FRIDAY, 8 JANUARY, 1926.

At the Court at Buckingham Palace, the 16th day of December, 1925.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of December, 1925 (C.W. 4967/25), in the words following, viz.:—

“Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

“And whereas by Section 2 of the Officers of Royal Naval Reserve Act, 1863, it is

enacted, *inter alia*, that the Admiralty may enrol Officers of the Reserve to the Royal Navy under, and subject to, such Rules, Orders and Regulations as the Admiralty may, with the consent of Your Majesty in Council, from time to time establish:

“And whereas by the Naval Forces Act, 1903, it is enacted that the Admiralty shall have power to raise and maintain a Force to be called the Royal Naval Volunteer Reserve, and that any Volunteer enrolled under this Act, when serving for training afloat or called out for actual service shall be deemed to be serving in Your Majesty's Naval or Marine Force within the meaning of the Naval and Marine Pay and Pensions Act, 1865:

“And whereas by clause 9 of Section X of Schedule V to Your Order in Council bearing date the 22nd day of January, 1920, and by certain subsequent Orders, Your Majesty was graciously pleased to direct that the rates of full pay, unemployed pay, half pay, retired pay and gratuities authorized therein for Officers of Your Majesty's Naval, Marine, Naval Reserve and Naval Volunteer Reserve

Forces should be subject to revision on or after the 1st day of July, 1924 :

“ And whereas we are of opinion that all rates of full pay, unemployed pay, half pay and retired pay duly authorized and in course of payment on the 30th day of June, 1924, to such Officers (hereinafter referred to and denoted as ‘ standard rates ’) should, except as otherwise provided in the Schedule attached hereto, be reduced by approximately five and one half per cent. with effect from the 1st day of July, 1924, and that a corresponding reduction should be made with effect from the same date in certain allowances (namely those referred to in the Schedule attached) payable to such Officers :

“ And whereas we are further of opinion that revised standard rates of full pay, unemployed pay and half pay should be instituted for certain Officers of Your Majesty’s Naval, Marine, Naval Reserve and Naval Volunteer Reserve Forces who enter the Service, or are promoted to certain ranks or are granted certain commissions as specified in paragraph 4 of Part I of the Schedule attached hereto on or after the 5th October, 1925, and that such revised rates should be comparable with the standard rates authorized by Your Majesty’s Order in Council of the 22nd January, 1920, and subsequent Orders in Council, and should be subject to revision on the same dates and in the same manner, as prescribed in the Schedule to this Order :

“ We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to establish :—

“ (1) Revised rates of full pay, unemployed pay, half pay, and certain allowances for Officers of Your Majesty’s Naval, Marine, Naval Reserve and Naval Volunteer Reserve Forces generally (hereinafter referred to and denoted as ‘ current rates ’) with effect from the 1st July, 1924 :

“ (2) Revised standard rates of full pay, unemployed pay and half pay for the Officers specified in paragraph 4 of Section 1, of the Schedule attached hereto, and that such rates shall be reduced by approximately five and one half per cent. to the rates shown in the Schedule to this Order, and hereinafter referred to and denoted as ‘ current rates,’ with effect from the 5th day of October, 1925 :

“ (3) The revised rules for computing the retired pay of Officers of Your Majesty’s Naval and Marine Forces set forth in the attached Schedule with effect from the 1st day of July, 1924, and in substitution for the corresponding rates and rules in force prior to that date :

“ (4) That the current rates and revised rules prescribed by this Order shall be subject to further review on or after the 1st day of July, 1927 :

“ Provided that nothing in this Order shall be taken to modify in any way the regulations or conditions governing the payment of any emolument mentioned therein, but only the amount thereof.

“ The Lords Commissioners of Your Majesty’s Treasury have signified their concurrence in this proposal.

“ SCHEDULE.

“ SECTION I—GENERAL.

“ 1. In this Schedule the term ‘ standard rate ’ or ‘ standard scale ’ denotes the rate of full pay, unemployed pay, half pay, or allowance, or the scale of retired pay, as the case may be, duly authorized for Officers of the rank or ranks specified on the 30th day of June, 1924, or rates subsequently established by this or other Order as being comparable with those established by Order in Council of the 22nd January, 1920, and being subject to revision at the same dates and in the same manner; likewise the term ‘ current rate ’ denotes the corresponding rate of full pay, unemployed pay, half pay, or allowance, as the case may be, applicable with effect as from the 1st day of July, 1924, in substitution for the aforesaid standard rates; or to be introduced on or after the 5th October, 1925, for certain Officers entered, promoted to certain ranks or granted certain commissions as specified in paragraph 4 of this Section on or after that date.

“ 2. The aforesaid ‘ current rates ’ are to be subject to further review on or after the 1st day of July, 1927.

“ 3. Ships or Establishments, or whilst called out for actual service in war or emergency.

