August 29, 1930.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS RESPECTING COMPETITIVE EXAMINATIONS AMONG ESTABLISHED MEMBERS OF THE MINOR AND MANIPULATIVE GRADES OF THE CIVIL SERVICE FOR APPOINTMENT TO THE CLERICAL CLASSES (GENERAL AND DEPARTMENTAL) OF THE CIVIL SERVICE.

1. Candidates must at the time of the examination be established members of the Minor and Manipulative Grades of the Civil Service within the scope of the National Whitley Council; provided that Writing Assistants and members of the typing grades will not be eligible to compete.

2. Candidates must either (a) have had not less than three years' full-time service on duties proper to an adult class, or (b) have attained the age of 22 and have had not less than one year's full-time service on duties proper to an adult class.

3. Candidates must not have attained the age of 30 on the 1st March or the 1st September

of the year in which they are examined, according as the examination is held in the first or second half of the year.

4. Candidates will be required to satisfy the Civil Service Commissioners that they are duly qualified in respect of health and character; female candidates will be required to resign their appointments on marriage.

5. The examination will be in the following subjects:—

3. General Knowledge.
4. One of the following:—

Mathematics; French; German; History; Geography; Economics.

Candidates must obtain such an aggregate number of marks in the examination as a whole as to satisfy the Civil Service Commissioners.

6. It will rest with the Civil Service Commissioners to determine the Departments to which the successful candidates shall be assigned. In making assignments the Commissioners will be guided by the requirements of the public service and will have regard, so far as vacancies permit, to the previous Departmental experience of the candidates and the wishes of Departments for the assignment of particular candidates who have served under them. Subject to these conditions the wishes of candidates will, where possible, be respected.

No person will be eligible for assignment to one of the Defence Departments who obtained from any tribunal established under the Military Service Acts, 1916 to 1918, exemption from service in His Majesty's Forces under those Acts on the ground of a conscientious objection to the undertaking of military service, or, although not so exempted, declined to comply with obligations imposed upon him by those Acts.

7. Successful candidates will be subject to a strict probation extending over a period of not less than one year; and failure to pass this probation will involve reversion.

8. Application for permission to attend an examination must be made at such times and in such manner as may be fixed by the Civil Service Commissioners; the application must be accompanied by a certificate from the authorities of the Department in which the candidate is serving, in the space provided on the application form, that he (or she) satisfies the conditions laid down in clauses 1 and 2 of these regulations and that his (or her) service has been approved.

9. A fee of £2 will be required from each candidate attending an examination.

The Civil Service Commissioners further give notice that a Competitive Examination will be held under the foregoing Regulations, commencing on the 27th January, 1931. The following is a provisional list of the centres at which the examination may be held:—Aberdeen, Belfast, Birmingham, Bristol, Cardiff, Edinburgh, Glasgow, Hull, Leeds, Liverpool, London, Manchester, Newcastle-on-Tyne, Norwich, Nottingham, Plymouth, Portsmouth and Preston.

The final list of centres will be decided when the number of candidates desiring examination at each centre is known.

No person will be admitted to Examination from whom the Secretary of the Civil Service Commission has not received, on or before the 4th December, 1930, an application, in the Candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.

Civil Service Commission,

August 29, 1930.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz:—

REGULATIONS FOR THE COMPETITIVE SELECTION OF DISTRICT OFFICERS UNDER THE FORESTRY COMMISSIONERS.

N.B.—These regulations are liable to alteration from time to time. Competitions under these regulations do not take place at fixed intervals, but are held as occasion arises on the occurrence of vacancies.

1. *Age*.—Candidates must have attained the age of 21 and must not have attained the age of 30 on a date to be fixed in respect of the competition in which they are to take part; provided that in reckoning age for this purpose a candidate who served in the Army, Navy or Air Force between the 4th August, 1914, and the 11th November, 1918, may deduct from his actual age any period of service between the 4th August, 1914, and the 31st December, 1919.

2. *Nationality*.—Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made:—

(a) In the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918.

(c) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. *Military Service*.—Until further order, preference will be given to candidates who

served in His Majesty's Forces in the Great War between the 4th August, 1914, and the 11th November, 1918.

4. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy or Air Force, will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

5. *Publicity.*—The Forestry Commissioners will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which they desire to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

6. *Application.*—Application shall be addressed in the first instance to the Secretary to the Forestry Commissioners, and shall be made on the appropriate form. After the last day for application has been reached the authorities of the Department shall scrutinise all the applications received and present to the Commissioners such candidates as appear to them qualified for the duties of the posts in question. The Civil Service Commissioners, if dissatisfied with the number or quality of the candidates presented, may require further search to be made for qualified candidates.

7. *Education.*—Candidates for appointment as District Officers (after probation as Forest Officer or as Estate Officer—see Clause 11) must have passed:—

(a) In the case of Forest Officers—an examination qualifying for either a University degree in Forestry or a University Diploma in Forestry, or

(b) In the case of Estate Officers—the qualifying examination for the fellowship of the Surveyors' Institution or the qualifying examination for the fellowship of the Land Agents' Society.

8. *Health and Character.*—Candidates must satisfy the Civil Service Commissioners as to their health and character.

Until further order, and other things being equal, preference will be given by the Selection Board to candidates whose choice of occupation is limited by a physical impairment due to the War but not of such a nature as to interfere with the discharge of any of the duties of the post.

9. *Competitions.*—Candidates who are presented by the authorities of the Department and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, and their decision will be final. The Selection

Board shall be nominated by the Commissioners in consultation with the authorities of the Department, who shall be represented on the Selection Board. The Selection Board will take into consideration the candidate's record of experience and education, any recommendations that they may receive from persons named by any candidate as having direct knowledge of his work in the past, and the personal qualities of the candidate as shown at his interview; and on their estimation of all the above evidence they will frame their decisions.

10. *Warning.*—Any attempt on the part of a candidate to enlist support for his application through Members of Parliament or other influential persons will disqualify him for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work, whether at School, at the University, in the Forces, or otherwise.

11. The necessary number of candidates will be appointed on probation to the temporary post of Forest Officer or Estate Officer as the case may be, subject to their satisfying the Civil Service Commissioners of their eligibility in respect of age, nationality, health and character, and to the payment of a fee of £4.

12. After serving a probationary period of two years, Forest Officers and Estate Officers become eligible for consideration for appointment as vacancies occur to the post of District Officer. Appointment as District Officer is conditional on the issue by the Civil Service Commissioners of a Certificate of Qualification. A fee of £4, being the balance of the prescribed fee of £8, is payable before the Certificate of Qualification can be issued.

THE CHRIST CHURCH (CITY) TITHE ACT, 1879.

Notice is hereby given that on the application of the Governors of Saint Bartholomew's Hospital, the Minister of Health proposes to make an Order under sub-section (2) of section 83 of the Local Government Act, 1929, directing that the amount of any payment in respect of the tithe rate levied by the Governors of Saint Bartholomew's Hospital under the Christ Church (City) Tithe Act, 1879, in the parish of Christ Church, Newgate Street, in the City of London, shall as from the 1st October, 1929, be determined, in any case where it has hitherto been assessable on annual rateable value, by reference to net annual value as shown in the valuation list in force instead of by reference to rateable value. Occupiers of industrial or freight transport hereditaments will, under the Order, be assessed to the tithe rate on the same basis as hitherto and not on the reduced basis applicable to the ordinary rates under section 68 of the Act of 1929. A draft of the proposed Order may be obtained at the Offices of Messrs. Wilde, Wigston and Saptles, at 21, College Hill, London, E.C. 4, on any week day prior to 26th September, 1930, during ordinary office hours.

Notice is further given that in accordance with the requirements of sub-section (3) of section 83 of the Local Government Act, 1929,

the Minister of Health will consider any objections or representations sent to him in writing before 26th September, 1930, by any person or body who will be affected by the Order. Any such objection or representation should be addressed to the Secretary, Ministry of Health, Whitehall, London, S.W. 1, and a copy should be sent at the same time to Messrs. Wilde, Wigston and Saptas, at 21, College Hill, London, E.C. 4.

In the event of any objection being so made and not withdrawn an Order under the section cannot take effect unless it is confirmed by Act of Parliament.
