Whitehall, June 2, 1930.

His Majesty The KING has been graciously pleased to award the Edward Medal to Granville Charles Wastie in recognition of his gallantry in the following circumstances:—

On the 25th November, 1929, Hector Wastie, a bricklayer, when descending a new well, thirty feet deep and three feet wide, was overcome by gas about half way down and fell unconscious into thirty inches of water at the bottom. His brother Stanley went to his assistance but he too was rendered unconscious by the gas and collapsed. Another workman, George Broughton, attempted to descend the well but when about half way down he became faint and had to be pulled up by the rope which he had fastened around him. By this time Granville Wastie, a farmer, who had heard of the accident to his brothers, arrived in a motor car. After tying a handkerchief over his face and roping himself, he descended the well and, tying a rope round Stanley, succeeded in bringing him alive to the surface.

Granville then went down a second time and brought up his other brother Hector. A doctor who was summoned found that Hector had been drowned after he had been rendered unconscious by inhaling carbon dioxide.

Granville Wastie displayed great courage in descending the well twice after three men had been overcome by gas and he almost certainly saved the life of his brother Stanley. He well understood the risk he was taking and exercised both skill and foresight in effecting the rescue.

MERCHANDISE MARKS ACT, 1926.

MERCHANDISE MARKS (IMPORTED GOODS) EXEMPTION DIRECTION (No. 1) 1930.

In accordance with the provisions of Section 3, sub-section (2) of the Merchandise Marks Act, 1926, the Board of Trade give notice that they have, in pursuance of the powers conferred upon them by the said Section 3, given a Direction in the following terms:—

Whereas by Section 3 sub-section (1) of the Merchandise Marks Act, 1926 (16 & 17 Geo. 5, c. 53), it is provided that if, where an Order in Council has been made under that Act with respect to any goods, it is shown to the satisfaction of the appropriate Department by persons appearing to the Department to have a substantial interest in the matter that the application of the provisions of the Order or of some of those provisions to any particular class or description of those goods has caused or is likely to cause injury or hardship to the

said persons or any of them, the Department may direct that the Order or any particular provisions of the Order shall cease to apply to goods of that class or description or shall apply to such goods subject only to such modifications and conditions as the Department think fit, and the Order shall, while the Direction is in force, have effect subject thereto;

And whereas it is provided by Article 21 of the Merchandise Marks (Imported Goods) No. 5 Order, 1929* that it shall not be lawful to sell or expose for sale in the United Kingdom any imported goods of the descriptions herein-after specified unless they bear an indication of origin:—

(a) Hand tools, the operative part of which is made of metal (whether tipped with other substance or not) ordinarily used by work-people in their trade or employment, including agricultural and horticultural hand tools;

(b) Saws, twist drills and bits for fitting into machines;

(c) Metal vices and cramps;

(d) Marking gauges of metal, squares and bevels, metal vernier gauges, thickness gauges or feelers, engineers' rules of metal, and steel measuring tapes;

(e) Tuning forks;

(f) Permanent magnets;

(g) Letter and number marks.

And whereas by article 22 of the same order it is provided that the indication of origin shall be applied by die-stamping or other mode of impressing, etching, engraving or casting;

And whereas by article 27 of the same order it is provided that Part IV of the Order (which includes the above recited articles) shall come into force on the 1st July, 1930.

And whereas the Board of Trade, being the appropriate Department in this case, having considered representations made to them in that behalf by persons appearing to the Board to have a substantial interest in the matter, are satisfied that the application of the provisions of article 22 of the said Order to goods imported before the 17th day of December, 1929 (the date on which the Order was made) is likely to cause hardship to the said persons;

Now therefore the Board of Trade in pursuance of the powers conferred upon them by the said Section 3 hereby direct as follows:—

1. Article 22 of the Merchandise Marks (Imported Goods) No. 5 Order, 1929, shall not apply to goods which were imported before the 17th day of December, 1929 (the date on which that Order was made) and sold or exposed for sale before the 1st day of July, 1931, and which bear an indication of origin applied to each article by means of a label securely affixed or attached thereto.

2. This direction may be cited as the Merchandise Marks (Imported Goods) Exemption Direction (No. 1) 1930.

In accordance with the provisions of Section 3, sub-section (2) of the Merchandise Marks Act, 1926, the Board of Trade give notice that they have, in pursuance of the powers conferred upon them by the said Section 3, given a Direction in the following terms:—

Whereas by Section 3 sub-section (1) of the Merchandise Marks Act, 1926 (16 & 17 Geo. 5, c. 53), it is provided that if, where an Order in Council has been made under that Act with respect to any goods, it is shown to the satisfaction of the appropriate Department by persons appearing to the Department to have a substantial interest in the matter that the application of the provisions of the Order or of some of those provisions to any particular class or description of those goods has caused or is likely to cause injury or hardship to the said persons or any of them, the Department may direct that the Order or any particular provisions of the Order shall cease to apply to goods of that class or description or shall apply to such goods subject only to such modifications and conditions as the Department think fit, and the Order shall, while the Direction is in force, have effect subject thereto;

And whereas by Article 13 of the same Order it is provided that the indication of origin shall be indelibly marked on the bulb;

Now therefore the Board of Trade in pursuance of the powers conferred upon them by the said Section 3 hereby direct as follows:—

1. The provision of Article 13 of the said Order requiring the indication of origin to be indelibly marked on the bulb shall not apply to electric incandescent lamps of ornamental design with bulbs to which on account of their uneven surface it is not practically possible to apply the indication

of origin as prescribed in the Order and which bear an indication of origin indelibly stamped, embossed, incised or impressed on the cap.
