In the Matter of ROWLAND WARD Limited, and in the Matter of the Companies Act, 1929.

NOTICE is hereby given that a petition was, on the 15th December, 1932, presented to the High Court of Justice, Chancery Division, for confirming the reduction of the capital of the above named Company from £25,000 to £20,000.

By an Order in this matter dated the 18th January, 1933, the inquiry as to creditors of the said Company has been fixed as of the 14th January, 1933. By an affidavit of John Binmore Burlace, the Managing Director of the Company, filed in this matter on the 18th January, 1933, it appears that from his own knowledge there was not on the said 14th January, 1933, any debt, claim or liability which if such date were the commencement of the winding-up of the said Company would be admissible in proof against the said Company (other than and except the current rates, taxes and wages payable by the said Company estimated at £200). From further evidence filed in the above matter it appears that the Company's landlords have consented to the said reduction. Any person who claims to have been on the said 14th January, 1933, and still to be a creditor of the said Company must, on or before the 25th February, 1933, send in his name and address and the particulars of his claim, and the name and address of his Solicitor (if any), to Kenneth George Rigden, a Member of the firm of Beaumont, Son & Rigden, at 18, Fleet Street, E.C.4, or in default thereof he will be precluded from objecting to the proposed reduction of capital.—Dated this 14th day of February, 1933.
