

other part of the said enclosure numbered 354.

3. To authorise the Company to purchase and use material required to convert and work up residual products.

4. To authorise the Company to purchase by agreement additional lands for the purposes of their undertaking, to sell lease and dispose of lands and to provide dwelling-houses for employees and offices showrooms and other buildings.

5. To make provision as to the capital of the Company and to limit the borrowing powers of the Company and to make other financial provisions.

6. To make provision for the price to be charged for gas supplied by the Company and to charge different prices in different parts of the limits of supply; to make provision for an alteration in the method of calculating the price of gas supplied by the Company by substituting for a charge per thousand cubic feet of gas a power to charge for thermal units supplied in the form of gas; to make provision for a declaration by the Company of the calorific value of gas to be supplied by them, the measure of therms supplied, variation of calorific value, adjustment of consumers' burners, and the pressure of gas.

7. To make provision for and to fix a basic price for the gas to be supplied by the Company within the limits of supply with power to charge different prices in different parts of the said limits and to make provision as to the revision of such basic price.

8. To prescribe a basic rate of dividend on the share capital of the Company; to empower the Company in certain circumstances to apply their profits in payment of dividends in excess of the basic rate and in establishing and maintaining a reserve fund and for the benefit of all or some of the employees of the Company and to make provision for determining from time to time the amount of the profits to be applied as aforesaid.

9. To empower the Company or the Directors thereof to establish a Reserve Fund, a Special Purposes Fund and a Renewal Fund, to provide for the application of those funds respectively and to make provision with respect to the appropriation or application of the existing reserve fund or other funds of the Company.

10. To confer upon the Company powers in regard to the carrying on of their undertaking including powers and provisions with respect to charges for prepayment meters and gas supplied thereby; the supply and purchase by the Company of gas in bulk; the laying of pipes in private streets and for ancillary purposes; the construction size material and position of consumers' pipes between mains and meters; power to supply fittings &c.; the payment of interest on moneys deposited with the Company; fittings not to be subject to distress; for prevention of improper use of gas; inspecting and testing meters; the charges to be made for special readings of meters; for exempting the Company from obligation to supply gas in certain circumstances; notice to discontinue supply of gas; the taking of licences for the use of patents; the granting of pensions; the establishment of and carrying into effect a superannuation scheme; the recovery of penalties and demands; the in-

clusion of several sums in one summons; and the authentication and service of notices by the Company.

11. To confer upon the Company all or any powers commonly conferred on gas undertakers and not hereinbefore referred to and to enact all such provisions as may be necessary or convenient for effecting the purposes of the Order.

12. To vary or extinguish all rights and privileges which would interfere with the objects of the Order and to confer other rights and privileges.

13. To incorporate and apply with or without modification all or some of the provisions of the Gasworks Clauses Acts 1847 and 1871, the Lands Clauses Acts, and the Gas Undertakings Acts 1920 to 1934.

Any local or other public authority, company or person desiring to bring before the Board of Trade any objection to the draft Order may do so by registered letter addressed to the Director of Gas Administration, Board of Trade, Great George Street, London, S.W.1 and dispatched on or before the 2nd day of July, 1935. Any such objection shall state

- (a) the specific grounds of objection and
- (b) the omissions additions or modifications asked for,

and a copy thereof must at the same time be forwarded to the Company or to the under-mentioned Solicitors and Parliamentary Agents.

Printed copies of the draft Order and an Ordnance Map on a scale of one inch to a mile showing the situation of the works of the Company and the boundary of the area of supply together with an Ordnance Map on a scale of 25 inches to a mile showing the lands described in paragraph 2 of this Notice, have been or will be deposited for public inspection with the Clerk of the Peace for the County of Salop at his Office at the Shire Hall, Shrewsbury, and at the registered office of the Company aforesaid.

Printed copies of the draft Order may be obtained at the registered office of the Company aforesaid and of the undermentioned Solicitors and Parliamentary Agents, at the price of one shilling for each copy.

Dated this 29th day of May, 1935.

BIRCHAM AND Co., 46, Parliament Street,
Westminster, S.W.1, Solicitors and
(083) Parliamentary Agents.

METROPOLITAN RAILWAY COMPANY.

UNDER the provisions of the London Passenger Transport Act, 1933, all holders of Debenture, Preference and Consolidated (except those holders who elected to exchange their holdings into Metropolitan Assented Stock) Stocks of the above named Company were required to deliver up to the said Company the Certificates for the Stocks so held by them in order that there might be distributed to them in substitution for such Stock, Transport Stock (excluding fractions of a pound thereof) of the London Passenger Transport Board at the rates of substitution specified in Part II of the Third Schedule to that Act, together with their due proportions (if any) of the net proceeds of sale of any
