ORDER OF THE MINISTER OF AGRICULTURE AND FISHERIES.

(DATED 5TH MARCH, 1926.)

The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1925, and of every other power enabling him in this behalf, hereby orders as follows:—

Authorisation of Landing of Pedigree Sheep from New Zealand.

1. The landing of the sheep described in the First Schedule hereto is hereby allowed, subject to the provisions of Part II (Quarantine) of the Third Schedule to the Diseases of Animals Act, 1894, and of the Foreign Animals (Quarantine) Order of 1896, and of this Order.

Definition of Quarantine Station.

2. The premises described in the Second Schedule hereto are hereby defined as a Foreign Animals Quarantine Station for the purpose of the landing and detention of the sheep under this Order.

Regulations Applicable to Animals before and on Landing.

3.—(1) The sheep shall not be landed in Great Britain unless and until there are delivered to a proper officer of Customs the certificates and declarations prescribed by this Article, namely:—

(a) a certificate signed by a duly authorised officer of the Dominion of New Zealand to the effect that at the time of the shipment of the animals both the sheep and also the whole of the Dominion were free from foot-and-mouth disease, sheep pox and cattle-plague;

(b) a certificate signed by the Secretary of the Corriedale Flock Book, or by some person authorised to act on his behalf, to the effect that the said sheep were at the time of shipment from the Dominion duly registered as pedigree stock in the Corriedale Flock Book;

(c) a statutory declaration from the shipper that the fodder and litter accompanying the sheep are products of the Dominion of New Zealand;

(d) a statutory declaration from the Master of the Vessel in which the sheep are carried to Great Britain that during the whole of the voyage from New Zealand no cattle, sheep, goats, other ruminating animals or swine have been carried on the vessel from any port except sheep shipped at a port in New Zealand; that the sheep have been kept separate from all other animals during the voyage; that no other fodder or litter for the use of any animal on the vessel has been shipped during the voyage to Great Britain at any port or place outside the Dominion of New Zealand, and that whilst the said sheep were on board, the vessel did not enter a port in a prohibited country for the purposes of the Foreign Animals Order of 1910.

(2) The sheep, before being landed, shall be examined by a Veterinary Inspector of the Ministry, and if found by him to be free from symptoms of contagious disease, shall forth-
