a requirement of the use of either:—

(a) a five per cent. solution of standard phenol; or

(b) a disinfectant approved by the Minister for the purposes of this Order, if

used at the dilution at which such disinfectant is approved.

(2) Where under any Order mentioned in the Schedule hereto the disinfection is carried out by the use of a disinfectant specified in paragraph (1) of this Article, it shall not be necessary, notwithstanding any provision in the Order, to apply limewash to the place or thing disinfected.

Commencement.

2. This Order shall come into operation on the first day of February, nineteen hundred and twenty-six.

Revocation.

3. The Diseases of Animals (Disinfection) Order of 1906 is hereby revoked.

Short Title.

4. This Order may be cited as the DISEASES OF ANIMALS (DISINFECTION) ORDER OF 1925.

In witness whereof the Official Seal of the Minister of Agriculture and Fisheries is hereunto affixed this twenty-first day of December nineteen hundred and twenty-five.

(L S.)

F. L. C. Floud,
Secretary.
