

Saint Nicholas, Radford, and partly out of the Parish of Exhall, all in the County of Warwick and in the Diocese of Coventry:

"Whereas we are satisfied that the said New Parish of Saint Paul, Foleshill, the said New Parish of Saint Nicholas, Radford, and the said Parish of Exhall are Cures wherein or in parts whereof the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof and it has been made to appear to us that it would promote the interests of religion that the particular portions of the said New Parish of Saint Paul, Foleshill, of the said New Parish of Saint Nicholas, Radford, and of the said Parish of Exhall, which are hereinafter mentioned and described, should be constituted a separate District in the manner which is hereinafter set forth:

"And whereas there is not at present within the limits of the said proposed separate District any consecrated Church or Chapel in use for the purposes of Divine worship:

"And whereas we have agreed to make and pay out of the Common Fund created by the firstly herein mentioned Act a grant of £200 per annum to the Minister of the said proposed separate District so soon as a Minister shall have been duly licenced in accordance with the provisions of the secondly herein mentioned Act and to his successors:

"And whereas the said grant of the said yearly sum of £200 will, after the publication in the London Gazette of an Order of Your Majesty in Council ratifying this Scheme, be made and secured by an Instrument to be executed by us, the said Ecclesiastical Commissioners, under our Common Seal in accordance with the provisions of the Act of the 29th and 30th years of Her said late Majesty, Chapter 111:

"And whereas there has been contributed and paid to the credit of our account at the Bank of England a capital sum of £2000 towards the cost of erecting a permanent Church within and for the said proposed separate District:

"And whereas the said capital sum of £2000 has been contributed and paid as aforesaid upon the understanding and condition that (such arrangement appearing to us to be expedient) the whole right of Patronage of the said proposed District, and, when such District shall have become a New Parish, then of the said New Parish, and the nomination of the Minister or Incumbent thereof should be assigned in the manner which is hereinafter set forth:

"And whereas the contributors of the said capital sum of £2000 towards the cost of erecting such permanent Church have nominated to us the Bishop of Coventry for the time being as the person to whom they desire that the whole right of Patronage of the said proposed District or New Parish should be assigned:

"Now, therefore, with the consent of the Right Reverend Mervyn, Bishop of Coventry (in testimony whereof he has signed and sealed this Scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose that all those portions of the said New Parish of Saint Paul, Foleshill, of the said New Parish of Saint Nicholas, Radford, and of the said Parish of Exhall, which are described

in the Schedule hereunder written, all which portions together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme as aforesaid, become and be constituted a separate District for spiritual purposes and that the same shall be named 'The District of Saint Luke, Holbrooks.'

"And we further recommend and propose that the whole right of Patronage of the said District so recommended to be constituted and, when such District shall have become a New Parish as aforesaid, then of such New Parish and the nomination of the Minister or Incumbent thereof shall without any assurance in the law other than this Scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be absolutely vested in and shall and may from time to time be exercised by the said Mervyn, Bishop of Coventry, and his successors for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament.

"THE SCHEDULE to which the foregoing Scheme has reference.

"The District of Saint Luke, Holbrooks, comprising:—

"All those contiguous portions of the New Parish (sometime Chapelry District) of Saint Paul, Foleshill, of the New Parish (sometime District Chapelry) of Saint Nicholas, Radford, and of the Parish of Exhall, all in the County of Warwick and in the Diocese of Coventry, which, taken together, are bounded upon the west by the New Parish of Keresley and Coundon, in the said County and Diocese, and upon the remaining sides, that is to say, upon the north, upon the east and upon the south, by an imaginary line commencing at the point in Nunts Lane where the boundaries of the said New Parish of Saint Paul, Foleshill, of the said New Parish of Keresley and Coundon, and of the said Parish of Exhall, all meet, and extending thence north-eastward along the boundary which divides the said Parish of Exhall from the said New Parish of Saint Paul, Foleshill, for a distance of 31 chains or thereabouts to the point where such boundary diverges south-eastward from following Nunts Lane, and extending thence north-eastward along the middle of Nunts Lane for a distance of 3½ chains or thereabouts to its junction with Wheelwright Lane, and extending thence north-eastward along the middle of Wheelwright Lane for a distance of 5 chains or thereabouts to the point where it crosses the middle of the Mineral Railway Line leading from the Coventry Colliery to the Coventry and Nuneaton Line of the London, Midland and Scottish Railway, and extending thence south-eastward along the middle of the said Mineral Railway line for a distance of 20½
