PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, duly prepared, and laid before His Majesty in Council, a Scheme bearing date the 19th day of January, 1928, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for effecting a transfer of the ownership of the Advowson or perpetual right of Patronage of and presentation to the Church and Cure (hereinafter called 'the said Benefice') of Shuttington, in the County of Warwick and in the Diocese of Birmingham:

"Whereas the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Shuttington is vested for an estate in fee simple without incumbrances in the Right Honourable Algernon George de Vere, Earl of Essex:

"And whereas the Right Reverend Ernest William, now Bishop of Birmingham, is willing to accept such transfer, and in token of such his willingness and also in token that the same transfer has that consent of the Bishop of the Diocese which by the Acts in the hereinbefore mentioned Act recited or by some or one of them is made necessary, he, the said Ernest William, Bishop of Birmingham, has executed this Scheme as hereinafter mentioned:

"And whereas the transfer of the Patronage of the said Benefice of Shuttington which is hereinbefore mentioned and hereinafter recommended and proposed will in our opinion tend to make better provision for the Cure of Souls in the Parish or District in or in respect of which the right of Patronage or Advowson so recommended and proposed to be transferred as aforesaid arises or exists, that is to say, in the Parish of Shuttington:

"Now, therefore, with the consent of the said Algernon George de Vere, Earl of Essex (in testimony whereof he has signed and sealed

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

(2) A veterinary surgeon or veterinary practitioner who under and in accordance with this Order gives notice of the existence or suspected existence of sheep scab to an Inspector of the Local Authority shall be entitled to receive from the Local Authority a fee of two shillings and sixpence for each notification.

(3) Where two or more animals or carcasses are examined by a veterinary surgeon or veterinary practitioner on the same premises and at the same time and are found to be affected with sheep scab, or are suspected of being so affected, one fee only shall be payable to him in respect of the notification of the existence or suspected existence of sheep scab in such animals or carcasses.

Duty of Inspector to serve Detention Notice in Suspected Cases.

3.—(1) Subject to the provisions of Article 13 of this Order, an Inspector of a Local Authority on receiving in any manner whatsoever information of the existence, or supposed existence, of sheep scab, or having reasonable ground to suspect the existence

of sheep scab, shall proceed with all practicable speed to the place where such disease exists, or is suspected to exist, and shall forthwith serve a Detention Notice (in the Form A set forth in the First Schedule to this Order or to the like effect) on the owner or person in charge of any sheep, which appear to the Inspector from the information received by him or otherwise, to be affected with sheep scab, and thereupon it shall not be lawful for any person, while such Notice is in force—

(a) to move from or out of the place of detention specified in the Notice, except as hereinafter provided, any of the sheep therein described or any other sheep that may be in such place; or

(b) to move any other sheep into such place; or

(c) to permit any sheep to stray from or out of such place; or

(d) to permit any other sheep to come in contact with any sheep detained under the Notice; or

(f) to remove from or out of such place any dung, fodder, litter or thing that has been in contact with sheep detained under the Notice, without the written permission of an Inspector of the Local Authority:

Such licence shall only be granted on the following conditions, namely:—

(i) That the sheep shall previous to movement be marked by or at the expense of the owner by the stamping or painting with an indelible composition of red colour of a broad line down the back, and another broad line across the loins of each of the sheep, thus + each line being not less than nine inches long;

(ii) That the sheep while being so moved shall be kept separate from all other sheep until their arrival at the slaughterhouse;

(iii) That any of the sheep which show clinical signs of being affected with sheep scab shall be moved in a float, cart, or van, which shall immediately after being used for such purpose be cleansed and disinfected in the manner described in Article 11 of this Order; and

(iv) That the fleeces of sheep so slaughtered shall not be removed from the slaughterhouse unless and until they have been thoroughly disinfected by and at the expense of the owner of the fleeces by being thoroughly immersed for at least one minute in an approved sheep dip under the supervision of an Inspector of the Local Authority.

Where the slaughterhouse is in the District of another Local Authority the licence shall not be granted unless the consent of that Local Authority to the movement of the sheep into their District has been previously obtained, and a copy of the licence, if and when granted, shall be sent by the Inspector granting it, to that Local Authority.

