In reckoning age for this purpose a candidate may deduct any time, up to a maximum of two years, which he has spent in an approved engineering works; and candidates who have served, or are serving, in the Army, Navy or Air Force may deduct from their actual age any time during which they have so served.

Assistant Traffic Superintendents in the Post Office who are otherwise eligible, or who, after three years' approved service in the Traffic Branch receive a nomination by the Engineer-in-Chief, may be granted an extension of age in respect of the period of their employment on traffic work in the Post Office, up to a maximum of five years, inclusive of any extension claimed for time spent in an approved engineering works.

(c) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. Education.—Candidates must have passed an examination qualifying for a degree in engineering after having taken a complete course at an institution of university rank, provided that the Civil Service Commissioners may admit other persons who in their opinion have equivalent qualifications and training, and provided that this requirement shall be waived in the case of a man who is serving in the Post Office and is nominated by the Postmaster-General.

The examination may be held in one part or in two parts, at the discretion of the Civil Service Commissioners. In the latter case the first part of the examination will be used to reduce the number of competitors to be admitted to the second part. Of those who pass and obtain the highest aggregate marks on the first part a certain number, to be determined by the Civil Service Commissioners, will be admitted to the second part of the examination. The successful list will consist of those candidates who pass and obtain the highest aggregate marks in the whole examination.

NOTICE is hereby given that application is intended to be made forthwith by the London Electric Railway Company, the Metropolitan District Railway Company, the City & South London Railway Company, and the Central London Railway Company (which four Companies are collectively and individually hereinafter referred to as "the Company") to the Minister of Transport, to allow and approve the following Byelaws and Regulations:—

BYE-LAWS AND REGULATIONS.

Proposed to be made by the London Electric Railway Company, the Metropolitan District Railway Company, the City & South London Railway Company, and the Central London Railway Company respectively (all hereinafter referred to as "the Company") with the approval of the Minister of Transport.

For regulating the travelling upon and using and working of and for maintaining order in and upon the Company's Railways (hereinafter referred to as "the Railway"), which expression means and includes all and each of the Railways, Railway Stations and approaches thereto, and all and each of the works and premises belonging to or leased to the Company, and with respect to which the Company has power to make regulations by Bye-laws, and also all and each of the works by the Company's Special Acts authorised to be constructed.

1. Any person offending against any of the following Bye-laws numbered 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 18, 20, 21, 22, 23 and 24 respectively, shall be liable for every such offence to a penalty not exceeding forty shillings for a first offence, and not exceeding five pounds for any subsequent offence; and any person offending against either of the following Bye-laws numbered 17 and 19 respectively, shall be liable for every such offence to a penalty not exceeding five pounds. Any person offending against any of the following Bye-laws numbered 2, 7, 8, 9, 10, 14, 15, 18, 20, 23 and 24, and failing to desist or quit, as the case may be, when requested so to do by a servant or agent of the Company, may be removed from the Railway or any part thereof by any servant or agent of the Company, without prejudice where any penalty is prescribed as aforesaid for the infraction of any such Bye-law to such penalty.

2. 3. At all stations fares will be received and tickets issued conditionally on such issue not being in respect of any particular train, and

on there being on the day of issue room in a train stopping at the station for which such tickets are issued.

4. When the fare to an intermediate station exceeds the fare to a more distant station, no person shall, for the purpose of travelling to such intermediate station, take or use or attempt to use a ticket for the more distant station with intent to avoid payment of the additional fare to such intermediate station. The liability to or infliction of any penalty incurred by the infraction of this Bye-law shall not prejudice any right of the Company to treat such ticket as forfeited and to recover the full fare for the distance actually travelled by the offender.

5. No person shall alter, deface, mutilate or destroy any ticket issued for the conveyance of any passenger, animal, or article on the Railway, with intent to enable the Company to be defrauded or prejudiced; or knowingly and wilfully use or attempt to use any such ticket which shall have been in any respect materially altered, defaced or mutilated.

