*Civil Service Commission,
March 10, 1933.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS FOR THE COMPETITIVE SELECTION OF A SENIOR ASSISTANT IN THE NAUTICAL ALMANAC OFFICE UNDER THE ADMIRALTY.

N.B.—These Regulations are liable to alteration from time to time. Competitions do not take place at fixed intervals, but are held as occasion arises on the occurrence of vacancies.

1. Candidates must have attained the age of 22 and must not have attained the age of 30 on a date to be fixed in respect of the competition in which they are to take part.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject, provided that exception may be made:—

(a) In the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918.

(c) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

The consent of the authorities of the Admiralty is required before the child of a naturalized British subject can be admitted to compete.

3. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. Candidates must make application in their own handwriting on the appropriate

form, which may be obtained from the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W.1, when a competition is announced.

5. A candidate should possess a first class honours degree with qualifications in astronomy; he should have an aptitude for mathematics and a temperament suitable for computing work; experience in astronomical or mathematical research is also desirable.

6. Candidates must satisfy the Civil Service Commissioners as to their health and character. Female candidates must be unmarried or widows and will be required to resign their appointments on marriage.

7. Such candidates as from their application forms appear to the Civil Service Commissioners to possess the requisite qualifications and to be best suited for appointment will be summoned to an interview before a Selection Board, who will recommend for the existing vacancy that candidate who appears to them to possess the highest qualifications, and their decision will be final. The Selection Board will be nominated by the Commissioners in consultation with the Admiralty, who will be represented on the Selection Board, and, when practicable, one of the Commissioners will be the Chairman. The Selection Board will take into consideration the candidate's record of experience and education, any recommendations that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidate as shown at this interview; and on their estimation of all the above evidence they will frame their decisions.

8. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the university, in the Forces, or otherwise.

9. A selected candidate will be required to pay a fee of £8 before the issue of the certificate of qualification for appointment.

The Civil Service Commissioners further give notice of a competition for a vacancy for a Senior Assistant in the Nautical Almanac Office to be held under the foregoing Regulations.

No person will be considered from whom the Secretary of the Civil Service Commission has not received, on or before the 20th April, 1933, an application, in the candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.
