“ 1.—(a) The election of the three additional Councillors for Longbridge Ward and the three additional Councillors for Park Ward shall be held on Monday the 26th day of March 1934, or such later date as may be fixed by the Secretary of State.

(b) Subject to the provisions of this Scheme, the elections shall be held in the same manner as elections to fill ordinary vacancies, provided that the Mayor shall be the Returning Officer at the elections, but he may appoint to act as Returning Officer in either of the Wards or in both an Alderman or a Councillor who is not registered as a local government elector in respect of a qualification in that Ward.

(c) The Councillors elected in pursuance of this Scheme shall come into office on the 1st day of April, 1934, and shall go out of office as follows:—

(i) The Councillor who is elected by the smallest number of votes in each of the two Wards, on the 1st November, 1934.

(ii) The Councillor who is elected by the largest number of votes in each of the two Wards, on the 2nd November, 1936.

(iii) The other Councillors on the 1st November, 1935.

“ 2. The election of the two additional Aldermen made necessary by the election of the additional Councillors shall take place at the next meeting of the Council after the 1st day of April, 1934. The additional Aldermen shall come into office immediately after their election and one of the Aldermen so elected shall go out of office on the ordinary day of election of Aldermen in the year 1934, and the Alderman who was elected by the smaller number of votes shall be the Alderman so to retire in the year 1934, and the Alderman who was elected by the greater number of votes shall retire on the ordinary day of election of Aldermen in the year 1937.

“ 3. If for any reason it is doubtful which of the additional Councillors or Aldermen, as the case may be, elected in pursuance of the Scheme, ought to retire in the year specified in this Scheme, the matter shall be determined by lot under the direction of the Mayor or other person presiding at the meeting, at the first or second meeting of the Council after the election of such additional Councillors or Aldermen.

“ 4.—(a) On the day of the election of the additional Aldermen as above provided, the existing Aldermen and the said additional Aldermen shall be respectively assigned by the Council as Returning Officers, until the 9th day of November, 1934, at elections of Councillors for the several Wards of the Borough.

(b) In any Ward in which no Alderman is, in pursuance of this Scheme, assigned for the purpose of acting as Returning Officer at the election of Councillors, the Mayor shall be the Returning Officer, but he may appoint to act as Returning Officer another Alderman or a Councillor not being a Councillor for that Ward and not being registered as a local government elector in respect of a qualification in that Ward.

“ 5. If any vacancy exists at the date of the Order in Council approving this Scheme or thereafter occurs amongst the existing Councillors, an election to fill the vacancy shall

be held for the Ward to which the Councillor whose death or retirement causes the vacancy has been appointed by this Scheme.

“ 6. If the register of electors is not so framed as to show the local government electors entitled to vote at an election of Councillors of the Borough to be held for any of the Wards constituted by this Scheme, it shall be the duty of the Town Clerk of the Borough to make such alteration or re-arrangement of the register as may be necessary for the purpose of such election.