7. The Company may establish queues upon any part of any station and at such station every person desirous of travelling shall, upon request or notice by the Company or its officials, take up a position in the rear of one of such queues and approach the booking office, lift, escalator, carriage or vehicle in an orderly and regular manner, and obey the instructions of any of the Company's officials regulating such queues.

8. No person shall enter, or attempt to enter, any lift, or any carriage or compartment of a carriage upon the Railway, through any door thereof, until all persons who are leaving or are on the way to leave such lift, carriage or compartment through such door shall have passed out of such door.

9. When a lift or carriage or compartment of a carriage upon the Railway contains the full number of passengers which it is constructed to carry, no additional person shall enter or remain therein if requested by a guard of the train or any servant or agent of the Company not to do so.

10. No person, except a servant or agent of the Company in the performance of his duty, shall mount or attempt to mount on any locomotive, motor cab, carriage or other vehicle, lift, or escalator except on such part or parts as are provided for the carriage of passengers.

11. No person, except a servant or agent of the Company in the performance of his duty, shall open or attempt to open any gate or door

of any lift-shaft, or any lift, or unfasten or tamper with any fastening or fitting on any such gate or door, or enter or leave, or attempt to enter or leave, any lift whilst it is in motion or otherwise than at the side appointed for passengers to enter or leave the same, or ascend or descend, or attempt to ascend or descend, by means of any escalator except by the stairway thereof provided for ascending or descending passengers, as the case may be, or sit upon the stairway of any escalator, or tamper with any switch, lever, or other device operating or controlling any lift, escalator, or other mechanical appliance upon the Railway except (in cases of emergency) any switch or appliance upon or near which is displayed a notice that it is intended to be operated in cases of emergency.

12. No person, except a servant or agent of the Company in the performance of his duty, shall open the door, or stand or attempt to stand on the step or footboard of any carriage or vehicle upon the Railway whilst it is in motion or (except in case of accident or other emergency) between stations; or enter or leave or attempt to enter or leave any such carriage or vehicle whilst it is in motion or (except as aforesaid) between stations or otherwise than at the side of the carriage or vehicle adjoining the platform or place appointed for passengers to enter or leave the train; and wherein any such carriage or vehicle one door is indicated by notice for entrance thereto and another door for exit therefrom no person shall (except in case of accident or other emergency) enter or leave or attempt to enter or leave such carriage or vehicle except by the door indicated for entrance or exit respectively.

13. Except by permission in writing of a station master or other officer of the Company duly authorised in that behalf, no person suffering from any infectious or contagious disease or disorder shall enter or remain and no person having the custody, charge, or care of any such person shall cause or permit such person to enter or remain in or upon the Railway or in any carriage upon the Railway, and the Company may refuse to receive or carry any such person, or to permit any such person to enter, remain, or be in or upon the Railway, or in any such carriage, or to travel on the Railway. Any person suffering as aforesaid, and any person having the custody, charge, or care of any such person may be removed from any such carriage or from the Railway, by or under the direction of any servant or agent of the Company, and shall be liable to the Company for the cost of disinfecting the Company's premises and any carriage in which such person shall have been, and to make good any other damage to the property of the Company through the infraction of this Bye-law, without prejudice to any penalty incurred by such infraction.

14. No person in a state of intoxication shall enter or remain in or upon the Railway, or any lift, escalator, or carriage on the Railway, and no person who is in an unfit or improper condition to travel by passenger train or whose dress or clothing is in a condition liable to soil or injure the linings or cushions of any carriage, or the dress or clothing of any passenger, shall enter or remain in any lift,

escalator or carriage upon the Railway. Provided that no person shall be prevented from entering or remaining in or on any lift, escalator, or carriage under the provisions of this Bye-law on the ground of the condition of his dress or clothing, when he so enters or remains in or on any lift, escalator, or carriage with the permission of the guard of the train, or of any servant or agent of the Company.

15. No person shall at any time while in or upon the Railway or in any lift, escalator, carriage, or vehicle upon the Railway, use any threatening, abusive, indecent, obscene, profane, or offensive language to the annoyance or hindrance of any other person, or behave in a riotous, disorderly, indecent, or offensive manner to the annoyance or hindrance of any other person, or write, draw, or affix any abusive, indecent, obscene, profane, or offensive word, representation, or character, or commit any nuisance in, upon, or against any part of the Railway or of such lift, escalator, carriage, or vehicle, or molest or wilfully interfere with the comfort or convenience of any passenger or person on the Railway.

