ASHTON-UNDER-LYNE STALYBRIDGE AND DUKINFIELD (DISTRICT) WATERWORKS.

NOTICE is hereby given that application has been made to Parliament in the Session 1930-31 by the Ashton-under-Lyne Stalybridge and Dukinfield (District) Waterworks Joint Committee (hereinafter called "the Committee") for an Act of which the principal subject matters are as follows:—

1. Increases in the contributions to be made to the funds of the Committee by the constituent authorities (namely the mayors aldermen and burgesses of the boroughs of Ashton-under-Lyne Stalybridge Dukinfield and Mossley and the urban district council of Audenshaw); the conferring of further borrowing powers for the purpose of meeting such contributions upon the constituent authorities.

2. The sanctioning and confirmation of certain payments in respect of interest on capital &c. made by the Ashton-under-Lyne and Stalybridge Corporations in the past out of moneys borrowed by them on the authority of enactments relating to the Committee or their constituent authorities.

3. The establishment of a reserve fund in connection with the undertaking of the Committee and the enactment of other financial provisions.

4. Further provisions as to waterworks including provisions as to the discharge of water into streams, the construction of tanks under streets, the laying down of meters in streets and waterpipes in private streets, the construction of dwelling-houses and other buildings for employees of the Committee and other purposes, and the application to telephones discharge pipes and other apparatus of the provisions of the Waterworks Clauses Act 1847 as to breaking up streets.

5. The extension of the limits of supply of the Committee so as to include a further part of the urban district of Saddleworth in the West Riding of Yorkshire; the re-definition of the area comprised within the existing limits of supply of the Committee and the proposed added limits.

6. The enactment of further provisions with regard to the supply of water by the Committee, including the extension of Section 35 of the Waterworks Clauses Act 1847; power to local authorities to guarantee expenses of affording supplies; supply of water by meter; water rents payable by owners of small houses; further provisions as to supply by meter to caravans, shacks, huts, houses used for trade, farm houses and other premises; water rents to be collected half yearly; recovery of water rents from persons removing; extension of power to inspect premises; further provisions as to common pipes and communication pipes; power to Committee to sell meters and supply water fittings; notice of discontinuance of supply; imposing penalties for closing valves and interfering with valves and apparatus; register of meters to be prima facie evidence of water supplied; and purchase of water in bulk.

7. The enactment of provisions for enabling the Committee to promote and oppose Bills in Parliament and Provisional Orders and to prosecute and defend legal proceedings.