(2) An Inspector of the Local Authority, on the application of the owner or person in charge of any sheep detained under a Notice (Form A), and if satisfied that their movement to some other place of detention is expedient for purposes of isolation, feeding or other necessary purpose, may serve a further Detention Notice (Form A) on the owner or person in charge of the sheep prescribing such other place as a place of detention for the sheep, and thereupon such sheep may be moved, subject to the directions and under the supervision of the Inspector, by the nearest available route and without unnecessary delay, to such other place of detention, and, when so moved, shall be there detained and isolated in accordance with such further Notice. Subject to the foregoing provisions of this paragraph, the original Notice (Form A) shall remain in force with regard to the place of detention therein prescribed until withdrawn in the manner hereafter provided, but it shall be so withdrawn as soon as the Local Authority is satisfied that the place of detention specified therein has been disinfected in the manner prescribed in Article 11 of this Order.

Provided that (a) where movement along, over or across a highway, road or lane is involved of sheep which show clinical signs of being affected with sheep scab, such sheep shall be moved in a float, cart, or van, and (b) where the place of detention to which it is proposed to move the sheep is in the District of another Local Authority, such further Notice shall not be served unless the consent of that Local Authority to the movement of the sheep into their District has been previously obtained. Any float, cart, or van shall, immediately after being used for the purpose of this provision, be cleansed and disinfected in the manner described in Article 11 of this Order.

(3) A Notice under this Article shall remain in force until it is withdrawn by a further Notice in writing (in the form B set forth in the First Schedule to this Order or to the like effect) signed by an Inspector of the Local Authority.

Veterinary Enquiry by Local Authority as to existence of Sheep Scab.

4.—(1) A Local Authority on receiving information of the existence or suspected existence, of sheep scab shall forthwith cause enquiry to be instituted as to the correctness of such information with the assistance and advice of a Veterinary Inspector.

(2) The owner and occupier of any premises on which there is or has been a sheep affected with, or suspected of sheep scab, or the carcase of any such sheep, shall give all reasonable facilities for an enquiry under this Article and under Article 6 of this Order.

Action where Sheep Scab is found not to exist.

5. If it shall appear from the enquiry under the preceding Article that sheep scab does not

exist and has not within 56 days existed on any premises, the Local Authority shall forthwith cause the withdrawal of any Detention Notice served under this Order in respect of sheep to which the enquiry relates.

Power of Appeal to Minister as to Existence of Sheep Scab.

6.—(1) If it shall appear from the enquiry under Article 4 that sheep scab exists or has within 56 days existed on any premises, the Veterinary Inspector of the Local Authority shall forthwith make and sign a report of his diagnosis on the Form D1 set forth in the First Schedule to this Order or to the like effect, and forward the same immediately to the Local Authority. He shall at the same time deliver or send a copy of such report to the owner or person in charge of the sheep and also to the Minister, and where it appears to the Veterinary Inspector that if delivered in the ordinary course the copy of the Report (Form D1) may not reach the owner or person in charge of the sheep by the morning of the day following the date of the report, he shall also send telegraphic notification thereof to the owner or person in charge of the sheep on the same day that the report is dated. The Veterinary Inspector may mark for the purpose of identification any sheep which he finds affected with sheep scab.

(2) If the owner or person in charge of the sheep is not satisfied as to the accuracy of the diagnosis made by the Veterinary Inspector of the Local Authority, he may within three days after the date of the Veterinary Inspector's report, give notice of objection thereto in writing to the Local Authority. Such notice shall state the reasons for the objection and shall be accompanied by a certificate from a veterinary surgeon in support of the objection.

(3) Upon receipt of any such notice of objection the Local Authority shall forthwith cause a copy of such notice and of the accompanying veterinary surgeon's certificate to be sent to the Minister, and shall also furnish to the Minister such information as he may require and any materials on which the diagnosis of the Veterinary Inspector of the Local Authority was based.

(4) On receipt of such information the Minister shall cause the sheep to be examined, where practicable, by a Veterinary Inspector of the Ministry, who shall submit to the Chief Veterinary Officer of the Ministry the result of his examination, together with all material necessary to enable the Chief Veterinary Officer to consider the accuracy of the diagnosis made by the Veterinary Inspector of the Local Authority.

(5) The Chief Veterinary Officer of the Ministry shall consider the information and examine any materials submitted to him by the Local Authority and the Ministry's Inspector, and a certificate signed by him or on his behalf shall, for the purposes of this Order, be conclusive evidence of the existence or otherwise of sheep scab.

(6) If notice of objection is not given in accordance with paragraph (2) of this Article, the Veterinary Inspector shall, after the expiration of the period of three days aforesaid, make and sign a certificate in the form D2 set forth in the First Schedule to this Order or to the like effect, and forward it

immediately to the Local Authority, and also forward a copy thereof to the owner or person in charge of the sheep and to the Minister. Such certificate shall, for the purposes of this Order, be conclusive evidence of the existence of sheep scab.

