*Former Notice.*—No. 7 of 1932.

1. The attention of shipowners and mariners is called to the danger to all concerned which is caused by single vessels approaching a squadron of Warships so closely as to involve risk of collision, or attempting to pass ahead of, or through such a squadron.

adopt early measures to avoid approaching a squadron under the above conditions so as to involve risk of collision and to keep out of its way.

3. Attention is also drawn to the uncertainty of the movements of Aircraft Carriers which must necessarily turn into the wind when aircraft are taking off or landing.

4. In circumstances where a single vessel has not taken early measures to keep out of the way of a squadron or Aircraft Carrier, the "Regulations for preventing Collisions at Sea" must be the guide.