“ 4. The ‘ standard ’ and ‘ current ’ rates of full pay, unemployed pay and half pay shown in Sections III, VI, clause (ii), and VII, Part II, respectively, of this Schedule are to apply to Officers of the Royal Navy and Royal Marines of the ranks specified therein who enter the Service on or after the 5th October, 1925, (including Naval Cadets who have not passed out of the R.N. College, Dartmouth, before the 5th October, 1925,) or are promoted to Mate or Mate (E), or are granted a Commission in the Royal Marines under Order in Council of the 11th February, 1913, Clause 1, on or after 5th October, 1925. They will not apply to Special Entry Cadets, Naval Cadets from Mercantile Marine Training Establishments, Paymaster Cadets and Probationary Officers, Royal Marines entered direct by examination whose date of entry was prior to 5th October, 1925. The rates of full pay shown in Section III will also apply to Officers of the Royal Naval Reserve and Royal Naval Volunteer Reserve entered or re-entered on the permanent lists of these Reserves on or after the 5th October, 1925, and to Officers entered or re-entered in the Special Reserve of Royal Marines on or after that date when undergoing training or being otherwise eligible for full pay, but will not apply to Officers of the Royal Naval Reserve, Royal Naval Volunteer Reserve and Special Reserve of Royal Marines entered as Probationary Officers before that date.

“ 5. The rates shown in this Schedule are daily rates unless otherwise specified.

" SECTION VIII.—Revised rules for computing the retired pay of retired Officers of the Royal Navy and Royal Marines.

1. Subject to the exceptions stated in the second paragraph below, the revised rules in paragraph 3 of this Section shall apply to all rates of retired pay of Officers of the Royal Navy and Royal Marines authorized by Order in Council of the 22nd January, 1920, and subsequent Orders, and, subject to the same exceptions, shall apply to the retired pay of all Officers in receipt of such rates and with effect from the 1st day of July, 1924.

2. The revised rules of this Section shall not apply to:—

(a) Retired pay reckoned at rates which were established prior to Order in Council of the 22nd January, 1920.

(b) Retired pay granted to certain Officers retired under the provisions of the Special Retirement Schemes sanctioned by Orders in Council of the 14th July, 1922, and 16th January, 1924, *i.e.* those whose retired pay was therein specifically exempted from subsequent reduction.

(c) Additional retired pay for disablement, and except as provided in paragraph 3 (c) below, disability retired pay awarded under the provisions of Order in Council of the 11th October, 1923.

(d) Pensions for wounds and other injuries awarded under the provisions of Chapter LII, King's Regulations and Admiralty Instructions.

3. Revised Rules.

(a) Retired pay reckoned at the Officer's half pay rate:—

In such cases the revised rates of half pay shown in Section VII of this Schedule shall apply.

(b) Retired pay reckoned at other than a half pay rate:—

(i) A reduction at the rate of five and one half per cent. shall be applied to the Officer's yearly rate of retired pay reckoned according to the appropriate standard scale as defined in section I of this Schedule, provided that if the resulting yearly rate is not an integral multiple of ten shillings it shall be increased or decreased to the nearest ten shillings per annum; exact amounts of five shillings or fifteen shillings being increased to ten shillings or one pound respectively in favour of an Officer.

(ii) In cases where an Officer has commuted a portion of his retired pay and the latter is subject to revision in accordance with the above rules, the reduction to be made from his remaining retired pay shall be determined by applying the rules to the rate of retired pay of which he would have been in receipt if he had not commuted.

(iii) In cases where an Officer, retired under the provisions of Order in Council of the 12th day of October, 1925, and previous Orders embodied therein, is in receipt of a reduced rate of retired pay based on a standard rate, his rate of retired pay shall be subject to further reduction at the rate of five and one half per cent.

(c) The standard scales of disability retired pay referred to below are to be reduced as indicated.

(i) The scale for the Officers referred to at (a) of the third paragraph to the first Schedule to the Order in Council of the 11th October, 1923, shall be reduced by five pounds and ten shillings throughout and the addition for each complete year of service not exceeding three shall be reduced from ten pounds to nine pounds and ten shillings.

(ii) The scale for the Officers referred to at (b) of the third paragraph of the same Schedule shall be reduced by three pounds and ten shillings throughout.

(iii) The scale for the Officers referred to at (c) of the third paragraph of the same Schedule shall be reduced by two pounds and ten shillings throughout."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

M. P. A. Hankey.

At the Court at Buckingham Palace, the 16th day of December, 1925.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 12th day of December, 1925 (C.W. 4967/25), in the words following, viz.:—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

"And whereas under Your Order in Council bearing date the 9th day of March, 1921, special rates of full pay were granted, under certain conditions to married and widower Warrant Officers, Royal Navy and Royal Marines, within the scales prescribed for officers of that rank by Your Order in Council bearing date the 22nd day of January, 1920:

"And whereas by Your Order in Council of this date Your Majesty has been graciously pleased to prescribe, *inter alia*, that all rates of full pay in course of payment to Officers of Your Naval and Marine Force on the 30th day of June, 1924, shall be reduced by approximately five and one-half per cent., with effect from the 1st day of July, 1924:

"And whereas we are of opinion that certain modifications are necessary in the rules

governing the grant of special rates of pay to married and widower Warrant Officers prescribed by Your Order in Council bearing date the 9th day of March, 1921, in consequence of the introduction of such revised rates of full pay (hereinafter referred to and denoted as 'current rates'):

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to establish the conditions set forth in the attached Schedule, with effect from the 1st day of July, 1924, to be subject to further review on, or after, the 1st day of July, 1927.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal.