(7) If any sheep in respect of which notice of objection has been given in accordance with paragraph (2) of this Article is slaughtered without the written consent of the Minister or is dipped in any manner whatsoever or otherwise treated for sheep scab, before the examination of the sheep in accordance with paragraphs (4) and (5) of this Article has been concluded and the requisite certificate signed by or on behalf of the Chief Veterinary Officer of the Ministry has been given, the Veterinary Inspector of the Local Authority shall thereupon proceed as in paragraph (6) of this Article, and the provisions of paragraphs (2) to (5) shall cease to apply.

(8) If the certificate of the Chief Veterinary Officer under paragraph (5) of this Article does not confirm the diagnosis of the Veterinary Inspector of the Local Authority as to the existence of sheep scab, the Local Authority, on being so informed by the Minister, shall forthwith proceed as prescribed in Article 5 of this Order. (*Action where Sheep Scab is found not to exist.*)

Procedure where Sheep Scab is found to exist by a Veterinary Inspector of the Ministry.

7.—(1) Where a Veterinary Inspector of the Ministry is of opinion that sheep scab exists or has within 56 days existed, on any premises, he shall, unless his examination is made in pursuance of instructions given under Article 6 (4) of this Order, forthwith make and sign a report to that effect and forward the same immediately to the Local Authority. The Veterinary Inspector of the Ministry shall at the same time deliver or send a copy of the report to the owner or person in charge of the sheep and also to the Ministry, and shall also submit to the Chief Veterinary Officer of the Ministry the information and any materials upon which his diagnosis was based.

(2) A certificate signed by or on behalf of the Chief Veterinary Officer of the Ministry, after consideration of such information and materials, shall, for the purposes of this Order be conclusive evidence of the existence or otherwise of sheep scab. If such certificate confirms the diagnosis of the Veterinary Inspector as to the existence of sheep scab, the Minister shall cause the Local Authority to be so informed, and the provisions of this Order shall thereupon apply to the premises and the sheep except that in such cases it shall not be necessary for the Local Authority to cause veterinary enquiry to be made as to the existence of sheep scab in accordance with Article 4 of this Order.

(3) If such certificate does not confirm the diagnosis of the Veterinary Inspector as to the existence of sheep scab, the Local Authority on being so informed by the Minister, shall forthwith proceed as prescribed in Article 5 of this Order. (*Action where sheep scab is found not to exist.*)

Treatment of Sheep where Sheep Scab is found to exist.

8.—(1) If a certificate is made and signed by a Veterinary Inspector of a Local Authority in the form D2, or by the Chief Veterinary Officer of the Ministry under Article 6 or Article 7 of this Order, that sheep scab exists or has within 56 days existed on any premises, the owner or person in charge of sheep detained under the Detention Notice (Form A) shall, with all practicable speed, cause all such sheep to be treated for sheep scab in accordance with directions in writing given by the Veterinary Inspector (which shall include a requirement that such sheep shall be double-dipped in the presence and to the satisfaction of an Inspector of the Local Authority) and shall also, if so required in writing by an Inspector of the Local Authority, from time to time cause all or any of such sheep to be further treated or double-dipped for sheep scab.

Provided that sheep which have been dipped under and in accordance with this Article shall not be required to be again dipped until after the expiration of seven clear days.

(2) Where sheep scab is found to exist in a place specified in a Detention Notice (Form A) served under this Order, such Notice shall not be withdrawn until the Local Authority are satisfied by a final examination by a veterinary inspector that all the sheep remaining in the place of detention specified in such Notice are free from sheep scab, that all such sheep have since the service of the Detention Notice (Form A) been thoroughly treated and double-dipped in accordance with the directions given in pursuance of paragraph (1) of this Article, and that the place of detention has been disinfected in accordance with the provisions of Article 11 of this Order: Provided that where no sheep remain in the place of detention, the Detention Notice (Form A) shall be withdrawn by the Local Authority as soon as they are satisfied that the place of detention has been disinfected in the manner prescribed in Article 11 of this Order.

