The Civil Service Commissioners hereby give notice that, on the application of the Head of the Department and with the approval of the Lords Commissioners of His Majesty's Treasury, the following class of employment under the Prison Commission, Home Office, has been added to the Schedule appended to the Order in Council of 22nd July, 1920, viz.:—

Unestablished employment as Assistant Housemistress.

*Civil Service Commission,
May 3, 1935.*

The Civil Service Commissioners hereby give notice that, on the application of the Head of the Department and with the approval of the Lords Commissioners of His Majesty's Treasury, the following situation under the Fishery Board for Scotland has been added to the Schedule appended to the Order in Council of the 22nd July, 1920, viz.:—

Marine Superintendent.

*Civil Service Commission,
May 3, 1935.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE APPOINTMENT OF MALE ASSISTANT SURVEYORS IN THE CIVIL ENGINEER-IN-CHIEF'S DEPARTMENT OF THE ADMIRALTY AND IN THE WORKS AND BUILDINGS DIRECTORATE OF THE AIR MINISTRY.

N.B.—These Regulations are liable to alteration from time to time. Competitions do not take place at fixed intervals, but are held as occasion arises.

1. Candidates must have attained the age of 22 and must not have attained the age of 28 on a date to be fixed in respect of the competition in which they are to take part. Candidates who have served or are serving in the Army, Navy or Air Force may deduct from their actual age any time not exceeding five years during which they have so served.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the

paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

The consent of the authorities of the Department concerned will be required before the child of a naturalised British subject can be appointed either to the Admiralty or to the Air Ministry.

3. Persons holding situations in the Civil Service must obtain the permission of the authorities of their department to apply for appointment.

No person actually serving in the Army, Navy or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. Candidates must be prepared to serve at home or abroad, and candidates selected for the Air Ministry must be prepared to undertake journeys by air in connection with the execution of their duties as may be directed.

5. The Civil Service Commissioners will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which it is desired to fill on any one occasion.

6. Applications shall be addressed to the Civil Service Commission on a form to be obtained from that Office. Candidates who appear to be *prima facie* qualified under the regulations will be submitted to a written examination in the following subjects, and will be required to pay a fee of £4 before the examination:—

(1) Writing a report on some subject connected with the profession.

(2) Taking out quantities from drawings, abstracting and getting into bill, and measurement of works executed. Reading and interpreting drawings.

(3) Estimating and valuing, including analysis of prices.

(4) Specifications and contracts—

(a) For works.

(b) For supply of material, including use and properties of materials.

(5) Chain surveying and levelling.

The candidate will be required to qualify in each of the above subjects.

Candidates who are Professional Associates of the Chartered Surveyors' Institution, having qualified under Sub-Division III (IA Quantities-Typical), or who have passed the examinations prescribed for such qualification, will be exempted from the written examination. A candidate so exempted will be required to pay a fee of £4 before admission to interview by the Selection Board.

7. Candidates who pass the examination or are exempted therefrom will be summoned to

appear before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, provided they find them qualified. The Selection Board will be constituted by the Civil Service Commissioners, in consultation with the authorities of the Department or Departments in which there are vacancies to be filled, and such Department or Departments will be represented on the Selection Board. The decisions of the Selection Board will be final.

8. When vacancies are offered for competition in more than one Department, it will rest with the Civil Service Commissioners to determine to which Department the successful candidates shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service; but subject to this condition, the wishes of the candidates will, where possible, be respected.

9. The appointment of selected candidates will be subject to their satisfying the Civil Service Commissioners of their eligibility in respect of age, nationality, health and character, and will not be confirmed unless and until they have passed the prescribed period of probation to the satisfaction of the Head of the Department in which they are employed.

10. A candidate selected for appointment will be required to pay a fee of £8, towards which the fee paid on examination or interview will count, before the issue of the certificate of qualification.

11. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidates' work, whether at school, at the university, in industry or business, in the Forces, or otherwise.

The Civil Service Commissioners further give notice of a competition (written examination followed by Selection Board) to be held under the foregoing Regulations to fill at least one vacancy in the Admiralty, if the necessary candidate should be recommended by the Selection Board. The written examination will be held in London, commencing on the 13th August, 1935.

The date on which candidates must be within the prescribed limits of age is the 20th June, 1935.

No person will be admitted to Examination from whom the Secretary of the Civil Service Commission has not received, on or before the 20th June, 1935, an application, in the Candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.

MILK ACT, 1934.

Notice is hereby given that the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting jointly, have certified the cheese-milk price for the month of May, 1935, as required by Sub-section 2 of

Section 4 of the Milk Act, 1934, in the following terms:—

Certification of Cheese-Milk Price.

Whereas by Sub-section (1) of Section 4 of the Milk Act, 1934 (hereinafter referred to as "the Act"), it is provided that for the purposes of the Act the cheese-milk price for any month shall be the excess over one penny three farthings of the average of the prices per pound at which cheese such as is commonly known at the commencement of the Act as "New Zealand Finest White" and "Canadian Finest White" was sold wholesale in Great Britain during the immediately preceding month;

And whereas by Sub-section (2) of the said Section the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, are required to certify as soon as may be after the beginning of September, 1934, and of each subsequent month falling before April, 1938, the cheese-milk price for that month;

Now, therefore, the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, hereby certify that the cheese-milk price for the month of May, 1935, is 4.26 pence per pound.

The method by which the cheese-milk price for the month as certified above has been computed is as follows:—

(i) The range of price quotations in respect of sales by wholesale of "New Zealand Finest White" cheese and of "Canadian Finest White" cheese, as published by the London Provision Exchange Ltd., for each of the periods ended at 11.30 a.m. on Friday, 5th April, Friday, 12th April, Wednesday, 17th April, and Friday, 26th April, has been examined.

(ii) The average of the mean prices for the two kinds of cheese has been ascertained for each of the said periods, exceptional quotations being disregarded. The average of the periodic averages so ascertained has then been calculated to two places of decimals and expressed in pence per pound.

(iii) From the figure thus obtained one penny three farthings has been subtracted and the balance gives the figure certified above.
