

" III.—INCIDENTAL, CONSEQUENTIAL AND SUPPLEMENTAL PROVISIONS.

" 1.—(a) The election of the six additional Councillors of the Borough, namely, the three to be elected for Trafford Ward and the three to be elected for Winton Ward, shall be held on Tuesday the 27th day of March, 1934, or such later date as may be fixed by the Secretary of State.

(b) Subject to the provisions of this Scheme, the election shall be held in the same manner as elections to fill ordinary vacancies, provided that the Mayor shall be the Returning Officer at the election, but he may appoint to act as Returning Officer an Alderman or a Councillor who is not registered as a local government elector in respect of a qualification in the Ward.

(c) The additional Councillors of the Borough elected in pursuance of this Scheme shall come into office immediately after the election and shall go out of office as follows:—

(i) The Councillor who is elected for the Trafford Ward by the smallest number of votes and the Councillor who is elected for the Winton Ward by the smallest number of votes, on the ordinary day of election of Councillors in 1934.

(ii) The Councillor who is elected for the Trafford Ward by the largest number of votes and the Councillor who is elected for the Winton Ward by the largest number of votes, on the ordinary day of election of Councillors in 1936.

(iii) The other Councillor elected for Trafford Ward and the other Councillor elected for Winton Ward, on the ordinary day of election of Councillors in 1935.

" 2. The election of the two additional Aldermen made necessary by the election of the six additional Councillors in pursuance of this Scheme shall take place at the next meeting of the Council after the day of the election of the said six additional Councillors. The additional Aldermen shall come into office immediately after the election and shall go out of office, the one who is elected by the smaller number of votes on the ordinary day of election of Aldermen in the year 1935 and the other on the ordinary day of election of Aldermen in the year 1938.

" 3. If for any reason it is doubtful which of the additional Councillors or Aldermen, as the case may be, elected in pursuance of this Scheme, ought to retire in the year specified in this Scheme, the matter shall be determined by lot under the direction of the Mayor or other person presiding at the meeting at the first or second meeting of the Council after the election of such additional Councillors or Aldermen.

" 4. On the day of the election of the additional Aldermen as above provided, the existing Aldermen and the additional Aldermen shall be respectively assigned by the Council as Returning Officers until the 9th November, 1934, at elections of Councillors for the several Wards of the Borough.

" 5. In any Ward in which no existing Alderman is in pursuance of this Scheme assigned for the purpose of acting as Returning Officer at the election of Councillors the Mayor shall be the Returning Officer, but he may appoint to act as Returning Officer another Alderman or a Councillor not being a

Councillor for that Ward and not being registered as a local government elector in respect of a qualification in that Ward.

" 6. If any vacancy exists at the date of the Order in Council approving this Scheme or thereafter occurs amongst the existing Councillors, an election to fill the vacancy shall be held for the Ward to which the Councillor whose death or retirement causes the vacancy has been apportioned by this Scheme.

" 7. If the register of electors is not so framed as to show the local government electors entitled to vote at any election of Councillors of the Borough to be held for any of the Wards constituted by this Scheme, it shall be the duty of the Town Clerk of the Borough to make such alteration or re-arrangement of the register as may be necessary for the purpose of such election.