(3) If it shall appear to the Veterinary Inspector of the Local Authority that sheep scab has been introduced by sheep moved from the District of another Local Authority, or if it shall appear that sheep which have been exposed to the risk of infection have been moved into the District of another Local Authority, or are in the District of another Local Authority on land which is adjacent to a place of detention or otherwise, the Local Authority shall as soon as possible furnish full particulars of the circumstances to the Local Authority of such other District, and on receipt of such information the Local Authority of such other District shall forthwith proceed in accordance with the provisions of Article 9 of this Order.

Service of Isolation and Dipping Notices in respect of sheep exposed to infection.

9.—(1) For the purpose of preventing the spread of sheep scab, an Inspector of the Local Authority shall serve an Isolation Notice (in the Form C set forth in the First Schedule to this Order or to the like effect) on the owner or person in charge of any sheep which he has reason to believe have been

in contact with any sheep affected with or suspected of sheep scab, or have been otherwise exposed to the infection of sheep scab, and thereafter until the Notice is withdrawn by a further Notice (in the Form F set forth in the First Schedule to this Order or to the like effect) signed by an Inspector of the Local Authority, the sheep to which the Notice relates shall not—

(a) be moved from the premises where the sheep are at the time of the service of such Notice, except with a licence in the Form H set forth in the First Schedule to this Order granted by an Inspector of the Local Authority, and then only to a slaughterhouse for slaughter thereat or to other premises for detention and isolation in accordance with the provisions of the Notice; or

(b) be permitted to stray from or out of the said premises; or

(c) be permitted to come in contact with other sheep.

(2) If it shall appear from a veterinary enquiry made under this Order that sheep scab exists or has within 56 days existed on any premises, an Inspector of the Local Authority shall serve on the owner or person in charge of any sheep which the Inspector has reason to believe have been moved from such premises and have been in contact with any affected or suspected sheep on such premises or have been otherwise exposed to infection, an Isolation Notice (Form C) unless this has already been served under the preceding paragraph of this Article, and shall also serve on the owner or person in charge of such sheep a Dipping Notice (in the Form E set forth in the First Schedule to this Order or to the like effect) requiring that such sheep shall, before such date as shall be stated in the Notice, be double-dipped by the owner or person in charge thereof, in the presence and to the satisfaction of an Inspector of the Local Authority of the District where the sheep are. The dippings shall be carried out on such dates and at such dipping places as shall be required by an Inspector of the Local Authority:

Provided that—

(a) where the Inspector is satisfied that the sheep have been recently dipped it shall be sufficient if one further dipping only is required if such dipping is carried out not earlier than the eighth day nor later than the fourteenth day after the date (excluding that date) upon which the sheep in question were last dipped, and

(b) where the sheep in respect of which an Isolation Notice (Form C) is served are intended for immediate slaughter, the service of a Dipping Notice (Form E) shall not be required, but in such case the sheep shall remain subject to the Isolation Notice (Form C) until they are slaughtered.

(3) This Article does not apply to sheep in a place of detention to which the provisions of a Detention Notice (Form A) apply.

(4) In Article 23 (8) of the Animals (Landing from Ireland, Channel Islands and Isle of Man) Order of 1923 there shall be substituted

for the words "Article 6 of the Sheep Scab Order of 1920" the words "Article 9 of the Sheep Scab Order of 1928."

Reports by Inspector of Local Authority to the Ministry.

10. Where a veterinary enquiry is made under this Order, the Inspector of the Local Authority shall, as soon as practicable after such enquiry, furnish to the Local Authority, and also to the Ministry, reports in such forms as the Minister may require, stating the information received by him and the action taken by him under this Order.

(b) The place, float, cart, or van shall thereafter be swept out and all litter, wool and sweepings, that have been in contact with such sheep shall be buried or effectively destroyed;

Provided that in the case of a field, yard, or other place which is not capable of being so cleansed and disinfected, it shall be a sufficient compliance with the provisions of this Article if all fragments of wool are collected from such field, yard or other place and destroyed by burning, and all rubbing places disinfected, and if all other parts of such field, yard, or other place are disinfected to the reasonable satisfaction of an Inspector of the Local Authority;

(c) Every utensil, pen, hurdle, or other thing used for or about such sheep, shall, as soon as practicable after being so used and before being used for other sheep, be cleansed and disinfected to the satisfaction of an Inspector of the Local Authority, by being thoroughly swabbed with an approved sheep dip or approved disinfectant.

(2) If any person fails to cleanse and disinfect as required by this Article, it shall be lawful for the Local Authority, without prejudice to any proceedings for an offence in respect of such default, to cause such place, vehicle or thing to be cleansed and disinfected, and to recover from such person summarily as a civil debt the expense of such cleansing and disinfection.

