September 26, 1930.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS RESPECTING OPEN COMPETITIVE EXAMINATIONS FOR THE SITUATION OF FEMALE SORTING ASSISTANT IN THE GENERAL POST OFFICE, LONDON.

These Regulations are liable to alteration for future examinations.

1. The limits of age for these situations are 15 and 18, and the governing date on which candidates must be of the prescribed age is the 1st October preceding the examination.

In reckoning age for competition, persons who have served in any established civil situation to which they were admitted with the certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Candidates will be required to satisfy the Civil Service Commissioners—

- (a) That they are unmarried or widows.
- (b) That they are duly qualified in respect of health and character.

Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of persons serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. At each Examination the number of candidates to be selected will be such as may from time to time be fixed.

4. The subjects of Examination and the marks they carry will be as follows:—

1. English	300
2. Reading Manuscript	100
3. Arithmetic	200
4. Geography	200

Candidates must obtain such an aggregate number of marks as to satisfy the Civil Service Commissioners.

5. The Examination is open only to candidates who actually reside with their parents or guardians in the London Postal area or at places not far outside the London Postal area which are within easy daily travelling distance of the office of employment. No candidate will be eligible for appointment unless she can satisfy the Postmaster-General that

she possesses the required local residential qualification and it will be within his authority to decline to employ a candidate successful in the Examination if he is not satisfied that she complies with this requirement. It is open to an intending candidate to enquire of the Secretary, General Post Office (not the Civil Service Commissioners) whether, in the event of her success in the Examination, she would be regarded as eligible for appointment in respect of residence.

6. Candidates must be at least 5 feet in height, without boots.

7. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the Examination, before the commencement of the competition.

8. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

9. Application for permission to attend an Examination must be made at such time and in such manner as may be fixed by the Civil Service Commissioners.

10. A fee of 7s. 6d. will be required from every candidate applying for admission to attend an Examination. This fee will not be repaid in any circumstances.

The Civil Service Commissioners further give notice that an Open Competitive Examination under the foregoing regulations will be held in London on the 31st December, 1930.

Appointments will be offered to not fewer than 25 of the candidates highest on the list, provided they obtain the necessary aggregate of marks and are duly qualified in other respects.

No person will be admitted to Examination from whom the Secretary of the Civil Service Commission has not received, on or before the 13th November, 1930, an application, in the Candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.

THE WAKEFIELD INCLOSURE ACT, 1793.

Notice is hereby given that on the application of the officer appointed under the provisions of the Wakefield Inclosure Act, 1793, the Minister of Health proposes to make an Order under sub-section (2) of section 83 of the Local Government Act, 1929, directing that the amount of any payment in respect of any rate levied under the Act of 1873 for the purpose of raising sums payable as damages to owners of land affected by the exercise of the powers of working minerals reserved by the Act to the Lord of the Manor shall, as from the first day of October, 1929, be determined by reference to the net annual value as shown in the valuation list in force (or, if not shown in that list, as last appearing in the valuation list) instead of by reference to rateable value. Under the Order owners of industrial and freight transport hereditaments will be assessed to the rate on the same basis as hitherto, and not on the re-

duced basis applicable to ordinary rates under section 68 of the Act of 1929. Owners of agricultural hereditaments will not be relieved of liability, in the same way as occupiers are relieved of ordinary rates under section 67 of the Act of 1929, but will continue to be assessed to the rate on the same basis as hitherto, except that when a new valuation list comes into force agricultural hereditaments will not appear in the list and for the purposes of the rate under the Act of 1873 their net annual value will be taken to be that value as last appearing in the valuation list.

A draft of the proposed Order may be inspected at the offices of Messrs. John Farrer and Company at Oulton near Leeds, on any weekday prior to the twenty-fifth day of October, 1930, during office hours.

Notice is further given that in accordance with the requirements of sub-section (3) of section 83 of the Local Government Act, 1929, the Minister will consider any objections or representations sent to him in writing before the twenty-fifth day of October, 1930, by any person or body who will be affected by the Order. Any such objection or representation should be addressed to the Secretary, Ministry of Health, Whitehall, London, S.W. 1, and a copy should be sent at the same time to Mr. John Hirst, care of Messrs. John Farrer and Company at Oulton near Leeds.

In the event of any objection being so made and not withdrawn an Order under the section cannot take effect unless it is confirmed by Act of Parliament.
