Civil Service Commission, September 8, 1933.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE APPOINTMENT BY COMPETITIVE SELECTION OF INSPECTORS (MALE) UNDER THE MINISTRY OF AGRICULTURE AND FISHERIES FOR THE PURPOSES OF THE AGRICULTURAL WAGES (REGULATION) ACT, 1924.

N.B.—*These Regulations are liable to alteration from time to time.*

1. Application for appointment shall be made in the first instance to the Secretary, Ministry of Agriculture and Fisheries, at such time and in such manner as may be fixed by the Ministry. When a vacancy occurs, the Ministry will cause notice to be given by an advertisement in the Press, which will include a statement of the last day fixed for the receipt of applications.

2. A candidate must have attained the age of 30 and must not have attained the age of 45 on the last day fixed for the receipt of applications; provided that in reckoning age for this purpose a candidate who served in the Army, Navy, or Air Force between the 4th August, 1914, and the 11th November, 1918, may deduct from his actual age any period of service between the 4th August, 1914, and the 31st December, 1919.

3. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made:—

(a) In the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between the 4th August, 1914, and the 11th November, 1918.

(c) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

4. Until further notice preference will be given to candidates who served in His Majesty's Forces during the War between the 4th August, 1914, and the 11th November, 1918.

5. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Office to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

6. A candidate must satisfy the Ministry that he possesses a good general education, and a sufficient knowledge of agricultural conditions.

7. The completed application forms will be scrutinised by the Ministry and selected Candidates will be interviewed by a Board consisting of representatives of the Ministry and of the Civil Service Commissioners. The Board will recommend to the Ministry for appointment to the vacancies existing those Candidates who appear to them to possess the highest qualifications, provided they find so many suitable. In recommending Candidates for appointment the Board will give great weight to personality and especially to tact.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's previous work.

8. The necessary number of candidates will be appointed on probation, subject to their satisfying the Civil Service Commissioners that they are eligible for appointment in respect of age, nationality, health and character, and to the payment of a fee of £3 7s. 6d.

9. Service as an Inspector will be probationary for a period of two years, and the retention of an officer beyond that date will be conditional on his passing a prescribed examination after the expiry of that period.

10. An Inspector after passing the examination is eligible for consideration for appointment to the established staff. Appointment to the established staff is conditional on the issue by the Civil Service Commissioners of a Certificate of Qualification; a fee of £3 7s. 6d., being the balance of the prescribed fee of £6 15s., is payable before the Certificate of Qualification can be issued.

*Civil Service Commission,
September 8, 1933.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

**REGULATIONS GOVERNING THE APPOINTMENT OF
THIRD CLASS VALUERS IN THE VALUATION
OFFICE OF THE INLAND REVENUE DEPARTMENT.**

*These Regulations are liable to alteration from
time to time.*

1. The Civil Service Commissioners will satisfy themselves that the steps taken by the Department, by public advertisement in the

Press or otherwise, to make known the existence of vacancies have been such as to secure all desirable publicity. The advertisement will fix the last day on which applications can be received and the date by which the age limits will be reckoned.

2. Applications will be addressed to the Department on the appropriate form. After the last day for application has been reached, the authorities of the Department will scrutinise all the applications received and recommend to the Commissioners such candidates as appear to them to be best qualified for the duties. They will at the same time forward to the Civil Service Commissioners the application forms of the candidates recommended, together with the forms of any candidates not recommended who are employed in a Government Department; and the list of candidates to be interviewed by the Selection Board will then be settled by agreement between the Department and the Civil Service Commissioners, who may, if dissatisfied with the candidates recommended, take such steps in consultation with the Department as they think fit to obtain other candidates.

3. Candidates recommended by the Department and accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will select for the vacancies existing those candidates who appear to them to possess the qualifications most suited for the posts to be filled. The Selection Board will usually comprise representatives of the Civil Service Commission, the Department and a nominee of the Surveyors' Institution.

4. Candidates must be between the age of 25 and 30 years on a date to be fixed in respect of the competition in which they are to take part. Candidates who have served or are serving in the Navy, Army, or Air Force may deduct from their actual age any time during which they have so served.

