The Civil Service Commissioners hereby give notice that, on the application of the Head of the Department and with the approval of the Lords Commissioners of His Majesty's Treasury, the following situations under the Colonial Office have been added to the Schedule appended to the Order in Council of the 22nd July, 1920, viz.:—

Political Secretary at Aden.

Frontier Officer at Aden.

The British Resident, Trans-Jordan, and posts on his staff (to take effect from the 1st April, 1934).

Civil Service Commission, March 12, 1935.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS RESPECTING OPEN COMPETITIVE EXAMINATIONS FOR THE SITUATION OF CARTOGRAPHER IN THE HYDROGRAPHIC DEPARTMENT OF THE ADMIRALTY.

Competitions under these Regulations are open to candidates of either sex. The Regulations are liable to alteration from time to time.

1. The limits of age for this situation are 19 and 25; candidates must be of the prescribed age on the first day of the examination. A candidate who attained the age of

19 on the first day of the examination would be admitted, but a candidate who attained the age of 25 on that day would not be admitted.

In reckoning age for competition the following allowances will be made:—

(i) Persons who have served or are serving in the Army, Navy or Air Force may deduct from their actual age any time during which they have so served.

(ii) Persons who have served in any established civil situation to which they were admitted with the certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

The consent of the authorities of the Admiralty is required before the child of a naturalised British subject can be appointed to that Department.

3. No person actually serving in the Army, Navy or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.

4. Candidates must satisfy the Civil Service Commissioners as to their health and character. Female candidates must be unmarried or widows, and may be required to resign their appointments on marriage.

5. The subjects of examination and the marks they will carry are as follows:—

(1) Physical Geography...	100
(2) Cartography ...	100
(3) Surveying ...	100
(4) Mathematics ...	100

(5) One of the following:—

(a) French; (b) German; (c) Political and Economic Geography; (d) Oceanography ... 100 each.

Candidates must obtain such a mark in each of the first four subjects and such an aggregate number of marks in the examination as a whole as to satisfy the Civil Service Commissioners.

6. Application for permission to attend an examination must be made in the writing of the candidate, at such time and in such manner as may be fixed by the Civil Service Commissioners.

7. A fee of £6 will be required from each candidate attending an examination.

The Civil Service Commissioners further give notice that an Open Competitive Examination will be held under the foregoing Regulations, in London, commencing on the 9th July, 1935.

Not fewer than two candidates will be appointed on the result of this examination, if so many should be found to be duly qualified.

No person will be admitted to examination from whom the Secretary of the Civil Service Commission has not received on or before the 30th May, 1935, an application, in the candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.

Civil Service Commission,

March 12, 1935.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE COMPETITIVE SELECTION OF ASSISTANT KEEPERS IN THE SCIENCE MUSEUM, BOARD OF EDUCATION.

N.B.—Competitions under these Regulations are open both to men and women. Competitions do not take place at fixed intervals, but are held as occasion arises on the occurrence of vacancies. The Regulations are liable to alteration from time to time.

1. Candidates must have attained the age of 22 and shall as a rule not have attained the age of 30 on the 1st April of the year in which the competition is held. In exceptional cases the Board will be prepared to consider the appointment of persons above the age of 30. In reckoning age for competition the following allowances will be made, viz.:—

(a) Candidates who have served or who are serving in the Army, Navy or Air Force may deduct from their actual age any time during which they have so served.

(b) Candidates who have served in any established civil situation to which they were admitted with the certificate of the Civil

Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. The Board of Education will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which they desire to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

5. Applications shall be addressed in the first instance to the Director of the Science Museum and shall be made on the appropriate form. He will examine the candidates' credentials and take such other steps as seem good to him to ascertain their qualifications, and will submit the names of such candidates as appear to have the best qualifications for any existing or prospective vacancy to the Board of Education for approval of their candidature. The papers of candidates thus approved will be submitted to the Civil Service Commissioners, who, if dissatisfied with the number or quality of candidates for any vacancy, may require further search to be made for qualified candidates.

6. Candidates must satisfy the Civil Service Commissioners that they have received such systematic education, general or technical, or general and technical, together, as in their opinion fits them for the post. In general, candidates should possess a university honours degree or other equivalent qualifications, and

should have a post-graduate experience. The Commissioners may submit any or all of the candidates to a qualifying examination to test such education, or any part of it.

7. Candidates must satisfy the Civil Service Commissioners as to their health and character.

Women candidates must be unmarried or widows and will normally be required to resign their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience in relation to the duties required of her, or of the special requirements of the Department.

8. Candidates who are recommended by the Board of Education and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, and their decision will be final. The Selection Board shall be nominated by the Commissioners in consultation with the Board of Education, who shall be represented on the Selection Board, and, when practicable, one of the Commissioners shall be the Chairman. The Selection Board will take into consideration the candidates' records of experience and education, any recommendations that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at this interview; and on their estimation of all the above evidence they will frame their decisions.

9. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the university, in the Forces, or otherwise.

10. If a qualifying examination is held, each candidate subjected thereto will be required to pay a fee of £3. A Selected Candidate will be required to pay a fee of £8, towards which the fee paid at the qualifying examination (if any) will count, before the issue of a certificate of qualification for appointment.
