At the Court at *Buckingham Palace*, the 3rd day of *May*, 1926.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by Section ten of the Government of Ireland Act, 1920, it was provided that certain powers should as from the appointed day become powers of the Council of Ireland and not of the Governments and Parliaments of Southern Ireland and Northern Ireland:

And whereas by the Irish Free State (Consequential Provisions) Act, 1922, it was provided that the appointed day for the transfer in relation to Northern Ireland of such powers as aforesaid should be such day as might thereafter be fixed by Order in Council, not being earlier than such date as was therein mentioned:

And whereas by an agreement confirmed by the Ireland (Confirmation of Agreement) Act, 1925, it was agreed that in relation to Northern Ireland such powers as aforesaid should be transferred to the Parliament and Government of Northern Ireland, and by the said Act it was provided that the date for such transfer shall be the first day of April, nineteen hundred and twenty-six, and that that date shall, in relation to the transfer of those powers, be the appointed day for the purposes of the Government of Ireland Act, 1920:

And whereas by virtue of the powers conferred by Section sixty-nine of the Government of Ireland Act, 1920, various Orders in Council (including those hereinafter mentioned) have been made for adapting enactments, so far as they relate to Northern Ireland, regulating the powers so to be transferred as aforesaid:

And whereas the provisions of Section one of the Rules Publication Act, 1893, have been complied with:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

1.—(1) This Order may be cited as the Government of Ireland (Transfer of Powers of the Council of Ireland) Order, 1926.

(2) The Interpretation Act, 1889, applies to the interpretation of this Order in like manner as it applies to the interpretation of an Act of Parliament.

2. As from the first day of April, nineteen hundred and twenty-six, the following Orders shall be revoked; that is to say:—

(*a*) The Provisional Government (Council of Ireland) Order, 1922;

(*b*) The Diseases of Animals (Northern Ireland) Order, 1924;

(*c*) The Fisheries (Northern Ireland) Order, 1925.

4. The transfer of the said powers shall not affect the Government of Ireland (Railway and Canal Commission) Order, 1923, unless and until provision is made by the Parliament of Northern Ireland for the abolition as respects Northern Ireland of the Railway and Canal Commission or the substitution of some other body therefor.

Civil Service Commission,
May 21, 1926.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE COMPETITIVE SELECTION OF ASSISTANTS IN THE VICTORIA & ALBERT MUSEUM, BOARD OF EDUCATION.

N.B.—*Competitions under these Regulations are open both to men and women. Competitions do not take place at fixed intervals, but are held as occasion arises on the occurrence of vacancies. The Regulations are liable to alteration from time to time.*

1. Candidates must have attained the age of 22 and shall as a rule not exceed the age of 26 on the 1st April of the year in which the competition is held. In exceptional cases the Board will be prepared to consider the appointment of persons above the age of 26. In reckoning age for competition the following allowances will be made, viz.:—

(*a*) Candidates who have served or who are serving in the Army, Navy or Air Force may deduct from their actual age any time during which they have so served.

(*b*) Candidates who have served for two full consecutive years in the Royal Irish Constabulary may deduct from their actual age any time not exceeding five years which they may have spent in such service.

(*c*) Candidates who have served in any established civil situation to which they were admitted with the Certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Candidates must be natural-born British subjects and born of a father also a natural-born British subject, provided that exception may be made in the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners, and provided that exception may be made as regards the father in the case of candidates who have served in His Majesty's Armed Forces during the Great War between the 4th August, 1914 and the 11th November, 1918.

3. Until further order, special consideration will be given to candidates who have served in His Majesty's Forces during the War.

No person will be eligible who obtained from any tribunal established under the Military Service Acts, 1916 to 1918, exemption from service in His Majesty's Forces under those Acts on the ground of a conscientious objection to the undertaking of military service, or, although not so exempted, declined to comply with obligations imposed upon him by those Acts.

4. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy or Air Force, will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

5. The Board of Education will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which they desire to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

6. Application shall be addressed in the first instance to the Director of the Victoria & Albert Museum and shall be made on the appropriate form. The Director will examine the candidates' credentials, and after a personal interview will submit the names of such candidates as appear to have the requisite qualifications for any of the existing or prospective vacancies to the Board of Education for approval of their candidature. Candidates thus approved shall be submitted to the Civil Service Commissioners, who, if dissatisfied with the number or quality of candidates for any vacancy may require further search to be made for qualified candidates.

7. Candidates must satisfy the Civil Service Commissioners that they have received such systematic education, general or technical, or general and technical together, as in their opinion fits them for the post. In general, candidates should possess a university degree or other equivalent qualifications. The Commissioners may submit any or all of the candidates to a qualifying examination to test such education, or any part of it.

8. Candidates must satisfy the Civil Service Commissioners as to their health and character. Female candidates must be unmarried or widows, and will be required to resign their appointments on marriage.

Until further order, and other things being equal, preference will be given by the Selection Board to candidates who are debarred from active employment by a physical impairment due to the War and not of a nature to interfere with the effective discharge of his duties as a Museum Officer.

9. Candidates who are recommended by the Board of Education and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will

recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, and their decision will be final. The Selection Board shall be nominated by the Commissioners in consultation with the Board of Education, who shall be represented on the Selection Board, and, when practicable, one of the Commissioners shall be the Chairman. The Selection Board will take into consideration the candidate's record of experience and education, any recommendations that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidate as shown at this interview; and on their estimation of all the above evidence they will frame their decisions.

10. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the university, in the Forces, or otherwise.

11. If a qualifying examination is held, each candidate subjected thereto will be required to pay a fee of £3. A Selected Candidate will be required to pay a fee of £8 towards which the fee paid at the qualifying examination (if any) will count, before the issue of the certificate of qualification for appointment.
