ORDER OF THE MINISTER OF AGRICULTURE AND FISHERIES.

(DATED 29TH APRIL, 1932.)

The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1927, and of every other power enabling him in this behalf, hereby orders as follows:—

Application of Part II of the Sheep Scab Order of 1928.

1.—(1) Part II (*Restriction on Movement of Sheep out of a Movement Area*) of the Sheep Scab Order of 1928, hereinafter referred to as the "Principal Order," is hereby applied to the Area described in the Schedule hereto, hereinafter referred to as "the Area" and the Area so described shall be a "Movement Area" for the purposes of the Principal Order.

(2) This Article shall come into operation on the twenty-fourth day of July, and shall cease to operate on the tenth day of September, nineteen hundred and thirty-two.

Restrictions on Exposure of Sheep at Markets, etc., within the Area during the period from 24th July to 9th September (inclusive).

2.—(1) Sheep on any premises in the Area shall not (except as hereinafter provided) be permitted to enter, or be exposed for sale or exhibition in any market, fairground, sale-yard or place of exhibition in that Area during the period from 24th July to 9th September (inclusive), in the current year, unless they

have within fifty-six days before the date of entry or exposure been double-dipped and are accompanied by a declaration signed by the owner of the sheep, or his agent authorised in writing for this purpose, stating that the sheep have been so dipped, and the dates of dipping, and that since the second dipping the sheep have been kept separate as far as practicable while in the Area from other sheep not so dipped.

(2) An Inspector of the Local Authority acting under the direction of the Local Authority, may grant an exemption, subject to such conditions (if any) as may be specified therein, exempting sheep in the Area from one or both of the dippings in any particular case in which the Inspector is satisfied that it is impracticable or inexpedient to dip the sheep. In any such case the reasons for granting the exemption shall be stated therein, and the Local Authority shall forthwith cause a copy of the exemption to be forwarded to the Ministry. If the Minister considers that the exemption is for any reason undesirable, and directs the revocation thereof, the same shall thereupon cease to operate, but not so as to affect the previous operation of the exemption.

Special Provision as to Fat Stock for Immediate Slaughter.

3.—(1) Where an Inspector of a Local Authority is satisfied that any sheep in his district in the Area are intended for immediate slaughter, and that it is impracticable or inexpedient that the same should in accordance with this Order be dipped before exposure for sale or exhibition, he may subject to any directions by the Local Authority, by licence in the Form H described in the First Schedule to the Principal Order authorise the movement of the sheep to any market, fairground, sale-yard or place of exhibition in the Area, subject to such conditions (if any) as are inserted in the licence.

(2) Such conditions may, if the Local Authority think fit, be varied so as to enable any sheep, which are returned unsold from a market in the Area with a licence (Form H) to any premises, to be moved to another market, fairground, or sale-yard without the sheep being previously double-dipped.
