POST OFFICE TELEPHONES.

In pursuance of the Telephone Regulations, 1924, His Majesty's Postmaster General hereby gives notice that the charges for telephonic communication between Great Britain and the Dominion of Canada are as specified in the schedule hereto:—

The Schedule.

For telephonic communication between any place in Great Britain and any place in:—

—	Minimum charge covering first 3 minutes.	For additional minute, or fraction thereof.
	£ s. d.	£ s. d.
1st Canadian Zone ...	9 0 0	3 0 0
2nd „ „ ...	9 12 0	3 4 0
3rd „ „ ...	10 4 0	3 8 0
4th „ „ ...	10 16 0	3 12 0
5th „ „ ...	11 8 0	3 16 0

The First Canadian Zone includes parts of the provinces of Ontario and Quebec.

The Second Canadian Zone includes parts of the provinces of Ontario and Quebec and the provinces of New Brunswick and Nova Scotia.

The Third Canadian Zone includes the province of Manitoba and that part of the province of Ontario lying to the west of straight lines drawn from Moose Factory on James Bay to Hearst, and from Hearst to Michipicoten Bay (Lake Superior) and to the west and north of lines drawn thence in a westerly direction along the northern shore of Lake Superior to the southern boundary of the province of Ontario and continuing along such boundary to the point at which it joins the boundary of the province of Manitoba.

The Fourth Canadian Zone includes the provinces of Saskatchewan and Alberta.

The Fifth Canadian Zone includes the province of British Columbia.

Note.—The names of the places with which telephonic communication can be established within those parts of Ontario and Quebec which are included in Zones I and II respectively are set out in the "Long Lines List of Stations" for Ontario and Quebec printed by the American Telephone and Telegraph Company of New York, U.S.A., copies of which may be obtained on application to the Secretary, General Post Office, London, E.C. 1.

Calls may be booked either:—

(*a*) as an ordinary call, i.e. for a specified telephone station, in which case only the telephone number of the Station required should be given, or

(*b*) as a "person-to-person" call, i.e. from a particular person to a particular person, in which case the name of the person calling should be given as well as the name of the person required. In addition, the usual telephone number of the person required, and if possible the name associated with that number in the Telephone Directory, should be given. Where the Canadian telephone number is not known by the caller an effort will be made to trace it, if the name and address of the person required is given. Calling subscribers should if possible, intimate at the time of booking a "person-to person" call, the name of an acceptable substitute at the receiving station.

In the case of a "person-to-person" call, when communication with the number required is established but further efforts to complete the call are abandoned, neither the particular person required nor an accepted substitute being obtainable, a "Report Charge" of £1 will be made in place of the normal charge. The caller (or failing him, his telephone station) will be notified of the impracticability of completing the call. When a "person-to-person" call matures, no "report charge" will be made.

Dated this 15th day of February, 1929.

Solicitor to H.M. Post Office.
