POST OFFICE TELEPHONES.

In pursuance of the Telephone Regulations, 1924, His Majesty's Postmaster General hereby gives notice that the charges for telephonic communication between Great Britain and Northern Ireland on the one hand and the province of South Australia in the Commonwealth of Australia on the other are as specified in the Schedule hereto.

THE SCHEDULE.

For telephonic communication with any place in the province of South Australia from:—

——	Minimum charge covering the first 3 minutes.	Per additional minute or fraction thereof.
	£ s. d.	£ s. d.
i. Any place in Great Britain (except the Isle of Man)	6 0 0	2 0 0
ii. Any place in the Isle of Man or Northern Ireland	6 6 0	2 2 0

NOTE.—Calls may be booked either:—

(*a*) as an ordinary call, i.e. for a specified telephone station, in which case only the telephone number of the station required should be given, or

(*b*) as a "person-to-person" call, i.e. from a particular person to a particular person, in which case the name of the person calling should be given as well as the name of the person required. In addition, the usual telephone number of the person required, and if possible the name associated with that number in the Telephone Directory, should be given. Where the Australian telephone number is not known by the caller an effort will be made to trace it, if the name and address of the person required is given.

Calling subscribers should, if possible, intimate at the time of booking a "person-to-person" call, the name of an acceptable substitute at the receiving station.

In the case of a "person-to-person" call, when communication with the number required is established but further efforts to complete the call are abandoned, neither the particular person required nor an accepted substitute being obtainable, a "report charge" of 12s. (14s. in the case of a call from the Isle of Man or Northern Ireland) will be made in place of the normal charge. The caller will be notified of the impracticability of completing the call. When a "person-to-person" call matures, no "report charge" will be made.

Dated this 28th day of June, 1930.

R. W. Woods,
Solicitor to H.M. Post Office.

PATENTS AND DESIGNS ACTS, 1907 TO 1928.

Restoration of Lapsed Patents under Section 20.