5. Candidates must have attained a satisfactory standard of general education and must have passed the Final Examination of the Surveyors' Institution, or the corresponding examination of the Auctioneers' and Estate Agents' Institute or of the Land Agents' Society or of the Faculty of Surveyors of Scotland. They must have had at least four years' professional experience which may have been obtained in:—

(a) The Office of a F.S.I., F.A.I., or member of the Land Agents' Society or of the Faculty of Surveyors of Scotland in professional practice, or in Government or Municipal Service; or

(b) The Office of any other Surveyor, Estate Agent or Land Agent which in the opinion of the Civil Service Commissioners and the Department gives an adequate training.

Time which has been spent in study of Agricultural subjects at a University or approved Agricultural College if followed by the obtaining of a Degree or Diploma will be allowed to count up to two years out of the four years. Women candidates must be unmarried or widows and will be required to vacate their appointments on marriage.

6. Every candidate must be a natural-born British subject, the child of a person who is or

was at the time of death a British subject. Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with his Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

7. The appointment of selected candidates will be subject to their satisfying the Civil Service Commissioners of their eligibility in respect of age, nationality, health and character, and will not be confirmed unless and until they have passed the prescribed period of probation to the satisfaction of the Department. Appointment will be subject to the condition that the person appointed may be required to serve in any town in Great Britain. Inland Revenue Valuers are not allowed to engage for profit in commercial dealings in land or houses whether directly or through an agent, or to accept any fee or reward whatsoever for professional or official services.

8. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Navy, Army or Air Force will be eligible for consideration unless he produces when called upon to do so the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate Education Authority has been notified to the Civil Service Commissioners.

9. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work.

10. Candidates selected for appointment will be required to pay a fee of £5.

WALLASEY CORPORATION TRAMWAYS (CESSER OF POWERS) ORDER, 1933.

WHEREAS the Wallasey Urban District Council were authorised by the Wallasey Tramways and Improvements Act, 1899 (hereinafter referred to as "the Act of 1899") and the Wallasey Tramways and Improvements Act, 1906 (hereinafter referred to as "the Act of 1906") to construct and have constructed and opened for traffic certain tramways situate in the County Borough of Wallasey including the tramways described in the Schedule hereto and hereinafter referred to as "the abandoned tramways".

And whereas Part III of the Tramways Act, 1870, is incorporated with the Act of 1899 and the Act of 1906 and in the said Part III it is enacted by Section 41 inter alia as follows:—

"If at any time after the opening of any tramway in any district for traffic the promoters discontinue the working of such tramway, or of any part thereof, for the space of three calendar months (such discontinuance not being occasioned by circumstances beyond the control of such promoters, for which purpose the want of sufficient funds shall not be considered a circumstance beyond their control), and such discontinuance is proved to the satisfaction of the Board of Trade, the said Board, if they think fit, may by Order declare that the powers of the promoters in respect of such tramway or the part thereof so discontinued shall, from the date of such Order be at an end, and thereupon the said powers of the promoters shall cease and determine, unless the same are purchased by the local authority in manner by this Act provided".

And whereas by virtue of the Ministry of Transport Act, 1919, and the Ministry of Transport (Board of Trade Exception of Powers) Order, 1919, the powers and duties of the Board of Trade under the said Section 41 of the Tramways Act, 1870, have been transferred to the Minister of Transport.

And whereas the Mayor Aldermen and Burgesses of the County Borough of Wallasey (hereinafter referred to as "the Corporation") have applied to the Minister of Transport for an Order under the said Section 41 of the Tramways Act, 1870, declaring that the powers of the Corporation (as successors to the Wallasey Urban District Council) in respect of the abandoned tramways shall be at an end and it has been proved to the satisfaction of the Minister of Transport that the working of the abandoned tramways has been discontinued for the space of three calendar months.

Now therefore the Minister of Transport in exercise of the powers in that behalf conferred on him by the said Section 41 of the Tramways Act, 1870, hereby orders and declares that the powers of the Corporation in respect of the abandoned tramways shall from the date of this Order be at an end.