16. No person shall take or cause to be taken into, or cause or allow to remain in any lift, escalator, or carriage upon the Railway, if requested not to do so by a guard of the train or any servant or agent of the Company, any animal, article, or thing which by reason of its nature is in the opinion of such guard, servant or agent calculated to cause, or, in fact, does cause annoyance or damage to any passenger or damage to any property, and no person in charge of any animal shall permit such animal to stand, sit or walk on any escalator whilst such escalator is in motion in breach of a warning exhibited upon such escalator. If any person in charge of such animal, article, or thing fails, when requested by such guard, servant or agent, immediately to remove the same from the lift, escalator, or carriage, then the same may be removed therefrom by or under the direction of such guard, servant, or agent, without prejudice to any penalty incurred by the infraction of this Bye-law.

17. No person shall take into, or place in or upon, or cause to be taken into or placed in or upon, the Railway, or any lift, escalator, carriage, or vehicle upon the Railway, any loaded weapon of any kind, or any cinematograph film whatsoever, or any inflammable, explosive, or corrosive gas, spirit, liquid, substance, or matter, or any article or thing which is or may become dangerous to any passenger or property. But nothing in this Bye-law shall apply to small quantities of spirit or liquid carried for the personal use of such person and not for the purpose of trade or business, provided that all due precautions are taken for the prevention of accident or injury therefrom. If any person offending against this Bye-law fails to remove from the Railway, or any such lift, escalator, carriage, or vehicle immediately upon request by any servant or agent of the Company, any article or thing to which this Bye-law relates, the same may be removed therefrom by or under the direction of such servant or agent without prejudice to any penalty incurred by the infraction of this Bye-law.

18. No person shall smoke in any carriage or compartment of a carriage upon the Railway or in or upon any part of the Railway, where smoking is expressly prohibited by the Company: and no person shall smoke in any train in which a smoking carriage or compartment is specially provided, except in such smoking carriage or compartment.

19. No person shall wilfully, wantonly, or maliciously move or set in motion, or stop or attempt to stop, any lift, escalator, carriage, or vehicle upon the Railway, except in cases of emergency by means of a switch or appliance upon or near which is displayed a notice that it is intended to be operated in cases of emergency, or break, cut, scratch, tear, soil, deface, or damage such lift, escalator, carriage, or vehicle or any of the fittings, furniture, decorations, or equipment thereof, or any notice, advertisement, number-plate, number, figure, or letter therein or thereupon, or remove any such article or thing therefrom, or deface or damage any property (whether real or personal), belonging to the Company, or upon the Railway. Any person offending against this Bye-law shall be liable to the Company for the amount of the damage done, without prejudice to any penalty incurred by the infraction of this Bye-law.

20. Except by permission of an officer of the Company, duly authorised in that behalf, no person while in or upon the Railway, or in any carriage or vehicle thereon, shall hawk, sell, or expose or offer for sale any article or goods whatsoever, or sing or perform on any musical instrument, or tout, ply for, or solicit alms, award, or custom, or employment of any description.

21. (a) No person shall enter or remain in or upon or use the Railway or any carriage or vehicle thereon for the purpose of playing cards or gambling or book-making or betting or wagering or agreeing to bet or wager or paying or receiving or settling bets with any other person. (b) No person shall loiter or remain in or upon the Railway, or any lift, escalator, carriage, or vehicle thereon after having been requested by a servant or agent of the Company to depart unless such person is lawfully entitled so to remain.

22. No person shall throw or drop on or from any lift, escalator, carriage, or vehicle on the Railway any article or thing whatsoever capable of injuring, damaging, or endangering any person or property.

23. No driver, conductor, or person in charge of any omnibus, motor-car, cab, carriage, wagon, bicycle, or other vehicle, or of any animal in or upon the Railway shall:
