WORKMEN'S COMPENSATION ACT, 1925.

The Secretary of State for the Home Department hereby gives notice that on the 23rd December, 1930, he made a further Scheme under Section 47 of the Workmen's Compensation Act, 1925.

The Scheme, which may be cited as the Various Industries (Silicosis) Amendment Scheme, 1930, comes into force on the 1st February, 1931, and amends the Various Industries (Silicosis) Scheme, 1928, so as

(1) to relieve coalminers claiming compensation under the Scheme, who have been employed on work of such a class as would expose them to the risk of silicosis, from having to prove the actual composition of the stone or rock on which they have been engaged; and

(2) to bring the work of masons employed in the Granite Industry within the scope of the Scheme.

Copies of the Scheme can be purchased directly from H.M. Stationery Office, at the following addresses:—Adastral House, Kingsway, London, W.C. 2; 120, George Street, Edinburgh; York Street, Manchester; 1, St. Andrew's Crescent, Cardiff; or through any bookseller.