(3) Where the power of causing any place, vehicle or thing to be cleansed and disinfected under this Article is exercised by a Local Authority, such person shall give all reasonable facilities for that purpose.

(f) to graze such sheep on pasture being on the sides of a highway, road or lane; or

(g) to allow such sheep to stray on a highway, road or lane or on the sides thereof, or on common or uninclosed land, or in a field or place insufficiently fenced.

Any sheep so seized shall be dealt with in accordance with the following provisions, namely:—

(i) The Local Authority shall cause the sheep to be moved under the supervision of an Inspector of the Local Authority to some convenient and isolated place, and to be there detained, and dealt with in accordance with the provisions of Articles 3, 4, 6 and 8 of this Order. The carcase of any such sheep shall be sold by the Local Authority and the sum received by them for the carcase after deducting reasonable expenses of slaughter and sale shall be payable on demand to the owner of the sheep.

(iii) Sheep which are affected with, or which show clinical signs of being affected with, sheep scab shall not be moved along a highway, road or lane under the foregoing provisions of this Article, otherwise than in a float, cart or van, which shall, immediately after being used for such purpose, be cleansed and disinfected in the manner described in Article 11 of this Order.

(3) The Local Authority may recover the expenses of the execution by them or by their Inspector or other officer of the provisions of this Article summarily as a civil debt from the owner of the sheep seized, or from the consignor or consignee thereof, who may recover the same from the owner by proceedings in any court of competent jurisdiction.

(2) (i) Sheep on any premises to which this paragraph is applied by a Notice served under this Article shall not be moved from the premises except with a licence (in the Form H set forth in the First Schedule to this Order or to

Provided that in the case of sheep which have been declared in writing by the owner or his authorised agent to be intended for immediate slaughter, and in respect of which the Inspector of the Local Authority is satisfied that it is impracticable or inexpedient that the sheep should be dipped before movement for such purpose, the sheep may be moved, if accompanied by a licence (Form H) granted by an Inspector of the Local Authority to the destinations and under the conditions specified in paragraphs (3) to (6) of Article 15 of this Order.

(iii) Sheep shall not be deemed to be moved from the premises described in the Notice if they are moved direct from one part of the premises to another part of the premises in the same occupation, though such parts are severed.

(3) Regulations made under this Order shall not take effect unless and until they have been submitted to the Minister for confirmation and been confirmed by him. Drafts of the proposed Regulations should be submitted to the Ministry before the Regulations are made by the Local Authority. For the purpose of confirmation the Regulations as made by the Local Authority, or two certified copies thereof, shall be sent to the Minister.

(4) A copy of any Regulations made by a Local Authority under this Order, signed and certified by the Clerk of that Local Authority to be a true copy and to have been duly confirmed, shall be evidence, until the contrary is proved, in all legal proceedings, of the due making, confirmation and existence of the Regulations, without further or other proof.

THE SECOND SCHEDULE.

(ARTICLE 41.)

PRESCRIPTIONS FOR CERTAIN SHEEP DIPS APPROVED BY THE
MINISTER.

(Quantities for 100 gallons of dipping bath.)

1. Lime and Sulphur.

Mix 18 lbs. of sulphur with 9 lbs. of good quick lime. Slake the lime and make into a thick paste with the sulphur. Place the mixture in a strong cloth, tie the ends and suspend in a boiler containing ten gallons of water so that the water completely covers the contents of the cloth. The cloth must not touch the sides or bottom of the boiler as otherwise the cloth may be burned and its contents escape. Boil for two hours, then remove the cloth, taking care that none of its contents escape into the water, and throw the solids away. Make up to ten gallons again with additional water and put the liquid into a tight drum or barrel. This quantity is sufficient when mixed with water to make a hundred gallons of dipping bath.

2. Carbolic Acid and Soft Soap.

Dissolve 5 lbs. of good soft soap, with gentle warming, in 3 quarts of liquid carbolic acid (containing not less than 97 per cent. of real tar acid). Mix the liquid with enough water to make 100 gallons.

3. Tobacco and Sulphur.

Steep 35 lbs. of finely ground tobacco (offal tobacco) in 21 gallons of water for four days. Strain off the liquid and remove the last portions of the extract by pressing the residual tobacco. Mix the whole extract and to it add 10 lbs. of sulphur. Stir the mixture well to secure an even admixture and make up the total bulk to 100 gallons with water.

NOTE.—The period of immersion in these dips should not be less than one minute.