" SCHEDULE.

"A Warrant Officer who prior to 1st July, 1924, was not entitled to a special rate of pay under Order in Council, dated the 9th March, 1921, by reason of the fact that his emoluments as a rating before promotion (as defined in that Order) were not greater than his former minimum rate of pay as a Warrant Officer on the ordinary scale, shall be eligible for a special rate of pay, if such emoluments (as defined in the following paragraph) exceed his current rate of pay as Warrant Officer.

"2. Emoluments as a rating on promotion in such cases shall be taken as:—

"(a) Pay, badge pay, non-substantive pay and kit upkeep allowance at the rates received at the time of promotion, and

"(b) Marriage Allowance calculated with reference to the Officer's condition as regards wife and children at the date of promotion, *but at the rates applicable to such condition in force on 1st July, 1924.*

"3. A special rate of pay granted to a Warrant Officer under the provisions of Order in Council dated the 9th March, 1921, either,

"(a) in the circumstances set forth in the first paragraph of this Schedule, or

"(b) by virtue of promotion to Warrant rank on or after 1st July, 1924,

shall be calculated to the nearest multiple of 2d. above, if not already a multiple of 2d., instead of to the nearest multiple of 6d. above as laid down in Order in Council dated the 9th March, 1921.

"4. A Warrant Officer who was granted a special rate of pay under Order in Council dated the 9th March, 1921, and who subsequently qualified by length of service for a higher rate of pay on the normal scale applicable to his rank shall be allowed to revert to the special rate of pay formerly granted if his current rate of pay on the normal scale is less than such special rate (subject to the special rate not being in excess of the current maximum rate of pay laid down for his rank)."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

21. GERMAN ZONE.

That part of the North Sea to the eastward of long. $4^{\circ} 00'$ E. and between lat. $53^{\circ} 00'$ N. and lat. $56^{\circ} 30'$ N.

The foregoing caution has been rendered necessary owing to danger of sunken mines on the bottom. Attention is drawn to the cautionary note on the charts on this subject.

The areas defined above, with the exception of a portion of No. 19 and the whole of No. 21, are shown in *red* on the chartlet accompanying the Notice, which is intended to provide a ready means of reference.

II. GENERAL INFORMATION REGARDING MINES.

1. Mariners are warned that a certain number of mines have sunk without exploding. It is possible that some of these mines lying on the bottom may still be dangerous. Surface

vessels navigating these areas should therefore, whenever possible, have a clear depth of at least six feet (1^m8) between their keels and the bottom when in the vicinity of shoal water or in the approaches to ports and harbours which were subjected to mining operations during the war.

2. In removing prohibition upon vessels trawling, it is pointed out that a risk, although of a diminishing character, still exists.

The attention of all vessels trawling is drawn to the immunity which may be secured by the use of a suitable protective device to prevent mines entering the trawl.

As can be readily understood, it is not possible to predict for how long a period sunken unexploded mines remain dangerous, and consequently no unnecessary risk should be taken.

3. Mariners are notified that a small percentage of drifting mines are known to exist in a waterlogged condition, a fraction of which may be dangerous. This type of mine is hard to see, and special precautions are therefore necessary to ensure that a good lookout is kept. The striking of low floating flotsam should be avoided.

4. A serious accident has occurred to a vessel at anchor from the explosion of a drifting mine which came into contact with an obstruction on the hull.

When vessels have to anchor in areas where drifting mines may be found it is necessary that all obstructions should as far as possible be removed and gangways triced up before dark in order to minimise risk.

5. In regard to the great importance of the destruction of mines with a view to prevention of loss of life and shipping, attention of Masters is called to the necessity for strict compliance with the provisions of Chapter II., "Admiralty Instructions for British Merchant Ships," June 1919, with Addendum No. 1, and especially Section xiii., which includes the following:—

"Whenever practicable, vessels should attempt to sink or destroy mines by gun or rifle fire, but no mine is to be sunk in any fairway where the depth of water at low water spring tides is less than 7 fathoms (12^m8), except when a mine is drifting towards a vessel at anchor, and no vessel is to approach within 200 yards (182^m9) of a mine whilst attempting to sink or destroy it.

"The attention of Masters is drawn to the great desirability of taking every opportunity of sinking drifting mines, as their co-operation will help to free the seas of them within a reasonable period."

The Admiralty award for sinking or destroying a mine is only applicable to the territorial waters of the United Kingdom and Irish Free State.

Before hoisting the mine flag or reporting a mine which has been left afloat, every care should be taken to confirm that the object actually is a mine, in order to prevent unnecessary confusion; the mine flag is a square flag white over blue diagonal.

Note.—This Notice is a repetition of the former Notice quoted above.
